Polk County Chautauqua at Dallas Next Month

(Capital Journal Special Service.) Dallas, Or., June 19.—One of the most interesting and entertaining programs ever presented to the people of Dallas and Polk county has been prepared by the Ellison-White Chautauqua System for this year's entertainment and the chautauqua which comes to this city on July 17 and continues for one week promises to be the biggest and best ever listened to by local people. The opening attraction consists of "Old Soldiers Fiddlers"—four veterans from the Civil War, two from the North and two from the South who will give a number of patriotic selections and old campfire songs. Dr. Lincoln L. Wirt is claimed to be the "star" number on the week's program. Dr. Wirt is a prominent war correspondent and comes direct from the battlefields of Europe where he was a member of a Government observation party and under military escort visited the entire Western battle front. Another prominent lecturer is Dr. C. J. Bushnell and instructor in the Pennsylvania Military College. The big musical hit of the week is the concert by Tavien's Exposition Band of Chicago. This famous band played at the opening and closing of the Exposition in San Francisco and is considered one of the finest musical organizations in the country. Season tickets will soon be placed on sale in the business houses in this city and with the excellent program offered it is expected that the required number will be sold before the opening day of the chautauqua.

Friends Yearly Meeting In Favor of Prohibition

(Capital Journal Special Service.) Newberg, Or., June 18.—Today marks the close of the twenty-sixth annual session of Oregon Yearly Meeting of the Friends church. The departments of Home Missions, Temperance, Good Literature and Bible Schools presented their reports. All have had a successful year's work. Strong pronouncements in favor of prohibition were made unanimously by the meeting, and telegrams to President Wilson, Food Administrator Hoover and the senators and representatives were ordered sent by the clerk of the yearly meeting asking for immediate war prohibition. Most of the business of the day was of a routine character, and though of no little importance required little discussion. One of the features was the consideration of the epistles from Dublin and London yearly meetings, and the replies to them. These were of special interest because of present war conditions. The report of the yearly meeting's service committee was one of the features that attracted much interest. During the past year Oregon Yearly Meeting has contributed more than \$3,000 to the Friends Reconstruction work, which is a branch of the Red Cross work, sanctioned by the United States and the French governments, and thousands of garments have been made by the women among Friends of this yearly meeting for the French war victims. In addition to this, contributions aggregating many hundreds of dollars have been given to the regular Red Cross campaigns, to the Y. M. C. A., and Y. W. C. A., to the Armenian-Syrian relief and to other war causes. But it was emphasized that this Friends Reconstruction work, a part of the Red Cross and under its direction, is Friends peculiar work, and that in supporting it in the past year, Friends have given five times as much per capita as the rest of the United States has given to the regular Red Cross work. A number of Monuments were presented as visitors when this report was presented. This act, which holds the same views as Friends on the subject of peace are contributing regularly to Friends Reconstruction work. They have given \$38,000 during the past three months, and some of the Mennonite young men are in the work in France with the Friends. The business of the meeting has been transacted with the greatest harmony throughout, and from every standpoint this annual gathering has been a very successful one.

George Keech Elected School Director at Stayton

(Capital Journal Special Service.) Stayton, Or., June 18.—The annual school meeting of District No. 77 was held in the High school auditorium Monday afternoon. George Keech was elected director and Wm. Weddle clerk. A motion to levy the necessary tax to conduct the school the coming year, as presented in the budget offered by the board, was carried by a vote of 46 to 4. Stayton has been having very satisfactory school the past few years, and the tuition from outside pupils last year was over a thousand dollars. With the schools conducted as they have been, the people are not averse to voting a substantial tax for school purposes. Frank Sihavy was down from his ranch above Meilama and spent Sunday with his family. Leo Weir, who has made his home with his aunt, Mrs. Geo. Gasner for some time and attended the Stayton schools, received the sad news Sunday that his father John Weir, had passed away at his home in Portland. He left at once for the city. Everett Condit, son of H. B. Condit of West Stayton, was in town Monday evening, and being well up in military tactics, assisted the local company in their drill. The boys are continuing to progress. John A. Clark, an employe in the Wilbur Woolen mills, expects his family here soon from Canada. They will occupy the Mrs. Kitcher house on Second street. W. D. Cornish and wife, Mrs. Mabel Crabtree and Miss Dora Rabens, with Geo. Warford as chauffeur, made the trip over the Columbia highway the first of the week. Mrs. Matilda Jones, who has been visiting her parents, Jacob Sigmond and wife, on Fern Ridge has returned to Salem. Anna Mary, wife of Nicholas Welter, died at her home in Sublimity this morning. She had been suffering from a dropsical condition for some time. The funeral will be held in Sublimity Thursday morning. She was aged 57 years, 10 months and 8 days. Kearney Kinsey, who has been visiting his parents, Mr. and Mrs. L. Kinsey east of town, has returned to Portland. He will hereafter devote his time to the service of Uncle Sam, but in what department he is not yet aware. Miss Elzora Willing, of Salem, and Miss Elizabeth Malngamba, of Astoria both graduate nurses, are visiting at the home of Mrs. Rose Willing. Miss Katherine Nelson, sister of E. R. Nelson, of the Marketaria Grocery, was married in Portland Wednesday, the 12th to Dr. Ira Gaston, at the First Presbyterian church. Dr. Gaston is a member of the army medical corps, and he and his bride expect to leave soon for Honolulu, where he will be stationed. Mr. and Mrs. Nelson and Miss Grace Elder were present at the wedding. Ira B. Carter, of The Dalles, has been visiting relatives in town and north of town the past week. Mrs. Carl Johnson of Payette, Oregon visited several days with her father, Carl Schaefer, and her brothers and families, Chas. and Ben Schaefer. Geo. Boedigher came from Camp Lewis and spent Sunday with his wife and other friends. D. J. Caldwell and wife spent the week-end with relatives here. Mr. Caldwell is a member of the Oregon State Police and has been in Portland on guard duty for some time. He expects to transfer soon to the Oregon Guard, and thinks there is a prospect of some of the men from this organization being sent to duty on the Mexican border.

LEGAL NOTICES

IRRIGATION FOR 1918 For the purpose of trying to make the irrigation service more satisfactory the city will be divided into two districts so that each district will get the full service of the plant upon the day it irrigates. The plan is to have the houses which bear even numbers on the streets irrigate only on Monday, Wednesday, Friday and Sunday, and the houses which bear odd numbers on the streets irrigate only on Tuesday, Thursday, Saturday and Sunday. This plan will permit every house to irrigate four days out of each week. The purpose of the Water company in furnishing water for irrigation is not to furnish all the water a person can run through the hose in the six irrigation hours every day, but to furnish enough water to keep the lawn in condition. To use more than enough is a waste. We will pump the usual amount of water and hope to furnish it more satisfactorily.—Salem Water, Light & Power Co. 11

Former Dallas Band Leader Commissioned

B. A. Downey, who a few years ago was leader of the famous Dallas City band, has been commissioned a Second Lieutenant according to information reaching this city recently. General Pershing recommended that all band leaders be advanced in rank according to their years of service and as Mr. Downey has only been in the service since the outbreak of the war it would mean a second Lieutenantcy for him. Downey leads the old Third Oregon band and that organization is considered the best military band in France. Two Dallas boys, Ray and Will Boydston, sons of Mr. and Mrs. James Boydston, are members of the band under Downey.
