THE TRAITOR STILL TALKS
Madison, Wis., Mar. 13.—Senator Robert M. LaFollette today issued a lengthy signed statement appealing to the voters of Wisconsin to elect James Thompson of LaCrosse, to the seat in the United States senate made vacant by the death of Paul O. Husting. Thompson will fight to curb the "power of one man," in saying how the war shall continue and what the aims of the nation shall be, LaFollette said.

State House News

An application for a hearing was received today by the Public Service Commission from the Confederated Union Growers association, asking that grades be established for onions. They ask three grades, a uniform packing arrangement, and compulsory inspection by the state. The matter is being considered by the commission. The Eugene and Junction Telephone company of Eugene has filed articles of incorporation, giving \$750 as the capital stock, and the operation of a telephone exchange as the business of the company. Notice of the dissolution of the Garfield Lumber company of Estacada, was also filed today. In a reply to State Labor Commissioner Hoff, Attorney General Brown ruled that Miss Clara Lewis, an employee of the telephone company at Sweet Home, in Linn County, is being employed contrary to law, for the reason that she is working more than 10 hours a day. The question was put by John Lewis, of Sweet Home, who included a contract. This calls for more than 10 hours, and as Miss Lewis is paid by the number of phones on the switchboard, she does not draw more than \$40 per month, and in addition has to do her own collecting.

Why, when any new issue arises should all that is generous and statesmanlike come from the other side of the ocean?"
