Junior Prom Tonight Ends May Festival

The annual junior week end and May Day festival of Willamette university closes tonight with the Junior Prom. From early Friday morning until late this afternoon the university campus has been crowded with friends of the university, many coming from distant parts of the state.

The students' lunch of yesterday afternoon proved to be one of the largest affairs of the kind ever staged on the campus, as 900 meals were served and fully 1000 were on the campus. On account of the threatening weather and absence of several players, the tennis game between the University of Oregon team and Willamette was called off. However the weather did not interfere with the crowning of Queen Blanche I.

For this evening the real exciting event is the tug of war at 5 o'clock between the sophomores and freshmen, when somebody is due for a ducking in Mill creek.

The annual junior week end will close with the Junior Prom, beginning at 8 o'clock this evening. With favorable weather conditions, the Prom will be on the campus at the entrance of Eaton hall. Otherwise, the evenings program will be indoors.

E. C. Barthnell of Salem has been awarded the contract for the building of a 75-foot covered wood span bridge on concrete piers over the Little Luckiamute in Polk county. The contract price is \$3615.00 and was awarded over five competing bids. The location is generally known as the Hollingshead bridge.

Dr. F. L. Utter of this city was appointed dentist for the Boys Incubator school, the Oregon state Tuberculosis hospital, the state institution for the Feeble Minded and the State Industrial School for Girls at a meeting held yesterday afternoon by the Board of Control. As official dentist for the four state institutions, Dr. Utter will visit the Feeble Minded institution three times a week, and the others two times a month. The salary is \$105 a month.

Purchases of War Savings Stamps during the month of April in the county of Marion amounted to the sum of \$37,816.80, according to the reports made out at the Salem postoffice. This figure is considerably below that of March, due to the fact that the Third Liberty loan campaign was on in April and the surplus money for saving was absorbed in the loan. However, already reports coming in from the postoffices in the county indicate that for this month will mount up to the standard of the early months of the year.

The Rev. Carl H. Elliott will preach his final sermon at the First Presbyterian church tomorrow before leaving for Y. M. C. A. service in France. For the morning Sunday school, there will be a special program including an address by O. B. Gingrich and singing by Archie Smith. At the evening service, Jim Palmer of Portland who is just home from France on a leave of absence, will tell of conditions over there. O. A. Macy, who was so favorably received at the Cherrian minstrel show, will sing "There's a Service Flag Flying at Our House."

The Willamette Glee club returned last evening from a two week's concert tour in Oregon and Washington. They sang in Portland, Spokane, Walla Walla, Wenatchee and gave two concerts at Camp Lewis. The members report an enthusiastic reception everywhere, meeting many high school students who will attend the University of Oregon and preparing for the concert to be given at the opera house in Salem on the evening of Friday May 17. According to present plans, the club will present at this concert the selections that have met with the greatest approval on the two weeks concert tour.

Rain is badly needed for orchards and crops in general according to S. H. Van Trump, county fruit inspector. During the past week he has been inspecting fruit conditions at Silverton, Macleay and north and south of Salem. Many farmers have been obliged to lay off plowing on account of the dryness of the soil. In general, the prune crop looks good in these localities, especially in the young orchards, Mr. Van Trump reports. Cherries are doing fine except in spots is found a blossom blight. The outlook for pears is not so favorable this year, he finds, as in many orchards the blossoms have wilted and turned brown, falling off. He estimates the pear crop will be about 50 per cent normal.

Distributing copies of "Kingdom News" about the city after dark might be permissible in normal times but the experience of Charles W. Oleott is that it is not the best thing to do in war times. Oleott was arrested late Thursday night while in the act of distributing the literature, and was hauled up before City Recorder yesterday on the charge of distributing seditious literature. No cause for action was found and he was released, largely because the city ordinance covering the case did not go into effect until the next day after he was arrested. Oleott's troubles did not end here, however. He has been employed at the Spaulding mill, and when he went back to work this morning the mill employes refused to work with him, declaring that he was an unpatriotic Oleott has signed up as a member of the recently organized "Loyal Legion of Loggers and Lumbermen" and wore the metal insignia given each member. The mill employes insisted that the insignia be taken from him and that he be discharged, which the management was forced to do in order to get the other men back to work.

Mrs. William Blake, living on the Willow Lake farm four miles north of town, is quite indignant to think that Portland should be boasting of having roses in bloom so early, and stated today that she has had roses in bloom on their farm for over a week. She stated she had five bushes in bloom of several varieties, including Marie Henriette, Pear of the Garden, etc.

Bicycles are becoming so much a part of every day life and especially business life that the interest now taken in bikes is such that the bicycle dealers of Salem have decided to hold a regulation "Bicycle Week" in Salem. The dates are May 6-11. Each firm interested will put on special displays and demonstrations of their special lines in order that interested parties may have an opportunity to thoroughly investigate. Other features will be perhaps put on of interest to bike riders. This "Bicycle Week" is in line with a national feature. The following firms will put on special displays: A. H. Moore, Scott & Piper, Lloyd E. Ramsden, Hauser Bros. and Watt Shipp.

Silverton is coming to the front with a company of Oregon Militia to be officially mustered in as Company H of the Second Battalion. The other three companies of the battalion have already been mustered in at Salem. At a meeting held last night in Silverton, attended by Major Woolpert, Captains Wilson and Hall, Sergeants Hemsley and Pierce and Corporals Holcomb and Mangis, it was decided to muster in the company at an early date, probably next Wednesday evening. As 108 had signed up ready to join the company is assured. At the meeting held last night

ANNOUNCEMENT

This is to remind you that I am a candidate for the office of mayor of the city of Salem. As a resident of this city for the past fifteen years, a business man, taxpayer and a member of the city council for four years, I believe that I am qualified to give an efficient and business like administration of the city affairs.

I favor the most rigid economy, and believe that civic improvements, unless vitally important, should wait until after this war, in order that our resources may be conserved in aiding the government.

If nominated and elected I shall continue to perform my duties as a public officer in the same conscientious manner which has guided me in the past. Very truly yours, FRANK S. WARD.

IT'S YOUR EYES!

Hundreds of men and women suffer untold hardships and pain without knowing the cause. Of no comfort to themselves or others, enjoying nothing, they are in constant distress. They resort to medicine without relief.

Headaches, stomach ailments, indigestion, brain fog, and other disorders are often directly traceable to improper vision. If your eyes are at fault, and this cause is not removed, you cannot be cured permanently.

If you suffer without apparent reason, if your nerves are unstrung, look to your eyes! Correcting them may tone up your health, giving you new life and vigor.

My 35 years experience in eye examinations and correct fitting of glasses assures you of an unexcelled quality of service. I guarantee satisfaction in every respect.

I use no drugs, as drugs are dangerous. I exchange your glasses, when necessary, for one year free of charge.

During my 8 years in Salem I have issued over 25,000 prescriptions in Marion and Polk counties —among them are 1500 children.
