SALEM WILL HAVE \$300,000 BY NIGHT SAYS COMMITTEE

Portland Expects To and State May Go Over the Top Before Day Ends

PORTLAND EXCEEDS QUOTA

Portland, Or., April 10.—Portland clearing house banks today subscribed \$2,000,000 to the third liberty loan. Other banks subscribed \$225,000. Portland, prior to this had exceeded its quota.
At noon today the total raised in San Francisco was \$12,492,000. Simultaneously the announcement was made here that 61 honor flags already have been awarded in the Twelfth district.

Salem will top the \$300,000 mark by the close of the day. With the boost given by the state's subscription of \$50,000 it is thought probable that even this estimate may be exceeded, as the workers are out in full number, determined to do Salem's share in putting Oregon over the top before the close of the day.
County Chairman F. G. Deckebach received the following telegram this afternoon from the Portland headquarters: "Portland expects to go over the top tonight. We believe balance of state can beat Portland to the goal. Urge all towns to put forth every effort and advise by wire not later than 4 o'clock total subscriptions of Marion county. Let us place Oregon first state in the union to attain full quota."
At the meeting held today noon at the First Methodist church the workers in general showed a more determined spirit than ever. Walter A. Denton in a short address said that the Capital City must by all means raise its quota during the honor period in order to receive the honor flag.
The check-up cards were distributed to the different teams today to place a double check on all records. It is the intention of the captains that a close record be kept on every man and woman in their districts, showing the amount formerly subscribed and how much for the Third Liberty loan.
One of the encouraging features is the fact that the greater amount of the \$300,000 already raised is from purchasers of small and medium sized bonds. The big fellows have not as yet reported, as the first efforts of the workers were in calling on the average citizen.
Where men are amply able to subscribe and have not done so, their cards will be passed up to a special committee and if this committee cannot secure subscriptions, the names of those refusing will be forwarded to the Federal authorities. As one earnest worker said, every man is either for or against us. There is no neutral ground.

David W. Eyre Is Elected President of First U. S. National Bank

David W. Eyre was elected president of the United States National Bank at a meeting held yesterday evening to succeed the late J. P. Rogers. This was in line with the wish expressed by Mr. Rogers. Mr. Eyre became associated with the bank when it was organized in 1904 first as bookkeeper, then assistant cashier and later as first vice-president. His election as president is a recognition by the bank officials of his long service with the bank and his close application to business. G. W. Eyre, vice-president, E. W. Hazard, cashier, and T. M. Hicks, assistant cashier, were elected to succeed themselves, thus leaving the bank's affairs under the guidance of those who have been in charge since its organization.

Mexican General Threatens to Attack American Troopers

Presidio, Texas, April 10.—"Invasion of Mexico by United States troops must cease. I will resist any effort by American forces to follow Mexicans across the international boundary line."
Arrivals here today declare General Francisco Murguia made this announcement as he departed with 5,000 cavalry troops from Chihuahua City for Ojinaga, opposite here.
Reports reaching here today indicate that about 10,000 Mexican troops from Juarez, Guadalupe and Laramie have been concentrated in the Big Bend and Ojinaga districts.
United States army officers here believe this concentration is for the purpose of attacking American troops should they cross the border in pursuit of Mexican bandits.
General Murguia is said to be strongly pro-German and army officers say he has repeatedly shown a deep hatred for Americans.

American Troops and Bandits Fighting

Fort Hancock, Texas, April 10.—United States troops and Mexican bandits were engaged in a battle along the Rio Grande river south of here early today. The bandits, numbering several hundred, fired on United States patrols early this morning when the bandits attempted to cross the river and raid small hamlets and ranches on the American side. The United States patrol returned the bandits' fire. Details of the fight are not yet known.

To Help the Patrol

El Paso, Texas, April 10.—United States troops were rushed to Fort Hancock this morning on motor trucks to reinforce the American patrol there reported engaged in a battle with Mexican bandits, who attacked the American forces early today.

Jason Moore Lease Bobs Up Once More

The nitrate deposits of Summer and Albert lakes and the lease of Jason Moore were up for a discussion this afternoon before the state land board. Sidney Smith of Heppner and D. J. Maher of Portland appeared before the board of control yesterday with a proposition to take over the Jason G. Moore lease but without putting up the required security of \$15,000. It is said other parties are interested, represented by W. Lair Thompson of Portland and some Oakland, California interests.
Smith and Maher ask the board to extend the lease of Moore upon which \$10,000 has been paid. This amount will be forfeited this month if the terms of the lease are not complied with. Moore has not yet indicated whether he will be able to pay the additional \$15,000.

Highway Engineers to Build Three Bridges

The State Highway engineers have designed and will supervise the construction of three bridges in Polk county. One of the bridges is over Lacvone creek at Dallas to replace the old wooden structure. It is to be of reinforced concrete, to cost \$10,500 and will be built by John W. Ash. A concrete bridge will be placed between Mouth and Dallas to cost \$1,850 and the work will be done by the Deane Construction Co.
The concrete retaining wall, curb and fences for the west end of the approach across the bridge at Salem will be constructed by Erickson and Jones, to cost \$3,320.

Organize Club to Boost Willamette

A booster campaign was organized at Willamette University this morning in the way of a club to be known as "Greater Willamette Club." The object of the club is to interest high school students throughout the state in Willamette University and to especially bring to all the big functions at the University the high school students living in this part of the valley. The president of the club will be Harry Bowers, president of the student body and the active manager, Arlie Walker of the senior class. For the May Day and graduation exercises it is hoped to bring to the city at least 100 High School students. The aim of the club will be to secure 500 students for Willamette the coming year. At present the enrollment is 286, the falling off of enrollment compared to one year ago due to the number of juniors and freshmen now in the service.

SEDITION BILL PASSED

Washington, April 10.—The senate today passed the sedition bill, which imposes a penalty of twenty years in prison and \$10,000 fine on disloyalists and anti-American propagandists.
The penalty applies to any one who speaks or writes anything favoring the cause of Germany. An amendment by Senator France, Maryland, provides that the penalty shall not apply when criticism of the government is made for a justifiable cause.

ARREST 100 ALIENS

Milwaukee, Wis., April 10.—In raids starting before daylight secret service agents and deputies arrested more than 100 aliens today. All will be charged with violating the president's proclamation regarding barred zones. A few were taken on more serious charges under the espionage act.
