

A Business Man Says

NUJOL LABORATORIES,
STANDARD OIL CO. (New Jersey),
BAYONNE, N. J.

Gentlemen:—

I have now much pleasure in stating, with full knowledge of the importance of such a claim, that the benefit I have received from the use of Nujol is incalculable.

While I am in the prime of life, I had suffered for a considerable time with constipation in an aggravated form, partly induced from a sedentary occupation.

My knowledge of mechanical affairs responded to the suggestion of lubricating parts of the human system, and with the idea in mind, I sent for a supply of Nujol.

A very few doses affected a marked change in my condition, but to thoroughly rehabilitate my system, I extended the treatment to more than one bottle, with the result that within a surprisingly short time, regular and proper movements were obtained and my health was improved generally.

I intend to always keep Nujol on hand for the correction of any slight irregularity, and firmly believe that all suffering from constipation and elderly people particularly will find it invaluable.

Yours very truly,
(Name and address on request)

Enjoy the same healthful relief from constipation that is now benefiting the writer of this letter and thousands of other grateful users. Simply try Nujol—a few doses are generally effective—and mark how gently and surely it restores the natural regularity of the bowels.

Nujol relieves without artificial stimulation, gripping, or dangerous reaction. It is absolutely pure and drug-free. Pleasant and safe to take, even for infants, invalids and old folks. Obstinate or occasional cases soon yield to the action of Nujol. Use this wonderful remedy and be "regular as clockwork."

ABSOLUTELY HARMLESS

There are no substitutes—there is only Nujol

At every drug store. Send 50c, and we will ship new kit size to soldiers and sailors anywhere.

HIGH SCHOOL STUDENTS MUST TAKE FULL COURSE

Credits For Special Work Will Be Materially Reduced Next Year

Hereafter the high school student who is inclined to go through the three years course with a little real study as possible will find it somewhat more difficult than in the past.

According to the plan of study as announced by Superintendent Todd at the meeting of the school board last evening, the high school student hereafter will be obliged to take more academic studies in order to receive the proper number of credits.

All studies requiring a full period of study and recitation will carry one credit each semester, while those that require no special preparation or special study will be allowed only a half credit.

When a student enters the high school, he will be given the selection of five general courses of study, as outlined by Superintendent Todd. If the student is preparing for a college course, the studies will be on the academic line where a certain number of credits are required by institutions of learning.

A general course of study has been prepared for those who are uncertain as to their future work. In this course 16 credits are required and 16 are elective.

For those who intend to prepare themselves for commercial life, five studies are elective.

An industrial course is designed for those who wish to specialize in domestic economy and industrial pursuits, requiring 22 credits with ten elective.

For those who expect to teach, there will be the teachers' training course. In this work, 23 credits are required and nine are elective.

By this arrangement, Superintendent Todd said that twice as many students would take the academic course while the vocational courses would be taken by those who had a special line of work in view.

New teachers were employed as follows: Lucile Watson to the junior high school at a salary of \$85 a month; Thea Perkins transferred from Grant to special teacher of penmanship and supervisor of music at a monthly salary of \$109; Miss Mary Green to the junior high school at a salary of \$90 a month; Miss Angus a Lindblom to the elementary grade at a monthly salary of \$100; Miss Mary Patts to the senior high school at a salary of \$95 a month in the department of music.

Successful Red Cross Picnic at Victor Point

(Capital Journal Special Service)

Victor Point, Or., May 30.—It was decided at the last regular meeting of the auxiliary, to hold a Red Cross rally and picnic in the grove at this place on Saturday, June 15th. The principal features will be two big addresses and good music, both vocal and instrumental. A good jazzy band has been engaged to furnish music throughout the entire day. There will be something doing every minute. Lunch will be sold and served by the ladies of the auxiliary from twelve o'clock until one-thirty.

Nothing will be left undone to make this picnic a success and a pleasant day for everyone. Come and enjoy the day with us. It will be both interesting and instructive.

There will be a great big dance in the evening. Remember the date and come, Saturday, June 15th. The date for the social that was previously announced has been cancelled.

Bes; Remedy for Whooping Cough

"Last winter when my little boy had the whooping cough I gave him Chamberlain's Cough Remedy," writes Mrs. J. B. Roberts, East St. Louis, Ill. "It kept his cough loose and relieved him if those dreadful coughing spells. It is the only cough medicine I keep in the house because I have the most confidence in it." This remedy is also good for colds and croup.
