

WRIGLEYS

The universal military service gum—

A Soldier's offering to his sweetheart is naturally the sweetmeat that gave him most refreshment and greatest enjoyment when on duty.

The Flavor Lasts

Keep the boys in service supplied

GOVERNMENT ESTABLISHES

(Continued from page one)

Small arms plants engaged in manufacturing small arms for the United States government and the allies.

Plants engaged in manufacturing chemicals exclusively. Coke plants.

The Big IF in Life!

Why "if" your way through weary wash-days? Your weekly washing costs only a few cents for electricity when you use an Electric Washing Machine, and all the hard work of washing—even the wringing—is done by electricity, quickly, economically and without fuss or muss.

Let Electricity Do Your Washing

Easiest on clothes, time, trouble, health and expense. A small payment down puts an Electric Washer in your home. Balance payable a little each month with your Electric Light bills.

SOCIETY

By CAROL S. DIBBLE

A varied evening of entertainment under the guise of a Red Cross benefit, is in store for those who are planning to attend the program given tomorrow night at the parlors of the Unitarian church, under the charge of Mrs. Anna Rogers Fish. Several pupils of Mrs. Fish, who comprise the well known Kid Comedy Club, will take part in a series of plays, monologues and impersonations. Also contributing a pretty feature to the program will be Miss Florence Cartwright who will give a solo dance. Miss La Von Coppock will present a number of child impersonations. Following the program, a war supper will be served by the ladies of the Unitarian Alliance.

Miss Margaret Putnam of Pendleton will arrive in Salem tonight on a short business trip, returning Sunday morning. Miss Putnam's mother, Mrs. G. P. Putnam, will return with her daughter to Pendleton, where, to the regret of her many Salem friends, she plans to make her home. Accompanying the travelers to Portland will be Mrs. Putnam's son and wife, Mr. and Mrs. Ivan Putnam. The party will motor down.

The Chautauqua Reading Circle gave a Faust Opera program Tuesday evening in the parlors of the Christian church to a number of invited guests. The story was read by Mrs. F. T. Porter in such a realistic manner and with such depth of feeling that it made an appropriate setting for the musical numbers given by the pupils of Miss Minnetta Magers.

Miss Pauline Liska presented the "Flower Song" with a strength of characterization and expression, that drew forth appreciative commendation from the audience. Miss Liska is the possessor of a clear, full, contralto voice, heard to good advantage in a selection so full of interpretative possibilities as the Flower Song.

In the Jewel Song rendered by Miss Hilda Ansler, a pictured suggestion of the very gems, adding their lustre to the bell like tones of soprano melody, was conveyed to the listener.

Miss Evelyn DeLong added much to the beauty of the music by her artistic accompaniment on the piano.

Other musical numbers were reproduced by the victrola.

Mrs. M. E. Moyer and small daughter, Elva, have returned from a sojourn of several months in southern Oregon. They were accompanied home by Mr. Moyer, who returned immediately to Creswell, where he is in the employ of the Southern Pacific.

Mrs. Kate O. Kennell and grandson, Sammy, arrived from Portland this morning to be the guests of Mrs. Kennell's sister, Mrs. R. B. Goodin, for a few days.

Mrs. Edna Dalley of Milwaukie, Oregon, is enjoying a short visit in Salem as the guest of friends. Mrs. Dalley was a guest of Mrs. W. F. Fargo early in the week.

Mrs. George Waters is spending several days in Portland.

Mrs. Laban Steeves of Portland, was a Salem visitor the fore part of the week, when she was the guest of Mrs. B. L. Steeves at her residence on North Church street.

Lieutenant Carl Gabrielson, who has been stationed at Camp Lewis, passed through Portland last night, en route to California, where he has been transferred. Going down to Portland to greet Lieutenant Gabrielson, were his mother, Mrs. C. D. Gabrielson and sister and husband, Mr. and Mrs. Chauncey.

WIN THE WAR BY PREPARING THE LAND SOWING THE SEED AND PRODUCING BIGGER CROPS

Work in Joint Effort the Soil of the U. S. and Canada—Co-operative Farming in Man Power Necessary to Win the Battle for Liberty
The Food Controllers of United States and Canada are asking for greater food production. Nearly 100,000,000 bushels of wheat can be sent to the allies overseas before the crop harvest. Upon the efforts of the United States and Canada rest the burden of supply.
Every Available Tillable Acre must Contribute; Every Available Farmer and Farm Hand must Assist.
Western Canada has an enormous acreage to be seeded but man power is short, and an appeal to the United States allies is for more men for seeding operations.
Canada's Wheat Production last Year was 225,000,000 Bushels; the demand from Canada alone, for 1918, is 400,000,000 Bushels. To secure this she must have assistance. She has the land but needs the men. The Government of the United States wants every man who can effectively help to do farm work this year. It wants the land in the United States developed first of course; but it also wants to help Canada. Whenever we find a man we can spare to Canada's fields after ours are supplied, we want to direct him there. Apply to our Employment Service, and we will tell where you can best serve the combined interests.
Western Canada's help will be required not later than May 5th. Wages to competent help, \$50 a month and up, board and lodging. Those who respond to this appeal will get a warm welcome, good wages, good board, and find comfortable homes. They will get a rate of one cent a mile from Canadian boundary points to destination and return.
For particulars, as to routes and places where employment may be had, apply to
U. S. EMPLOYMENT SERVICE, Dept. of Labor.
PORTLAND, OREGON

THE WASH BOILER IS AN EXTRAVAGANCE IN THESE TIMES

Try war saving on washday—use Fels-Naptha in water that's comfortable to your hands.

Follow the simple directions inside the red and green wrapper and you'll have cleaner clothes than you can possibly get from boiling water and ordinary soap.

You not only save the clothes when you use Fels-Naptha—you save time and labor

Keep white clothes white—wash them with Fels-Naptha

roy Bishop, accompanied by their sons Robert and Charles Kay.

Mrs. Mary Billings of West Salem has visited her mother, Mrs. G. P. Putnam, during her week here.

Miss Daisy Hunt, who has been visiting her father, J. T. Hunt, has gone to Portland for an indefinite stay.

AMERICAN HOMES

(Continued from page one)

the Toul sector.'

'We made successful surprise attacks and took a dozen prisoners and a machine gun northwest and east of Rheims. (The Chemin-Des-Dames sector, where Americans are fighting, is northwest of Rheims.)

'In the region of Orville and Sorel our artillery dispersed the enemy.'

Sullivan, Joseph Panyoni, Neil Neurlin, Clifton Bell, William Durke, Vernon C. Buxton, Edmund Cassidy, George Conselyea, Michael E. Desago, Lawrence Finnerly, James H. Fraser, Frank Gustave, Robert Johnston, John A. McDyer, Ernest Porter, James Traey.

and probably will be issued late this afternoon.

ROOT AND HERB MEDICINES

Indian medicine men contend that the roots and herbs of the field furnish a panacea for every ill to which human flesh is heir. Be that as it may, it is interesting to note that the most successful remedy in the world for female ills, Lydia E. Pinkham's Vegetable Compound, was compounded more than forty years ago by Mrs. Lydia E. Pinkham of Lynn, Mass. from the roots and herbs of the field, and today it is recognized from shore to shore as the standard remedy for female ills.

Whoever thought there was so much money in the world, to say nothing of just Oregon? Signs of spring: The street car heaters are turned on full blast.

Peace with honor by the Fourth of July.

Stop Itching Eczema

Never mind how often you have tried and failed, you can stop burning, itching eczema quickly by applying a little zemo furnished by any druggist for 35c. Extra large bottle, \$1.00. Healing begins the moment zemo is applied. In a short time usually every trace of eczema, tetter, pimples, rash, blackheads and similar skin diseases will be removed.

For clearing the skin and making it vigorously healthy, always use zemo, the penetrating, antiseptic liquid. It is not a greasy salve and it does not stain. When others fail it is the one dependable treatment for skin troubles of all kinds.
