Dallas Local News

(Capital Journal Special Service)
Dallas, Mar. 21.—The benefit sup-
per and entertainment given under the
auspices of the Dallas Woman's club
in the Christian church parlors Mon-
day evening, was one of the biggest
financial successes of its kind ever
held in this city. The sum of \$129 was
realized from the supper and entertain-
ment and the entire proceeds was
turned over to the Dallas Red Cross
auxiliary of Willamette chapter. The
supper was in the nature of a "cafeteria"
affair and proved to be a great draw-
ing card. Among the pleasing num-
bers on the program after the supper were
selections by the Masonic quartet of
this city and by Miss Tartar, musical
instructor in the city schools.

To Hold Social Gathering

plished already throughout the state.
Other prominent men of note are pro-
mised by the Commercial club manage-
ment and all members have been urged

ing for Port Leavenworth, Kansas,
where he will take training in the an-
nular corps of Uncle Sam's fighting
forces. Jack has been taking special
work in this line at the Oregon Agri-
cultural college at Corvallis, and when
his appointment came was ready to
proceed at the first opportunity where
the corps is being mobilized.

At a big union meeting of the Dal-
las churches held at the Evangelical

country delivered a stirring address.
The flags presented at the meeting to

representation at the meeting were
from the school rooms of Miss Geo-
rgia Ellis and Miss Kossiter. Dr. Banks
spoke at the Methodist church in the
morning on "Making Uncle Sam a
safe leader for Democracy." The ev-
ening address was on "War time prohibi-
tion." Social music for the occasion
was furnished by choirs from the dif-
ferent churches.

Mrs. John R. Sibley and little daugh-
ter returned Monday evening from

Cloverdale Notes

(Capital Journal Special Service)
Cloverdale, Mar. 21.—Miss Arnold,
Miss Blackman and Miss Craig were
missing in Salem Saturday.
Report says that Walter Miller pur-
chased a new motorcycle last Saturday.
Ivan Hadley, who has been attend-
ing college at Newberg, returned home
Saturday to attend his father's farm,
as his father is in poor health and can-
not farm this year.

On the evening of March 16 a party
of 60 people, old and young, gathered
at Mr. and Mrs. Charlie Cummings' in
honor of Mrs. Cummings' birthday. It
was in the nature of a surprise and a
light lunch was served by the ladies,
late in the evening. During the lunch,
Rev. Mickey of the Methodist church
passed the hat and took a collec-
tion for the benefit of the Red Cross.
The sum of \$4.10 was raised and this
the Red Cross auxiliary of Turner received
yesterday at their regular meeting. More
than this those present heartily en-
dorsed the movement of doing what
they can to help out our boys at the
front, or soon to go there.

The Cloverdale school girls did not
start out to sell thrift stamps until
yesterday, then the two little girls did
not visit everybody, as the day was
too short for that, but they raised
\$48.50; pretty good for one day's work.

The Pneumonia Season

The cold, damp weather of March
seems to be the most favorable for the
pneumonia germ. Now is the time to be
careful. Pneumonia often results from
a cold. The quicker a cold is gotten
rid of the less the danger. As soon as
the first indication of a cold appears
take Chamberlain's Cough Remedy.
Ask anyone who has used it.

RESPONSIBILITIES OF WAR

(Continued from page one)
such a settlement of the war is not
possible. At best it would mean mere-
ly a temporary truce with a determi-
nation of the military caste of Berlin,
after once the Russian situation had
been placed under control, to resume
and continue its plan of world con-
quest which has been so unmistakably
displayed as the underlying object of
the present war. President Wilson in
his message to the Russian soviet at
Moscow has however, intimated the
American position on the Russian prob-
lem, which problem must be consid-
ered but a separate division of a single
great peace question. The only possible
basis for peace which can be consid-
ered is one which will mean a perma-
nent peace predicated upon the over-
throw of autocracy and the safeguard-
ing of democratic ideas of freedom of
thought and action. Unfortunately the
recent successes of the enemy in Rus-
sia are calculated to delay such a re-
sult. German leaders now are report-
ing on the basis of the status quo ante
in the west and the status quo ante
in the east. This impossible solution ap-
ears all there is contained in the more
recent press reports of renewed peace
feelings from Berlin.

From the general investment stand-
point there appears no reason to change
views recently expressed in these ad-
vices. On the one hand must be recog-
nized the competition for the savings
of investors which will accompany the
new bond issue. Undoubtedly the utmost
pressure will be exerted to make the
dividends on the new issue attractive
and will, in addition, have behind
them the spur of patriotism to make
effective demands upon the floating
supply of funds available for invest-
ment. In addition it is to be expected
some degree of liquidation having for
its purpose the release of funds at
ready occupying fixed channels. But

CLEANSER YOUR HAIR
MAKES IT BEAUTIFUL
THICK, GLOSSY, WAVY

Try This! All Dandruff Dis-
appears and Hair Stops
Coming Out

Surely try a "Danderine Hair
Cleanser" if you wish to immediately
double the beauty of your hair. Just
moisten a cloth with Danderine and
draw it carefully through your hair,
making one small strand at a time;
this will cleanse the hair of dust, dirt
or any excessive oil—in a few min-
utes you will be amazed. Your hair
will be wavy, fluffy and abundant and
possess an incomparable softness, lu-
stre and luxuriance.
Besides beautifying the hair, one ap-
plication of Danderine dissolves every
particle of dandruff; invigorates the
scalp, stopping itching and falling hair.
Danderine is to the hair what fresh
showers of rain and sunshine are to
vegetation. It goes right to the roots,
invigorates and strengthens them. Its
exhilarating, stimulating and life-pro-
ducing properties cause the hair to
grow long, strong and beautiful.
You can surely have pretty, soft,
lustrous hair, and lots of it, if you will
spend a few cents for a small bottle
of Knowlton's Danderine at any drug
store or toilet counter and try it as di-
rected.

THE WEEK'S LOSSES

London, Mar. 21.—British
shipping losses in the week end-
ing March 20, the admiralty
announced today, included elev-
en on vessels of more than 1600
tons six under that tonnage
and two fishing boats.
In the previous week, the
losses were 15 ships of more
than 1600 tons and three un-
der.

DANDRUFF SOON
RUINS THE HAIR

Girls—if you want plenty of thick,
beautiful, glossy, silky hair, do by all
means get rid of dandruff, for it will
starve your hair and ruin it if you
don't.

It doesn't do much good to try to
brush or wash it out. The only sure
way to get rid of dandruff is to dis-
solve it, then you destroy it entirely.
To do this, get about four ounces of
ordinary liquid arvon; apply it at night
when retiring; use enough to moisten
the scalp and rub it in gently with the
finger tips.

By morning, most if not all of your
dandruff will be gone, and three or
four more applications will completely
dissolve and entirely destroy every
single sign and trace of it.
You will find, too, that all itching
and digging of the scalp will stop
and your hair will look and feel li-
quid around at any drug store. It is
inexpensive and four ounces is all you
will need, no matter how much dand-
ruff you have. This simple remedy never
fails.

tion bill, designed to furnish financial
assistance for the American industries
necessary to the war work, was passed

Seizing Dutch Ships
Makes Prices Jump

Chicago, Mar. 21.—Government seiz-
ure of Dutch tonnage expected to
bring increased exports, proved a bul-
liff factor on the grain exchange today
and brought higher prices.
March options opened 1/2 higher at 90,
later gaining 1/4. May oats opened at
85 1/2, down 1-8 but later gained 1/4.
March corn opened late, 1/4 higher
at \$1.27 7-8 and remained at that fig-
ure. May corn was unchanged at the
opening price of \$1.25 1/4, but later
gained 1/4.
Provisions were higher.

The Dayton (Or.) Tribune gets the
real small town plant on the thing when
it says that if the government cuts off
half the passenger trains it will re-
lieve some of the town girls of a lot
of work, because it is somewhat of a
chore to meet every train now without being
late at any of them.

When you have a bilious attack your
liver fails to perform its functions.
You become constipated. The food you
eat ferments in your stomach. Instead
of digesting, the food causes nausea, vomiting and
a terrible headache. Take Cham-
berlain's Tablets. They will take up your
liver, clean out your stomach and you
will soon be as well as ever. They only
cost a quarter.
