lief work had been unable to fulfill her part, evidently because of the Teuton threats to torpedo ship leaving Holland Dutch ships in Belgium and wiss re-lief work had been unable to fulfill her part, evidently because of the Teuton German

threats to torpedo ship leaving Holland.

With the ships actually in possession of the United States and the allies, little time will be lost in putting them in the trans-Atlantic transport service. American naval crews were at one available for manning them as the bureau of operations and navigation had planned this matter carefully in advance. Actual seizure was accomplished about 7 o'clock last night, and as far as reports here show no difficulty was encountered.

Copenhagen dispatch Tuesday, invited neutral correspondents to go to the west front to see the start of he bereal-Litovsk. He awaited results in Petrograd.

Transky launched broadcast his appeal to the German people. It was checked in its prime by the military authorities. It never saw the light armies, south of St. Quentin. (This is a distance of about fifty miles, in an williant and comprises nearly 75 miles were to have a complete. It was detected in its prime by the military authorities. as reports here show no difficulty was encountered.

The Butch will be paid for the ships under the terms of international law.

In making his statement as to seizure, the president pointed out fully that Holland had acted under the shadow of the hampering German influence, and emphasized that this government is entirely friendly to The Netherlands. She will get food supplies, as originally sites and ricurbalax is four miles south of Mossines is front.)
