### PREMIUMS IN THRIFT STAMPS

Kansas City, Mo., June 12. — Nine DO MOTHERS ERR?

When we hear of so many school girls and girls in stores and offices who are often totally unfit to perform their daily duties because of some derangement peculiar to their sex, might this not have been prevented by the mother who, perhaps through neglect or carelessness, failed to get for that daughter the one great root and herb remedy for such ailments, Lydia E. Pinkham's Vegetable Compound? This old-fashioned medicine is said to have alleviated more suffering of women fighting Yankies and no one knows it better, now, than the Hun hordes on the western front.

### state fairs this year will pay premium

winning exhibitors in thrift stamps. It was announced here following a meeting of the American Association of State Fairs and Exhibitors, States adopting the plan are Colorado, Nebraska, South Dakota, Iowa, Illinois, Missouri, Kansas, Oklahoma and Texas. The executive committee of the association will meet with regional directors of railroads in Chicago, June 17, in an effort to obtain low rates for the state fairs this fall.

### SICK WIFE'S STORY SURPRISES SALEM

The following has surprised Salem: A business man's wife suffered from dyspepsia and constipation for years. Although she dieted she was so bloated her clothes would not fit. ONE SIBONIFUL buckthorn bark, glycerine, etc., as mixed in Adier-ka relieved her INSTANTLY. Because Adier-ka empties BOTH large and small intestine it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It is QUICKEST action of anything we ever sold. J. C. Perry.

### THIN PEOPLE SHOULD TAKE PHOSPHATE

Nothing Like Plain Bitro-Phosphate to Put on Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force

Judging from the countless preparations and treatments which are continually being advertised for the purpose of making thin people fleshy, developing arms, neck and bust, and replacing ugly hollows and angles by the soft curved lines of health and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness. Thinness and weakness are usually due to starved nerves. Our bodies need more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as bitro-phosphate, which is inexpensive and is sold by most all druggists under a guarantee of satisfaction or money back. By feeding the nerves directly and by supplying the body cells with the necessary phosphoric food elements, bitro-phosphate quickly produces a welcome transformation in the appearance; the increase in weight frequently being astonishing. This increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and lack of energy which nearly always accompany excessive thinness, soon disappear; dull eyes become bright, and pale cheeks glow with the bloom of perfect health. CAUTION — Although bitro-phosphate is unsurpassed for relieving nervousness, sleeplessness and general weakness it should not, owing to its remarkable flesh growing properties, be used by anyone who does not desire to put on flesh.

### What Paris Thinks About Bargain Day

We think that every man, woman and child that spend their dollars, should get more than 100 cents value for every dollar spent. We think Bargain Day should not be a profit day, but a benefit to our trade. Some stores are looking for an opportunity to unload some old stock or cheap shoes that will sell cheap—a shoe that you do not know and have no regular selling price—and often these shoes sell for more than they are really worth. It is a known fact that Paris Shoe Shop carries nothing but quality Shoes, and you know when you buy shoes of us you get what we represent. We carry three well-known brands—Keith Konquerer, J. E. Tilt and Buckingham & Hecht, priced from \$5.00 to \$9.00. But Bargain Day we guarantee to save you from \$1.00 to \$2.50 per pair. Every pair in the house on sale, nothing reserved. If you want to save money—make Paris Shoe Shop your headquarters. Take a look at our window next Saturday. We are going to save you money—we are not making profit on this day. But please try to save our time.
