

You must not hide this light

You are with us
or against us—

The test of patriotism is before us all. Now is the opportunity to show your true colors.

Our country needs money. Every American—foreign born or otherwise—must help her raise it. Will your purse strings be tied in America's hour of need, or will you loan your money freely? It matters not how many other Liberty Bonds you have bought—you must buy *more* Liberty Bonds and buy them *now*.

Our fighters must be equipped and fed. We must have ships, guns, ammunition, aeroplanes—all the tremendous armament of war. We must have *money!*

The purchase of Liberty Bonds by every one of us at home will enable Uncle Sam to supply every need.

Every man or woman who enjoys the blessings of American citizenship must heed this call. It is plainly up to you—either you are *with us* or *against us*. Prove your patriotism by buying that Liberty Bond today!

Liberty Bonds

Are United States Government Bonds.

They are supported by every dollar of the enormous resources of the United States.

They bear interest at a rate higher than earned by any other class of Government bonds.

They do not represent a war gift or donation but the highest type of profit producing investment.

They are in denominations ranging upward from \$50 to suit the convenience and the finances of every American who wants to help his country.

They are transferable and constitute an ideal security.

If you are willing to help your country any bank or trust company will help you by accepting your order and arranging terms of payment without the imposition of any commission or charge for its services.

Any Bank Will Help You
