### FRENCH FORCES

(Continued from page one)

They also took Belloy and Genlis wood and reached the southern edge of St. Maurice.

Adjoining this advance on the right, the French center drove back the Ger-

mans who had penetrated south of An-thoul and Logo farm.

On the right the boches gained a foothold in Bothancourt and Mache-mont, two and four miles southwest of Robecourt, respectively, necessitating withdrawal from the latter village. They also crossed the Guise at this point, apparently compelling the French to evacuate the salient, which

extended about seven miles northward to the vicinity of Sempigny, two miles south of Noyon. This would indicate that the French have given up practically all of Ourscamp woods and that the new front and the Marne front are linked up near Carlepont, seven miles directly east of Ribecourt.

The French counter attack won them more than 1000 prisoners and several cannon. The Germans claimed 10,000 additional prisoners, raising their al-lotted total since May 27 to about 75,000.

J. C. Perry Helps the Merchant Marine

Mr. Perry, the Commercial street druggist, has a personal interest in a stereopticon slide which is being shown on the screen of the Oregon theater this week. The lettering on the slide is as follows:

MAN THE SHIPS

THE MERCHANT MARINE Needs Men from 21 to 30 As Sailors, Firemen and Cooks Good Jobs at Good Pay MILITARY EXEMPTION

Apply to Official Enrolling Station Of United States Shipping Board At Any Retail Store

Mr. Perry is a special enrolling agent here of the U. S. Shipping Board, and is signing up young men to enter the training service of the Merchant Marine as sailors, firemen, coal-passers, cooks and messmen.

The young men are given a special course of instruction on training ships maintained by the U. S. Shipping Board, before being placed in the crews of the big new merchant vessels now being commissioned by the Shipping Board to take supplies to Europe. They receive good pay and are given exemption from military service by special regulation.

The graduating exercises of Sacred Heart academy will be held this year in the Salem high school auditorium, tomorrow evening, June the thirtieth at eight fifteen, when five girls will graduate from the modern language course. They are Miss Wilhelmina Doerfler, Miss Frances Doerfler, Miss Clara Doerfler, Miss Anna Bendorf and Miss Eleanor Heckenstein. The exercises are open for the public and everyone is most cordially invited to come. A splendid program of music, singing and speaking has been planned for the evening. Beside receiving high school diplomas four of the girls will be given teacher's certificates.

In honor of the graduating class a party was given recently by the high school girls. A program of unusual merit was contributed, among the numbers being the class history and class prophecy for the seniors. Games were later enjoyed on the spacious lawn after which refreshments were served. Dancing was later enjoyed by all present.

The members of the Illahee Country club will be hosts to an aggregation of Eugene golf players on Sunday at the Illahee links. Extensive entertainment has been planned for the visiting players, including a luncheon which will be served at noon by the ladies of the club to the Eugene contingent and the members of the local club. The luncheon will also be open to the new members of the Country club, who signed up in the recent membership drive.

The home of Mr. and Mrs. J. R. Shank, 1083 Shipping street, was the scene of a pretty home wedding, Sunday, when their daughter, Miss Dorothy B. Shank, became the bride of William C. Bacon of Albany. The ceremony was performed by Rev. George Young of the Baptist church of Albany, of which the bride is a member, having taught in the Albany junior high school during the past four years.

The bride was attired in her traveling costume, a smart blue tulle. Following the ceremony at 2:30, simple refreshments were served to the immediate relatives who were present at the wedding. A charming pink and white color scheme was carried out in the decorations.

Additional significance was attached to the occasion by reason of its also being the sixty third birthday anniversary of the bride's father.

### Great Thunder Storm In Sacramento Valley

Redding, Cal., June 12.—A heavy thunder storm this morning struck the northern part of the Sacramento Valley, breaking a four day spell of the greatest heat ever known in this section in June.

For two hours thunder kept up an incessant din throughout the valley. This was followed by a drenching down-pour of rain which struck Trinity county first and then passed down the valley.

No such storm has ever before been witnessed here in mid-June.

### PUBLIC SPIRITED

(Continued from page one)

Everyone is talking Bargain Day. Wherever people meet it is the foremost topic of conversation. Even the little children are becoming imbued with the Bargain Day spirit and have invented a game which they playfully call "Bargain Day."

Word is beginning to come from every part of the district to the effect that record breaking crowds will journey here on Salem's Second Annual Bargain Day, Saturday, June 15. They will come by train, by automobile and by stage. Some of the stages report that reservations for transportation to Salem on Bargain Day are already being made. The people are undoubtedly profiting by last year's experience and engaging passage early. Last year some who had planned to come were unable to get here because transportation facilities were overtaxed by the record breaking crowds.

There are more Bargain Day stores on the list this year than there were last—and there, will likewise be more bargains and a greater variety of them.

The following is a list of the business houses that have already joined the Bargain Day movement and have pledged their work to offer special inducements to purchasers on Saturday, June 15th.

### HEAVY CROP LOSS IN IOWA

Keokuk, Iowa, June 12.—Five thous and acres of land on the Des Moines river between Keokuk and Ottumwa are under water. The land is in corn and tomatoes and the crops are a total loss, it was reported. The town of Alexandria, Mo., five miles below here, threatened for a time by flood waters of the Mississippi will probably be saved by the Egyptian levee from inundation. The Des Moines is the highest in years at this point. The crest of the rise will be reached Wednesday.
