

MR. HOLMBERG SAYS

Nujol Laboratories,
Standard Oil Company, (New Jersey),
Bayonne, New Jersey.

Dear Sirs:

I take pleasure in advising you that the relief I have obtained from the use of Nujol is far more than what is ordinarily termed "satisfactory."

For years before sending you my order for a trial bottle of Nujol I habitually used destructive "pink pills" due to the fact that through lack of proper exercise I was continually constipated and a sufferer from other ailments known to result only from irregular bowel-action. I have taken three bottles of Nujol, and ever since I finished the first bottle my bowel action has been regular as the rising sun, and my general physical condition is now as good as can be wished for.

In my opinion Nujol is a scientific cure for constipation and its countless other resultant ailments. I earnestly recommend it.

Springfield, Ill.
January 5, 1917

Yours truly,
C. S. Holmberg.

Don't dread constipation; but don't neglect it. It's the poisonous root of scores of serious ailments. Do exactly what Mr. Holmberg did: bring back regular bowel-habits with Nujol. Nujol gives you the quick relief you want without the least griping or reaction. Thousands know it is the safest remedy, for the body cannot absorb it. Quit using harmful pills and salts. Nujol makes you "regular as clockwork." Start using it today.

less than 300,000 feet, board measure, to the forty acre subdivision, and some are valuable only for grazing.

Applications to enter any of the lands thus restored may be filed by any duly qualified person for a unit of 160 acres or less, in the United States land office at Portland, Oregon, at any time during the period beginning June 22 and ending July 17, 1918.

All applications filed during this period will be considered as filed simultaneously. Persons filing at or near the end of the period will have the same opportunity as those who file at

the beginning. In case of conflicting applications for the same land, a drawing will be held on July 22d, to determine the successful applicant.

Applications to enter must be sworn to before the register or receiver of the United States land office at Portland, Oregon, or before a United States commissioner, or judge, or clerk of court of record within the county in which the land is situated. Each application must be accompanied by the required land office fees, together with an amount equal to fifty cents per acre to apply on the total price of \$2.50 per acre, the balance of \$2 to be paid at time of final proof. Applicants must personally examine the land.

Any person who served for more than ninety days in the United States army or navy during the Civil war, Spanish American war or Philippine insurrection, and was honorably discharged, may file a soldier's or sailor's declaratory statement through an attorney in fact on the ground, and make his application to enter within six months thereafter, but such declaratory statement must be accompanied

by the fee of \$3 and the installment of purchase price required of other applicants.

A pamphlet containing the regulations and a list of the lands with a brief description thereof will be mailed after June 1st to those requesting same from the register and receiver of the United States land office at Portland, Oregon.

FLOOD AT SIOUX CITY.

Sioux City, Iowa, June 3.—Heavy rains approaching a cloud burst early today caused Perry creek, which runs through a thickly settled residential district and a portion of the manufacturing district to overflow its banks and do considerable damage. Thousands of persons were forced to make long detours afoot to reach higher ground and other street car lines to reach their work. Many of them riding in automobile trucks, wagons, riding horses and some wading down the middle of the streets in water almost up to their waists, as the street car service in the flood district was completely tied up.

SOCIETY

By CAROL S. DIBBLE

Distinguished visitors of the week will be Bishop and Mrs. Walter Taylor Sumner of Portland, and Mrs. Sumner's mother, Mrs. Samuel Mitchell of Neenah, Michigan, who will be entertained over the week end, as the guests of Rev. and Mrs. Robert S. Gill. This is the annual visitation of Bishop Sumner and he will occupy the pulpit at St. Paul's church both morning and evening Sunday, besides confirming a class.

The visitors will arrive in the city Saturday afternoon and Saturday evening a large reception will be given in their honor, by Rev. and Mrs. Gill at the rectory. The receiving line will include Bishop and Mrs. Sumner, Mrs. Mitchell, Rev. and Mrs. Gill, Mrs. Edward Weller and Mrs. U. G. Shipley.

Mrs. Mitchell who is spending the summer in Portland, is the wife of the late Captain Mitchell of Michigan, a prominent pioneer in the iron industry of the state.

Wednesday, Rev. and Mrs. Gill were guests at a delightful function held at Bishopcroft, the Portland home of Rt. Rev. and Mrs. Sumner, in compliment to Rt. Rev. Dr. Nichols, bishop of California, and the clerical and lay delegates to the Episcopal convention.

Mr. and Mrs. E. F. Carleton were hosts upon the occasion of a most delightful dancing party, which took place at the Masonic Temple hall Saturday evening, it being in the nature of a farewell reception to Rev. and Mrs. E. M. Burke, the former of whom has resigned his pastorate of the Unitarian church to accept a call for patriotic service under the auspices of the Oregon Social Hygiene. Approximately two score couples, comprising the membership of the church and the immediate friends of the honor guests partook of the congenial hospitality of the event, consisting of dancing and light refreshments, and it was unanimously pronounced one of the most successful of the season's receptions. Yellow was the predominant note in the scheme of decorations, which were upon an elaborate but tasteful scale with swarms of huge butterflies fluttering

pendant from the ceiling and banks of Scotch broom arranged in luxurious banks and profusions about the main pavilion, artistically and pleasingly counterbalanced by gorgeous bouquets, hanging baskets and festoons of white roses and sweet peas in the reception rooms. The only regrettable feature of the event was the inability of the guests of honor, on account of illness, to be present and participate in the festivities but extended telegraphic felicitations and regrets. A unique and pleasing feature of the altogether splendidly arranged dancing program for the evening embraced five cotillions, in which buttrifles, flowers, famous men, movie stars and war necessities served as favors as mediums for finding partners, and a waltz germania, planned and carried out upon a progressive scale. Delightful music for the occasion was furnished by Miss Martha Swart's orchestra. Mr. and Mrs. Carleton were assisted in the receiving line by Mr. and Mrs. C. S. Hamilton, Mr. and Mrs. W. M. Hamilton and Mr. and Mrs. David Wright.

Among the out of town guests present were Mr. and Mrs. John I. Savage of Portland and Miss Rose B. Parrott, head of the English department of the Monmouth Normal school.

The parent-teacher association of the Lincoln school, which is always productive of more or less interesting activity, of very original and pleasurable nature, are planning a community sing to be held at the school tomorrow evening, preceded by a Maypole dance, given by the girls of the Lincoln junior high under the direction of Miss Margaret Powers. The sing which it is hoped will draw a large proportion of the community, will be in charge of J. W. Lenhart, acting principal of the school.

Senator C. P. Bishop returned home from Portland last night where he went to meet Mrs. Bishop, following her return from a month's sojourn in the east. Mrs. Bishop and her son Charles, having visited in New York, Washington, D. C., Philadelphia, Boston and other places of interest. Mrs. Bishop stayed over night in Portland and will return to Salem this evening, accompanied by her son, Chauncey Bishop, who went up to Portland Saturday.

Miss Barbara Steiner, who has been attending the University of Washington the past year, returned home Saturday for her summer vacation, which she will pass with her parents, Dr. and Mrs. R. E. Lee Steiner.

Mr. and Mrs. Frank W. Durbin were week end visitors at Neekowin.

Dr. and Mrs. Frank Snedeker have returned from an enjoyable tea day's visit at Seattle.

Mr. and Mrs. S. S. East spent the week end in Corvallis, as the guests of their daughter, Miss Gertrude East. Also in the party, which participated in a delightful picnic Sunday, were Miss Caroline East, Miss Jeanette Jones, Miss Mary Rowland and Miss Ella Spaulding of Salem. Miss Gertrude East, who has just completed her sophomore year, will return home tomorrow, to commence her studies at the college being held this evening. She will bring as her guest, Miss Elsie Brown of Portland.

Several O. A. C. alumni, from Salem, will go up to Corvallis tonight to attend a banquet given by the Alpha Chi Omega sorority, of which they are members. In the party will be Miss Dorothy Stenloff, Miss Gertrude Walling, Miss Dorothy Chambers.

Mr. and Mrs. Ed Young and daughter Miss Vivian Young, and Miss Veda Young, arrived from Moscow, Idaho, Saturday to pass the summer in Salem. The Youngs are former Salem residents, having left Oregon last

Fuel Week in Oregon Will Be Observed

Portland, Or., June 3.—Today marks the beginning of Fuel Week in Oregon. It has been officially proclaimed by Governor Withycombe as the time for all citizens to order their fuel supplies for winter's use.

The week will not be one for brass bands and parades, according to Fuel Administrator Holmes, but rather one for serious activities designed to fill the fuel wants of people and industry early, to the end that the strain on already overburdened railroads can be relieved.

"The best procession I can imagine," said Holmes, "is one of citizens on the march to the fuel dealers, and a line of fuel wagons delivering their contents to the homes of Oregonians."

"The people will help themselves and the government a lot by ordering their

fuel now. With orders booked, dealers will be in position to make intelligent estimates as to the wants of their patrons, and the administration in turn will be able to secure proper fuel distribution.

"The prospects for a shortage this fall are such that every citizen will do well to heed the warning and not delay. Thousands, I am glad to say, have already got their fuel ordered and delivered. Others should do the same or chance heartless days later."

Fuel Week is being observed throughout America on request of the national fuel administration.

COREGA Holds False Teeth Firmly In Mouth

It Prevents Sore Gums

Gums shrink or swell and plates become loose, which is no fault of the Dentist. An application of COREGA sited evenly on the Dental Plate relieves these conditions. It holds the Plate firmly and comfortably in position. Also promotes mouth hygiene.
