OLD VETERANS SET SPLENDID EXAMPLE

Marion County Association Gives All Its Funds to Assist Red Cross

In not only emptying their treasury of the last penny, but digging down into their pockets and shelling out their spare change to the aggregate amount of \$29.06, all of which was offered as a contribution to the fund of the Willamette chapter of the Red Cross, the Marion County Veterans association teaches a lesson in loyalty and patriotism and sets an example well worthy of emulation by the young generation of American citizens.

The Marion County Veterans association is composed of the members of the Grand Army of the Republic, the Women's Roll of Honor, the Ladies of the G. A. R. and kindred organizations. They held meetings throughout the county three times a year, the last meeting being held yesterday afternoon at the armory in this city. The next session of the association will be held at the picnic grove, at Silverton, on the first Thursday in August of this year. Their sessions are held on the first Thursdays in April, August and December.

During yesterday's session Gideon Stolz, treasurer of the association, suggested that the organization turn over the surplus in the treasury to the Red Cross. The veterans comrades met on this subject and proposed an additional voluntary contribution with the result that the fund was swelled to the amount above named which was turned over to Willamette chapter with expressions of regret that they did not have more to offer.

Russians Are Selling Families For Flour

Washington, April 5.—Starvation has reached such a point in certain districts of Russia that members of the impoverished classes are selling their wives and children for bags of flour according to reports reaching this government today through official channels.

Food reserves are exhausted in most parts of the nation, crops are not being planted and many farmer landlords are hoarding what supplies they have for exorbitant prices.

Officials of Kuban districts have appealed to the peasants to turn loose their grain reserves for relief of the starving population in neighboring communities and warned that hoarding may bring mob vengeance.

Women Are Active In Railroad Work

Portland, Or., April 5.—Women came into their own today on the Union Pacific lines of the northwest.

This railroad, formerly known as the O. W. R. and N., announced the creation of a new department—the Bureau of Women's Activities. Miss Avis Lobdell is head of the department. She formerly was traveling passenger agent of the O. W. R. and N., and was one of the first women passenger agents in the United States.

GRANDMA USED SAGE TEA TO DARKEN HAIR

She Made Up a Mixture of Sage Tea and Sulphur to Bring Back Color, Gloss and Youthfulness

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is faded, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a 50-cent bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients.

PRO-GERMAN

(Continued from page one)

as they joined their shifts for the day's work.

One direct result of the violence was seen in the immediate departure of several suspected pro-Germans from this community which has been a hotbed of anti-Germanism.

Professed Loyalty

Collinsville, Ill., April 5.—Robert P.

Praeger, 45, alleged pro-German, was taken from hiding in the city hall here early today by a mob of 350 "loyalists" and hanged to a tree two miles west of town. No arrests have been made, although the lynchers were not masked and were said to have been led by prominent citizens.

Early last night Praeger came to Collinsville after evading a patriotic band at Maryville, where he was alleged to have talked socialism and made disloyal remarks. Members of the mob followed and captured him here.

He was compelled to march barefooted and draped with an American flag down the main street. Police rescued him and hid him in the city hall basement.

The mob demanded the prisoner and when refused rushed past authorities and dragged him from his hiding place beneath a pile of timbers. Mayor Siegel's pleadings were disregarded.

Still barefooted, Praeger was led along the old national highway with a noose around his neck. Police and the coroner followed at hour later and found his body dangling from a tree.

Collinsville and Maryville are small mining towns fifteen miles east of St. Louis.

While the mob was storming the jail searching for him, Praeger wrote his parents in Dresden, Germany, this note:

"I must, this the fourth day of April, die. Please pray for me, my dear parents. This is my last letter and testament."

A second note, also in German, protested his loyalty. As he was jerked upward on the tree Praeger pleaded he was loyal to his country.

Mayor Siegel declared today he had found no evidence of disloyalty against Praeger. The victim had taken out his first papers and applied for full citizenship.

Collinsville was quiet today with its miners back at work and apparently in high spirits following last night's activity.

directed against him until he defended three men, alleged disloyalists, threatened with violence. Ten men, suspected of pro-Germanism, have been forced to leave the two cities because of threats against them.

Governor Will Prosecute

Springfield, Ill., April 5.—Members of the mob which lynched Robert Praeger, alleged pro-German, at Collinsville, will be punished if their identities can be established, Governor Lowden declared today in a formal statement. If it is impossible to prosecute under the regularly constituted civil officers, he added, there is nothing left for him to do but declare martial law.
