The first of a series of public concerts will be given by the Salem Cherrian band Tuesday evening at William park, beginning at 8 o'clock under the direction of Oscar A. Steelhammer.

OSCAR A. STEELHAMMER Director of the Cherrian Band

Company M Families Receiving Allotments

Two more Company M allotments were received today, according to information received at the Home Service section of the Red Cross. This indicates that the allotments which have all been held up, are due to arrive within a few days.

For some reason, all records of the allotments of Company M were either lost or mislaid and the wives of soldiers in the company have not been receiving their allotments. The matter was taken up by the Home Service section of the Red Cross and through the Red Cross Washington officials, programs were sent to the officers of Company M asking that the allotments be made over again.

A letter received today by Mrs. O. B. Schucking, secretary of the Home Service section from the registrar of the Red Cross civilian relief, in Washington is as follows: "You will be glad to know as a result of the cablegram which I sent to France that we have already had reply and we expect to have early action on Company M's cases."

Jefferson Constable Injured by Fall

Sheriff Neidham was notified shortly after noon today that Constable Jones of Jefferson had fallen in getting out of an auto at Turner this morning and had suffered a fracture of the skull. Some time this morning a warrant was issued in Jefferson for the arrest of several boys who had passed through the town in an auto, and this was given to the constable to serve. The constable wired the sheriff to head the boys off and the sheriff wired the constable at Turner to watch out for them that place. This the Turner constable did and phoned Jones to come and get them. As Jones reached the constable's place in Turner he stepped from the auto before it had fully stopped and was thrown heavily, sustaining, it is reported, a fracture of the skull.

The boys were taken back to Jefferson by Constable Miles of Turner, and word was sent that the injured man was being brought to one of the hospitals here. Inquiry at these just before press time failed to locate him at any of them. What the nature of the offense for which the boys were arrested could not be learned.

Party Organizations in Marion County

At the meeting of the republican central committee, held last Saturday, the following officers were elected: Walter L. Tooz, chairman, N. D. Elliott secretary, Ben P. West state committee man, W. J. Culver congressional committee man.

The executive committee is as follows: E. P. Moreau, Woodburn; H. C. Porter, Aumsville; A. L. Lawrence, Brown; S. J. Culver, Salem; H. E. Brown, Silverton; W. H. Hobson, Stayton; H. R. Peetz, Turner.

At the meeting of the democratic central committee, P. L. Frazier was re-elected chairman, Kenneth Bayne secretary and James R. Hamilton, state committee man.

NOTICE TO CONTRACTORS

The Oregon State Highway commission will receive proposals at 1301 Yeon Building, Portland, Oregon, at 11 a. m. Tuesday, June 25th, 1918, for eighteen miles of hardsurfacing on the Pacific highway between Salem and Aurora, in Marion county.

The work will be let in two units of 7.55 miles and 10.65 miles, respectively. Bids will be received on all types of pavement.

For full particulars, kindly call at room 303 Capitol building, office of the state highway engineer, Salem where specifications and all details may be seen.

No guarantee of workmanship, material or maintenance bonds will be required and a special price of \$2 per bid, f. o. b. Oswego will be made on the purchasing of cement.

Heavy Licensed Fees Will Be Exacted From Circus Parades In Future

It is good bye to street carnivals and street shows of a similar nature for Salem.

At the meeting of the city council this evening an ordinance, will be introduced by Frank Ward, that will ring the curtain down on carnivals, merry-go-rounds and such, and with the councilmen already in favor of such an ordinance, it will doubtless be unanimously passed.

The ordinance provides that no street shows, carnivals, dog shows or anything of the kind shall be licensed to do business in the city of Salem. This includes the circus, but as there are no grounds suitable for a circus within the city limits, the circus continues to be a possibility for Salem, as they can show outside the city limits.

However, although the circus may come, the ordinance will provide that the city shall be paid a license for the use of its street for the parade. For a one ring circus parade, the license fee is fixed at \$40. The two ring circus for its parade, will be asked to pay \$60 and the big circus with three rings will be taxed \$80 for its parade on the city streets.

Shows not classed as a circus that would like to have a street parade will be asked to pay a license of \$50 while a dog or pony show will pay \$25 for the use of the streets in its parade.

A similar ordinance would have passed at the last meeting of the council but it prohibited the street parade. As the aldermen thought there was nothing especially wrong about a street parade, the measure was defeated. A new ordinance was drawn, by City Attorney Macy, prohibiting the carnivals and shows of all kinds within the city limits, but permitting the street parade upon the payment of a license fee.

Debs Denies Reports That He Is Loyal

Cleveland, Ohio, June 17.—Federal Attorney Wertz today was examining the reports of federal agents who heard the address of Eugene V. Debs, former socialist candidate for President at Canton, Ohio, yesterday.

"If I had that Debs said anything that violated the espionage law," said Wertz, "I'll bring it to the attention of the federal grand jury at once."

Debs spoke in a Canton park before about 1200 persons, most of them delegates to the state socialist convention.

"I must be extremely careful what I say and more careful how I say it," Debs said in beginning his address.

MOVING PICTURES SHOWING WAR SCENES

Public Information Committee Will Give Views at Armory

Tonight at the armory, there will be given under the auspices of the committee on public information, a moving picture show that will give an entirely new phase of many of the situations in Europe, especially in France.

The speaker of the evening is William J. Burns, who has been giving his time to this public information work and with him are two moving picture machine operators. They carry 2000 pounds of baggage for the lecture.

Their equipment includes five moving picture machines and during the address, 3000 feet of film will be used besides the showing of hundreds of stereoscopic views.

During the seven weeks the party has been on the Pacific coast, they have been showing to crowded houses at San Francisco, in two nights, 21,000 witnessed the films. At Oakland, Cal., for the one night 10,000 attended and at San Diego, 5000 for the one showing. Two nights were given to Fresno, Cal., where the attendance was 10,000.

The film was purchased by a leading eastern manufacturer who showed them in the evenings to keep his men on for extra hours. They were then shown at different factories and finally taken up by the Washington authorities. The showing will begin this evening at 8:30 o'clock and as it is under the auspices of the committee on public information, there is of course no admission charge.

STREET CARNIVALS TO BE PROHIBITED

Heavy Licensed Fees Will Be Exacted From Circus Parades In Future

It is good bye to street carnivals and street shows of a similar nature for Salem.

At the meeting of the city council this evening an ordinance, will be introduced by Frank Ward, that will ring the curtain down on carnivals, merry-go-rounds and such, and with the councilmen already in favor of such an ordinance, it will doubtless be unanimously passed.

The ordinance provides that no street shows, carnivals, dog shows or anything of the kind shall be licensed to do business in the city of Salem. This includes the circus, but as there are no grounds suitable for a circus within the city limits, the circus continues to be a possibility for Salem, as they can show outside the city limits.

However, although the circus may come, the ordinance will provide that the city shall be paid a license for the use of its street for the parade. For a one ring circus parade, the license fee is fixed at \$40. The two ring circus for its parade, will be asked to pay \$60 and the big circus with three rings will be taxed \$80 for its parade on the city streets.

Shows not classed as a circus that would like to have a street parade will be asked to pay a license of \$50 while a dog or pony show will pay \$25 for the use of the streets in its parade.

Strawberry Fete Success at Kimball Home

The strawberry fete held Saturday evening at the Kimball home in Polk county was such a success in every respect that it is probable before the berry season closes the festival will be repeated.

The festival was given as a Red Cross benefit by the Polk County Community auxiliary and the net proceeds were \$115.

Besides the refreshments, which included plenty of strawberries, cake, ice cream and coffee, there was an interesting program. This included the singing of the "Star Spangled Banner" by Hal the Patriarch Durdall followed by an address by the chairman of the evening Albert Steiner. Other numbers were a solo dance "The Coming of Spring" by Miss Genevieve Barbour, reading by Emily case; solo by Dan F. Leugenberg Highland Fling dance by Miss Martelle Shipp; drill by young girls; address by Dr. A. B. Starbuck of Dallas; dance by Miss Madeline Brown and Miss Genevieve Barbour; recitation by Mrs. S. Yates, song by Carl Stevenson; cornet solo by Charles Kurth; sword dance, Martelle Shipp and an address by Walter A. Denton.

Sixteen Steel Vessels Delivered In Two Weeks

Washington, June 17.—Sixteen steel vessels of a total deadweight of 80,162 were completed and delivered during the first two weeks of June, the shipping board announced late today. The output geographically was as follows: Atlantic coast yards, three; Great Lakes, eight; Pacific coast, five.

ORE. YEARLY MEETING OF FRIENDS' CHURCH

Twenty-Fifth Anniversary of Founding of Organization in Oregon Observed

Newberg, Ore., June 17.—The twenty-fifth anniversary of the founding of Oregon yearly meeting of Friends Church (Quakers) was celebrated Saturday. The principal feature of the morning session was a paper of reminiscence by Aaron M. Bray. Short talks were also given by a number of pioneers of the yearly meeting, as well as by some of the visitors.

The afternoon's program held for its principal feature addresses by Dr. Robert E. Pretlow of Seattle, clerk of the Five Years Meeting of Friends in America on "The Place of the Yearly Meeting in the Quaker Polity," and by Dr. Charles E. Tebbetts, honorary head of the American Friends Board of Foreign Missions on "The Church of the Future."

The department of Evangelism and Church Extension presented its annual report, through Homer B. Cox, of Portland, its chairman. The year has been a decidedly successful one from the standpoint of the work of this department, as shown by the reports. In only one year since the first year of the yearly meeting has there been a larger increase in the membership on confession of faith.

Following the reports, interesting addresses were made by Dr. Charles E. Tebbetts and by J. Sanger Fox of Portland, who has been serving as field secretary for the past month. He was employed in this capacity for the ensuing year. At the close of the afternoon meeting, an offering for this work was taken up to the amount of about \$800.

Peace and arbitration were the subjects considered at the morning meeting Friday. The report was presented by Prof. F. W. Parisio, superintendent of this department, who made an able address on the subject, as did Dr. Tebbetts and Paul J. Furness, field secretary of the Friends Service committee.

The evangelists meetings are well attended.

British Airmen Fight With Austrians

London, June 17.—British air men on the Italian front are attacking Austrian infantry with machine guns, having fired 25,000 rounds into enemy columns on Saturday and Sunday, the British Italian front official statement announced tonight.

Simultaneously, more than 300 bombs were dropped. The statement says the general Italian situation is unchanged. British casualties have been slight.

George Creel's Bureau Receives Appropriation

Washington, June 17.—The house today passed an appropriation bill turning over to President Wilson \$50,000,000 as a personal war fund, sought by the president to insure continuation of the Creel committee on public information.

In a letter to Representative Shirley, the president indicated he feared congress might attempt to curtail the work of Creel's bureau by denying necessary appropriations.

The house voted to give the committee on public information \$1,250,000 the fund it asked for the next fiscal year.

An amendment by Representative Madden, Illinois preventing expenditure of any part of the appropriation

FOURTEEN DAYS IN OPEN BOAT SAILORS REACH PORT SAFELY

Schooner Burning Forces Them to Boats—Had One Quart of Water Left

San Francisco, June 17.—After fourteen days in an open boat on the Pacific, 14 people from the five masted schooner Crescent, landed in San Francisco last Sunday. The Crescent was burned 1400 miles off the coast.

Captain Olson, Mrs. Olson, and the 12 members of the crew abandoned the Crescent on June 3 after fighting desperately for 24 hours with a fire which started in the hold. The schooner was 70 days out of Sydney with a cargo of copra for San Francisco. Unable to quench the flames, Captain Olson abandoned ship, rigged a small sail on a lifeboat, and started for San Francisco.

For two weeks the little boat fought her way eastward. Not until Sunday morning did they sight a ship. Then they saw the steamer President and simultaneously sighted land.

With just a quart of water, two cans of tomatoes and one can of peas remaining of their provisions, the lifeboat pulled up at Meigs wharf. The 14 people aboard were so stiff and sore from their long exposure that they could hardly stand up. Aside from that, they were apparently none the worse for their experience.

The sailors praised the fortitude of Mrs. Olson, who doled out the provisions herself, kept them in good spirits, and occasionally took a hand at bailing.

The Crescent was built in 1904 at Fair Haven, Cal. She was 240 feet long and of 1443 gross ton. Captain and Mrs. Olson had made their home aboard the schooner for 14 years.

State House News

Highway Engineer Numm starts today on a tour of inspection of the road work now underway.

Articles of incorporation were filed today as follows: Pacific Marine Iron Works of Portland, increased its capital stock from \$250,000 to \$400,000.

Inman Poulsen Company of Portland filed notice of dissolution.

O. K. Fry Company of Portland, capital stock \$10,000 and object to manufacture and deal in hydroplanes, and aircraft of all kinds, pontoons, life boats and small water craft generally.

tion for hiring men of draft age unless they are exempted for physical disability, was adopted.

Representative Wood, Indiana, read an attack on George Creel, for his articles written in 1907 in a Denver newspaper.

Brewers Widow Comes Back From Germany

Havana, June 17.—Mrs. Adolphus Busch, widow of the St. Louis brewer planned to leave here today for the United States if accommodations could be secured on a certain steamer. Mrs. Busch is on her way home from Germany. She was closely watched here. Newspaper men were allowed to speak to her only in the presence of officials.

Mrs. Busch's attorney, Harry R. Howes, of St. Louis, who is with her, denied that Mrs. Busch had ever received the Kaiser and crown prince at her estates on the Rhine and said she had no such estates.

W.S.S. BUY W.S.S. & KEEP HIM OUT OF AMERICA

Washington, June 17.—Sixteen steel vessels of a total deadweight of 80,162 were completed and delivered during the first two weeks of June, the shipping board announced late today. The output geographically was as follows: Atlantic coast yards, three; Great Lakes, eight; Pacific coast, five.
