### SAYS HOT WATER WASHES POISONS FROM THE LIVER

Everyone should drink hot water with phosphate in it, before breakfaste

an, almost every morning to pre-

he bones.

Every man and woman sick or well, hould drink each morning before reakfast, a glass of hot water with a naspoonful of limestone phosphate in t, to wash from the liver and bowels.

This idea was suggested to him by the provious day's indirectible mater. previous day's indigestible mater-the poisons, sour bile and toxins; hus cleansing, sweetening and fresh-ning the entire alimentary canal be-

there will be plenty at

### TURNER FARMER HAS SPLENDID FLAX CROP

A. E. Bradley one of the county's wide awake farmers, who has an abid- L. I. ing faith in the ultimate success of flax growing, was in the city Thursday Cal. To feel as fine as the proverbini ddle, we must keep the liver washed can, almost every morning to preent its sponge-like pores from clog-ing with indigestible material, sour lle and poisonous toxins, says a noted a vascian.

This ten acres should be shown in the sands and it is not yet done growing being as green as only flax can be, and not yet in blossom. This ten acres should wet in blossom. This ten acres should yield from three and a half to four tons to the acre. Samples from a five for you catch cold easily, it's your liver. If you wake up with a bad taste, fured tongue, masty breath or stomach becomes rancid, it's your liver. Sallow kin, muddy complexion, watery eyes all denote liver uncleanliness. Your liver is the most important, also the lost abused and neglected organ of the body. Few know its function or ow to release the dammaed-up body maste, bile and toxins. Most folks reor to yiotent calomel, which is a dance works his ground nine times counting the harrowing and rolling after the seeds and release the harrowing and rolling after the seeds and release the dammaed-up body maste, bile and toxins. Most folks reor to yiotent calomel, which is a dance works his ground nine times counting the harrowing and rolling after the bet to yiclent calomel, which is a dancerous, salivating chemical which can ally be used occasionally because it acmunilates in the tissues, also attacks he bones.

Excer man and woman sick or well,

the way the crop voluntoers it show-ing its ability to stand pretty cold

ing its ability to stand pretty cold weather and still make a stronger yield at the home of Mrs. A. T. Vancleave, near Labish Meadows, given in honor of Miss Nellie Patterson of the Waconstraint the diet like calomel, because it can not salivate, for it is harmless and you can eat anything afterwards. It is nexpensive and armost tasteless, and any pharmacist will sell you a quarter pound, which is sufficient for a demonstration of how hot water and interesting phase some time in June. A dainty lunch of ice cream, strawberries and eake was freshens the liver, keeping you feeling fit day in and day out.

CIVEN KITCHEN SHOWER.

A general kitchen shower was a pretty event of last Wednesday afternoon.

day it irrigates.

The plan is to have the houses which bear even numbers on the streets irrigate only on Monday, Wednesday, Friday and Sunday, and the houses which bear odd numbers on the streets irrigate only on Tuesday, This plan will permit every house to irrigate four days out of each week.

The purpose of the Water company in furnishing water for

out of each week.

The purpose of the Water company in furnishing water for arrigation is not to furnish all the water a person can run through the hose in the six irrigation hours every day, but to furnish enough water to keep the lawn in condition. To use more than enough is a waste. We will pump the usual amount of water and hope to furnish it more satisfactorily—Salem Water, Licht & Power Co.
