SOCIETY

By CAROL R. DIEBLE

Mrs. Carl Beckett (Cleo Kemmen) delightfully entertained the members of the La Arcs club and a few additional guests last night at her home on the Wallace road. A short business meeting of the club preceded a pleasant social hour. A number of musical selections given by Miss Leona Peterson, Miss Joy Turner and Carl Beckett contributed to the enjoyment of the evening, as did also the recitation by Miss Gaynell Beckett.

A pleasurable surprise was accorded the hostess, a bride of a few months, when the club members presented her with two handsome pieces of silver. She was assisted in serving by Mrs. C. W. Beckett.

Those present were Mr. and Mrs. Chairo Vibbert, Miss Leah Armstrong, Miss Bertha Waldorf, Miss Emma Waldorf, Miss Joy Turner, Miss Mable Bradford, Miss Stella Wilson, Miss Ruby Baker, Miss Viola Taylor, Ada Miss Ada Zemel, Miss Pearl Collins, Miss Mamie Victor, Miss Echo Hunt, Miss Stanis Androssen, Miss Dora Androssen, Miss Thelma Blessing, Miss Leona Peterson, Miss Nellie Milne, Miss Carol Dibble, Miss Gaynell Beckett, Orval Kemmen.

Special interest is attached to the graduating recital of Miss La Von Coppock to be given at the Commercial club auditorium this evening, as Miss Coppock is the last of the Salem students of Mrs. Anna Rogers Fish to receive her diploma, the other pupils of the school having been presented in recital by Mrs. Fish prior to her departure. The program which gives promise of being exceptionally enjoyable will begin at 8:15.

Mrs. Frederick Lamport is expected home from Portland today, following the departure of her husband for Bremerton. Mr. Lamport recently enlisted in the navy. Mrs. E. S. Lamport returned last night from Portland, where she spent the week end with her son and wife.

Mr. Lamport will probably be in Bremerton for several months. Though joining him often for the week end, Mrs. Lamport will keep open her home at Ben Lomand Park. Mr. and Mrs. Arthur Benson will remain with Mrs. Lamport for the present.

Mrs. P. G. Brown (Winnie Baker) left last night for the Great Lakes base hospital to join her husband, who is a member of the dental corps at the base hospital. Dr. Brown went east two weeks ago.

Dr. and Mrs. T. C. Smith, Jr., entertained as their guests over the week end, Mr. and Mrs. Chester S. Goff of Portland and Lloyd E. Goff of San Francisco.

The expenses incurred in the making of the large comfort bags for the boys of Company M by the Salem women, have been reduced to the sum of \$25 by the recent contribution of \$30 by Beatrice Shekton, who contributed \$30 towards the deficit from the proceeds of her program given under the auspices of the Tuesday Musical club early in the spring, half of which went to the S. O. S. fund. The musical, was at first planned entirely for the benefit of the S. O. S. treasury, but owing to a necessitated postponement, the allotment was changed. The comfort bags are used primarily for holding the personal belongings of the men.

Miss Ethel Swarthout of Portland spent the week end with her mother, Mrs. Minnie Bailey at her home, 1810 North Fourth street.

Invitations have been issued for the wedding of Miss Flora Patterson and Hugh H. Rogers, which will take place tomorrow, June 12th at the home of the bride-elect's mother, Mrs. Charity E. Patterson, 2315 South Cottage street. The guests will include the relatives and close friends of the bridal couple. The service will be read at noon by Rev. A. Wells of the Nazarene church. Immediately following the ceremony, the young couple will leave on a short wedding trip to Seattle.

Pringle Auxiliary Doing Much Work

The Pringle Auxiliary of the Red Cross have been active of late and incidentally have added to the Red Cross fund. Now being a self supporting auxiliary, paying for all materials sewed for the boys "Over There."

One of the pleasant functions of late was the birthday party tendered Mrs. E. S. Coates. A delightful evening was spent by seventy seven friends and neighbors. Ice cream was served and a small charge made to help out the good cause. Twenty one and one half dollars were cleared. All took their departure at a late hour wishing Mrs. Coates many happy returns of the day.

Mrs. W. M. Coburn entertained the Pringle Auxiliary of the Red Cross, May 23. An all day's meeting was held, which proved both pleasurable and profitable. A goodly amount of sewing was done. A good social time enjoyed. A dainty luncheon was served to more than twenty members present.

The Pringle Auxiliary of the Red Cross responded to an invitation to meet with Mrs. R. M. Drager, June 6th at 1238 5th street, Salem.

Sewing was the diversion and willing hands added many new garments to the good cause. A pleasant day was spent with conversation and music keeping time with busy fingers. A dainty luncheon was served cafeteria style. Those present were: Mrs. A. W. Drager, Mrs. D. Vanderbilt, Mrs. C. H. Cannon, Mrs. L. W. Potter, Mrs. Roy Ohmart, Mrs. E. S. Coates, Mrs. L. W. Drager, Mrs. W. R. Robins, Mrs. J. N. Robertson, Mrs. W. M. Coburn, Mrs. B. J. Toal, Mrs. J. M. Coburn, Mrs. Geo. Graberhorst, Mrs. W. M. Graberhorst and the hostess, Mrs. W. R. Drager. Also the Misses Grace Robertson, Ada Simpson Bulah Milligan, Harriet Coburn, Leona Drager and Miss Ruby Drager, Junior members present were Adolph Drager, George and Coburn Graberhorst, Douglas and Doris Drager, Donald Cannon, Mary Drager, Billie Graberhorst, Lee Ohmart and Evelyn Coburn. The call, during the afternoon, of Mr. and Mrs. W. H. Simpson who recently celebrated their fiftieth wedding anniversary was much enjoyed.

Class One Will Soon Be Exhausted In Marion

According to the figures in the office of Sheriff W. I. Needham, chairman of the local exemption board, class I, will become exhausted early in the fall, all depending of course on how quickly one call follows another.

According to the records of the sheriff as it is figured out today, there are 206 men in class I, who are fully qualified and to this may be added men who may qualify from the 123 registered here June 5.

From this total number is to be taken the 177 in the first call, 65 of whom will leave June 24. If about 100 of the late registrants qualify, it would leave about 130 men in class I after the 177 have been inducted into service.

The records show that in class 1 are 22 in the remedial class; limited service class 49; men who have taken work in the ship yards 40; delinquents, 10; not as yet physically examined, 5; already inducted into the service by this local board 129.

But the main fact in which men in classes two to four are interested is that after the 177 men now on call are inducted into the service, there is but 100 to 120 left in class 1 and after that calls will be made from those in class two, three and four.

The effort to re-examine and re-classify many men may add a number to class 1, and also, the proposed plan of registering young men every three months. The young men who registered June 5 will be in the call early this fall.

Eclipse Party Was Interestign Affair

West Pratum, June 11.—An eclipse party at the residence of N. M. Lambert, at Cat grove, was not only interesting, but also very instructive; a white sheet was spread on the grass, with small pieces of laths pointed in the proper direction, and although it failed to produce the expected phenomenon, our imagination became so affected as to leave a lasting impression on all present.

Miss Edie Kleen arrived too late to take part in the ceremony, but promised faithfully to be on hand the next time. The eclipse of August 7, 1869, was discussed by those who were children at that time. The chickens did not go to roost and the party ended with the fervent wish of all for a good rain to follow the eclipse.

Some one said that during the Civil war they hired substitutes, in this war they buy them, but we go them one better, we eat them at Cat grove.

Glenn Schapp is over there now, some where in France; Glenn is a Pratum boy and one we all love, brave, noble hearted, Glenn; may the Kaiser feel the weight of his mitt; our heartiest wishes are for his safe return decorated with honors.

More power to the hand of the Fruit land correspondent, we always look for him; beside giving local news he always says something. Everybody likes the Capital Journal, it is our favorite and we all read it.

GERMANS NEAR

fighting in Dresslincourt wood. The Germans reached Antoval (a mile west of Ribecourt) obliging the French to withdraw to a resistance line west and southwest of Ribecourt.

Advance is Slow
London, June 11.—The second day of the new German drive between Montdidier and Noyon netted the enemy a maximum penetration of about a mile and a half, making their total maximum advance approximately five miles, it was indicated in overnight official statements.

The German gains were again confined mostly to the center of the new front, while the wings held. The French war office admitted the loss of Mery, Belleau and St. Maair and said the enemy had gained a footing in Marquennes and Elincourt.

Berlin claimed the capture of eight thousand prisoners and "some guns" on the new front. The taking of prisoners northwest of Chateau-Thierry where American forces are engaged, also was claimed.

British Troops Advance
London, June 11.—British troops attacking south of Albert between the Anere and the Somme last night advanced nearly half a mile on a front of a mile and a half, Field Marshal Haig reported today.

South of Morlaucourt (three miles south of Albert), our line was advanced last night a depth of nearly half a mile on a front of more than a mile and a half," the statement said.
"We took 233 prisoners and 31 machine guns."
"Northwest of Morlaucourt, south of the Scarpe and east of the Nieppe for-

Cadet Party Protest

Washington, June 11.—Declaring it has never recognized the Brest-Litovsk peace treaty perpetrated by the bolsheviks, the cadet party of Russia has passed resolutions appealing to the allies for aid.

The Russian embassy today made public cable dispatches disclosing the cadet action, which declared that information Montdidier-Noyon position into a sharpe wanted, is false.

extreme northern point, Carelopt wood, on the east side of the Oise, and Mount Renaud, on the west side, have to date barred the German advance into the Oise valley.

Military experts consider it most probable that the Germans will launch a second converging attack from east of Noyon, with identical objectives of attaining the Oise from the east and forcing evacuation of the Noyon salient.

From prisoners and other sources, it is established that the boches are suffering a severe crisis in effectiveness. Many companies go into action with only eighty or a hundred men. The wounded are forced to return to the fight as soon as they are cured. The losses in infantry officers are so great that cavalry officers are now substituted.

Many Prisoners Only Boys.
Among two hundred prisoners interrogated, a fourth were in the 1918 class while many were in the 1920 class. The prisoners also included miners and expert workmen who heretofore had not been sent to the front. The fifth division of the Prussian guard, which is one of Germany's finest body of troops lost fifty per cent of its effectiveness during the March offensive on the Somme and lost thirty more in the Cateau-Thierry drive, it has been established.

French patrols penetrating the region of Vouty and Maerucru reported heaps of German dead, often lying in four or five successive winrows. South of Fazerolles, 670 unburied dead were counted.

When we ponder that wisdom comes with advancing years, the more convinced are we that ignorance is bliss.

Newspaper Adjudges Guilty of Contempt

Washington, June 10.—The supreme court today decided the Toledo, Ohio, News Bee was guilty of contempt of the United States district court in criticizing the acts of the judge of the court, John M. Killits, in a dispute between the street railway company and the city of Toledo.

By thus affirming the court of appeals, the supreme court settled a long bitter dispute between the judge and the newspaper. In December, 1914, Killits fined the newspaper \$7,500 and its editor, N. D. Cochran, \$200, for contempt of his court.

"Corn, which has been trying all this month to get started, has been thanking God and taking courage this week," says the Cosville Sentinel.

For Burning Eczema

Greasy salves and ointments should not be applied if good clear skin is wanted. From any druggist for 35c, or \$1.00 for extra large size, get a bottle of zemo. When applied as directed it effectively removes eczema, quickly stops itching, and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable and inexpensive, penetrating, antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying.

BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT
Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if your head is dull or aching; if what you eat sours and ferms gas and acid in stomach, or you are bilious, constipated, nervous, sallow and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before putting more food into the stomach.
To feel like young folks feel; like you felt before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a sourish twinge which is not unpleasant.
Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and women who are usually constipated, bilious, headachy or have any stomach disorder should begin this inside bathing before breakfast. They are assured they will become real cranks on the subject shortly.
