New loth, May 21.—The New Loday beening Sun financial review today said:

The advance which started near the close of yesterday's session of the New York stock exchange because of an oversold condition, continued today oversold condition, continued today oversold eventually seeking higher levels. All classes of stocks except the copper issues participated in the upon a movement, but the specialties advanced more rapidly than issues which lend themselves less easily to speculation. Trading was on a moderately large scale, at times exceeding in rate Three New York stock exchange because of the conging its name to "Amazon Tire Supply Company."

Secretary Olcott being unable to purchase Italian flags, owing to the supply in Portland being exhausted, had several made from bunting and these are floating over the state house.

Secretary Olcott at the request of the governor has sent notices to the members of the emergency board calling a meeting of that body at the state house Wednesday, May 29. The New York-Chicago postponed, rain.
