

Jantzen Knit Wear

Sometimes You See a Bathing Suit

—that makes the girl or man wearing it look just about the way you wish you could look in the water or on the beach.

You probably overlook the fact that it isn't so much how she wears 'em—it's about 90% **WHAT** she wears that gives her the snappy, good-looking atmosphere which you appreciate.

If you ask her the name of the maker—you will find in nine cases out of ten that it's a **JANTZEN**—there's a label in every garment.

There's a little secret about the way these garments are knit that makes the difference you have noticed—the **RIBBED STITCH** is a **JANTZEN** idea.
