WALLACE McCAMANT, associate justice of the supreme court yesterday submitted his resignation to Governor Withycombe, to become effective June 4. Charles A. Johns of Portland will be appointed immediately after Justice McCamant's resignation becomes effective. Mr. Johns is the republican nominee for the place as associate justice now held by Judge McCamant, which would have become vacant January 5, 1919, had that jurist not decided to resign.

Sen Francisco, May 30.—A deeply laid plot for revenge against the man who killed his son landed E. Chapin Gard in jail here today on the technical charge of disturbing the peace.

Incidentally the plot stirred the United States secret service and the navy intelligence bureau from Virginia to California, and resulted in the arrest of another of Gard's sons.

According to local police, Gard confessed last night that he wrote "fake" letters mysteriously alluding to the Mare Island navy yard explosion of July 9, 1917, which caused nine deaths. These carefully drafted letters by implication brought the names of James F. Maloney and Charles Wilcott into suspicion. It was Maloney who several months ago was acquitted on the charge of killing Gard's son in a saloon brawl. Wilcott had testified that young Gard started the fight.

SALEM HONORS THE NATIONS HEROES BOTH THE LIVING AND DEAD

Great Crowd Attends With G. A. R. at Cemetery—The Afternoon Ceremonies

Notwithstanding the Oregon mist that hovered over Salem for an hour this morning, the largest crowds in years attended the memorial services held at the First Methodist church at 9 o'clock. And by the liberality of the automobile carriers of Salem, every veteran was taken to the cemeteries for the customary Memorial day services and the decoration of the graves.

The services there were simple and the beautiful cemetery, a veritable garden of bloom and fragrance, it seemed was visited by practically the entire city. No grave was neglected, no little mound left without a few flowers at least, placed there though many were by strange hands. A slight rain just before noon tended to hurry the crowds home.

Governor Withycombe spoke in part as follows at the morning services: "Never in the history of our country has the clouds been so dark. While I have the utmost confidence in American arms, yet we must depend on God to help us in this great struggle. In past times, we have been fortunate in having men to lead this country during its trials. Washington did not depend entirely on the force of arms, but put his trust in the Divine God. I believe Washington was blessed with divine power.

"I know that Lincoln's heart was filled with the divine God and we also know that President Wilson has the right spirit. I say all hail and honor to our veterans who saved our country in its day of trial.

"We now have 30,000 Oregon men under training and in the service. May our prayers be that they may prevail against the enemy. Our flag stands for more than at any time in our history and in the future America will stand out in letters of gold as the great savior of the world."

Rev. W. C. Kantaer of the First Congregational church, Salem spoke in part as follows: "Ours is not to be the prayer of hate. We are in this conflict with a spirit sublime and that is to do the most good for the world. We have no hymns of glorification. We do not cry 'America for everything.' God help us to hold our own until 'work is done.'"

The Memorial parade from the armory to the state house grounds was one of the largest ever witnessed and was of especial interest from the fact that the school children were well represented as well as the patriotic and fraternal organizations of the city.

The program at Wilson park was carried out according to schedule. Tonight special services will be held in all the churches.

Two More Trustees Leave; Caught by State Police

The state police made their first capture yesterday when they rounded up Robert Burns and Charles Potter, trustees at the brickyard, who left shortly after 1 o'clock. The trustees armed with shotguns, which they swung nonchalantly over their shoulders to deceive the guard into believing they were honest workmen, and walked up the bank of Mill Creek away from the yard. Their escape was discovered shortly after.

Warden Murphy started a large posse of his own after the fugitives and notified Major Deich at Portland of the escape. A posse of 14 state police were on the job by 6 o'clock, and by 7:30 they had bagged their game. Warden Murphy gives all of the credit to the police for making the capture.

Richard Pickert was the member of the new force that spied and caught the men. Burns is serving from two to 20 years for forgery from Multnomah county, and Potter from two to 10 years for larceny from Baker county.

McCAMANT FINALLY QUILTS

Wallace McCamant, associate justice of the supreme court yesterday submitted his resignation to Governor Withycombe, to become effective June 4. Charles A. Johns of Portland will be appointed immediately after Justice McCamant's resignation becomes effective. Mr. Johns is the republican nominee for the place as associate justice now held by Judge McCamant, which would have become vacant January 5, 1919, had that jurist not decided to resign.

SHERIFF WILL BRING ERNEST BLUE BACK

Is Under Indictment for Larceny of \$2,300 From West Salem

Sheriff W. I. Needham left this morning for Ketchikan, Alaska, to bring to Salem for trial Ernest Blue, a former attorney of Salem, charged with larceny of public money belonging to West Salem.

The last time Mr. Blue was seen in Salem was when he announced that he was going on a fishing trip, sometime during the summer of 1916. The grand jury in session March of this year returned an indictment against him for larceny of \$2300.

He was located shortly afterwards at Ketchikan, Alaska, where he has been out on bond of \$5000. Upon his return to Salem with Sheriff Needham he will be under the necessity of securing a bond for the same amount as fixed by Judge Kelly or be taken to the county jail to await trial. His case will be called at the term of the circuit court to begin next week.

It is understood that Walter Winslow has been employed by West Salem to assist the prosecution as Mr. Winslow handled the case before the grand jury this spring.

A rather sensational trial is anticipated on account of the fraternal and social associations of Mr. Blue.

Four Other Officers Classed With Wood by General Pershing

Washington, May 30.—That General Pershing vetoed other than Major General Wood's overseas assignment was learned here today.

Four other prominent generals understood to be J. Franklin Bell, Hugh Scott, John F. Morrison, Thomas H. Barry—were said to have been slashed from his list of desirables for important commands overseas.

As a result Bell was first assigned to the Western department command, though physically fit for overseas work. Later, he was shifted to Camp Upton, N. Y. Scott was assigned to command Camp Dix and the others will not get overseas duty, it is understood. Wood is slated for active service and will not have to take up the San Francisco post. He may not see foreign duty, however.

Three of the men formerly were chiefs of staff of the army, and as such ranking officers of the army. They are Scott, Wood and Bell. Barry was once assistant chief of staff.

OFFICIAL AMERICAN REPORT ISSUED TODAY

Repulse of Three German Attacks Reported by General Pershing

Washington, May 30.—Repulse of three German attacks was reported in General Pershing's supplemental report received here today under date of May 29.

"May 29—Last night in Lorraine the enemy was again very active against our troops. There was again considerable shelling with gas, but the results obtained were very small. Following an artillery barrage, a raiding party of about fifty attempted to surround one of our advanced posts. The attack was a complete failure, the enemy losing ten dead and four wounded.

"During the night two other attacks were prevented by our barrage of machine gun fire, the enemy failing to penetrate our wire.

"The credits for bringing down planes reported in yesterday's communique, is given to Lieutenants Rickenbacher and Hambleton and not to Lieutenant Rickenbacher and Lieutenant Campbell as reported.

"This morning an English aviator returning from a bombing expedition was wounded in the arm. He was chartered by two enemy machines. Lieutenant Campbell drove the hostile airplane off enabling the English aviator to return to his airbase safely."

Local Artisans Will Hold Memorial Services Tonight

Tonight at the Artisan hall in the Odd Fellows building, the local Artisan lodge will hold an open memorial meeting in commemoration of the death of Oregon soldiers and sailors numbering 140 who have given their lives during the present conflict.

An interesting program, patriotic in nature, will be presented and short addresses will be given by members of the lodge and other fraternal organizations. Every patriotic organization in the city will be represented and the public in general is invited.

Of the 140 Oregon men who have lost their lives in the great war, ten are from Salem and vicinity. Their names are:

Paul Rieb, Ivan Bellinger, William M. Catten, Ray Mark, Edward Gittins, Clarence S. Minker, Benjamin Mc Clelland, George L. Hardin, Curtis W. Wilson, Earl William Mollenbeck.

A list of all who have died for their country coming from Salem will be read by the Rev. Robert S. Gill, Frank Davy will deliver an address. The meeting is in charge of Mrs. George Terwilliger.

French Premier Had Very Narrow Escape

Paris, May 30.—Premier Clemenceau has returned from the front where he visited the forward lines near Fere-en-Tardenois. He passed a cross road where, three minutes later a French general was killed by a bursting shell.

"Our men are even more magnificent than I hoped," Clemenceau said on his return. "They go into battle singing. Their chief likewise is worthy of the greatest praise."

ADVANCE WILL HALT.

Zurich, May 30.—An official notice from grand headquarters warning the people not to expect the advance to continue at the same rate it has for the past few days, was published in German newspapers today.

"The enemy's resistance is desperate," the notice continued. "Counter attacks are to be expected. Our losses have only been commensurate with the importance of the struggle."

HENDERSON RAWSON

At 10:30 o'clock Tuesday morning Miss Grace Viola Rawson and George A. Henderson were married at the home of the bride's mother, Mrs. Alice Rawson of 1310 South Liberty street. The Rev. H. N. Aldrich, pastor of the Leslie M. E. church, officiated with the ring ceremony. Only the immediate friends of the two families were present.

Mr. and Mrs. Henderson left yesterday for Vancouver where the groom already had a home prepared. He is employed in one of the Vancouver ship yards.

The wedding was the culmination of a neighborhood romance as the bride's home has been with her mother at 1310 South Liberty street and the home of the groom until recently was just across the street at 1309 South Liberty street.

will probably be in the latter part of June which the state penitentiary will ask for about \$50,000 to carry it thru the balance of the session. About \$12,000 now remains of the \$180,000 appropriations made by the last legislature to provide for maintenance of the prison. This \$12,000 will probably be gone by the latter part of July. The emergency board will be asked to meet next month so that provision may be made for having funds on hand when the maintenance appropriation is gone in August.

Farmer Near Woodburn Threatened His Father

Asa Mishler, who lives about five miles beyond Woodburn on the Pacific highway, was brought before Judge Webster yesterday afternoon charged with wrongfully and in a violent manner saying to his father, J. D. Mishler, "I came prepared to kill you" and "I will get you some time," and with the use of other violent language against J. D. Mishler. The complaint was sworn to by the man's father and wife.

He was brought in by Constable Percy M. Varney. Being granted permission by the judge to talk he acknowledged saying to his father, "I will get my children or you may send for an undertaker." To the charges in the complaint Mishler plead not guilty. His bond was placed at \$500 and the case will come up for trial either Friday afternoon or Saturday of this week.

It seems that there was a general family quarrel on account of the six children in the Asa Mishler family. He was reported to the officers here as a dangerous man, but he submitted to arrest without resistance and before the court his demeanor was that of a most peaceful citizen.

Director of Mint Will Soon Be Married

Washington, May 30.—Announcement of the approaching wedding of Ray Baker, director of the mint to Mrs. Alfred G. Vanderbilt, widow of the late Alfred Gwyn Vanderbilt, who lost his life in the sinking of the Lusitania, was made today.

The wedding will take place early in June. Senator Kee Pithan, Nevada, will be best man and among a small group to attend the wedding will be Secretary McAdoo, whose son married Mrs. Vanderbilt's step sister; Secretary of the President Tamm, Dr. Cary T. Grayson, president's aide and other notables.

The honeymoon will be west, following which the couple will reside in Washington where Baker will continue his duties as director of the mint.

Since the loss of her husband, Mrs. Vanderbilt has given her time to war work and charity, being prominent in Red Cross and canteen service in New York, abandoning entirely all social functions.

Where Those Reaching Majority Since June 5 May Go To Register

The young man who has attained the age of 21 years since June 5, 1917, must register June 5 and the local boards have designated the following places:

Court house at Salem; City hall at Silverton; City hall at Jefferson in charge of J. T. Jones; City hall at Mill City in charge of D. B. Hill; City hall at Stayton in charge of J. W. Mayo. Local board No. 2 at Woodburn has designated the city hall at Woodburn and the city hall at Silverton. It is not material where the young man registers and he may choose the most convenient place, but it is very material that he should appear at one of the designated registering places. Excuses may go in civil but not in military affairs and the young man who fails to register will have the federal authorities looking him up.
