Reames has been formally notified of his appointment by Gregory. Beyond an intimation from Washington that he will begin his activities soon, Reames states he does not know definitely what he is to do, or where he will be sent.

CORRECTLY FITTED GLASSES

For children of all ages. When I say correctly fitted, I not only mean fitted to the face, but fitted to correct any defect of vision. I make a specialty of fitting children's eyes correctly. By a thorough examination only, can defect of vision be discovered in children's eyes. Bring your child to me and I will examine and give their eyes the proper attention needed. If glasses are not necessary I will frankly tell you so.

My thirty-four years of practical experience is at your service. My prices are no higher than elsewhere, but you will receive best service, the best materials the country affords, and I guarantee satisfaction in every respect.
