DR. M. P. MENDELSON  
Fits Eyes Correctly  
210-211 United States National Bank Building  
Phone 110

## ATTENTION!

Members of the Legal Advisory Board For Marion County, Department Number One.

The members of the legal advisory board of this county, District No. 1, have been urged by the government to devote the week beginning June 24, to the examination of the questionnaires and records of the local exemption board, for the purpose of correcting unfair classification of registrants, if any there be. The members are requested to give this matter precedence over any other interest, public or private, for the time being. The necessity for completing this work as soon as possible is imperative, consequently we request each member of the legal advisory board of Marion county, in department No. 1, to meet at the Circuit Court room at the court house in Salem, Monday morning, June 24, at 9 a. m. for the purpose of taking such steps as shall be necessary to meet our government's demands.

JOHN H. McNARY,  
ROLLIN K. PAGE,  
ROY F. SHIELDS,  
Permanent Members Legal Advisory Board.

## Gerard Film Production Tells German Secrets

"Is it not a shame that the world should have so been disturbed; that peaceful men are compelled to lie in mud and filth in the depth of raw winter, shot at and stormed at and shell- ed, waiting for a chance to murder some other inoffensive fellow creature? Why must the people in old Poland die of hunger, not finding dogs enough to eat in the streets of Lemberg? The long lines of broke peasants in Serbia and Rumania; the population of Belgium and Northern France torn from their homes to work as slaves for the Germans the poor prisoners of war starving in their huts r working in factories and mines; the cries of the old and the children wounded by bombs from Zeppelins; the wails of the mothers for their sons; the very rustling of the air as the souls of the ten million dead sweep to another world—why must all these horrors come upon a fair green earth, where we believed that love and help and friendship, genius, science and com- merce, religion and civilization once ruled."

In the introduction to Ambassador James W. Gerard's remarkable book, he so eloquently asks these questions which all the world is interested in. In the big remarkable film production of the book "My Four Years in Germany" you will find the answer, why the world is at war, you will see unrolled before you the whole history of German intrigue and plot.

The picture will be shown at the Liberty starting Sunday, June 30.

Word was received a few days ago by Superintendent T. L. Billingsley of the Salem Street Railway, that the employes would be included in the in- crease of salaries along with railroad employes. The exact amount each street car man will receive has not as yet been figured out but they all now have the satisfaction of knowing there is an in- crease coming soon.

The chorus of the First Baptist church under the direction of Miss Belle Tar- tar will give Gault's cantata "Ruth" at the Sunday evening services. The choir numbers 20 voices and during the past season has been giving effective service, as this is the third cantata to be presented this year. The special parts of the cantata will be taken by Mrs. Petersun and Miss Davis as sopranos; Miss Fawk and Miss Tartar as contral- tos; Archie Smith, baritone; Miss Lily Stege, violinist and Miss Lucile Ross, organist. The services will begin at 8 o'clock.

Earl Sumner, who was reported a few days ago as wounded in the fighting in France, was commander of the local lodge of Maccabees when he enlisted last winter in Company H. It seems that Mr. Sumner became ill while in New York City and was not able to accom- pany his company over the water. Later he was sent across but assigned to a company that soon got into the fight- ing. The local lodge of Maccabees voted to forward a communication to him, to be signed by the officers of the lodge.

The country school districts are all organized for the War Savings Stamp campaign to begin next week, according to W. M. Smith who has had charge of the out of town districts. The directors have received final instructions and in- formation as to pledges and they will start on their work early Monday morn- ing. Mr. Smith suggests that the chair- man of each district take great care in sending in the names of those who are entitled to the War Savings Stamps button. The names are to be sent to Mr. Smith. He will forward them to Wash- ington and the buttons will be mailed direct. In each district, at the close of the campaign next week, a permanent war savings committee will be organ- ized.

Miss Helen Stuart, librarian of Victo- ria, B. C., will give a lecture in the auditorium of the public library next Thursday June 27, at 8:15 p. m. on the subject of "The Canteen System" in connection with the Red Cross work in Europe. The lecture will be free and everybody is cordially invited to attend. Miss Stuart has spent a year in the actual service at one of the large rail- road centers in France where she was engaged in this canteen work, and she tells a graphic story of her personal ex-

## CANCER OF NOSE CURED

Prominent resident certifies to cure by Dr. S. C. Stone of Salem

Salem, Or., June 5, 1918.  
To Whom it May Concern:  
For one year or more I was troubled with a cancer on my nose. I fully realized it was constantly getting worse and after duly considering the dangers of cancer I concluded to go under the treatment of Dr. S. C. Stone of Salem, Oregon. The doctor gave me a liquid to apply as directed for several days and then a simple ointment and in a few days the cancer came out and healed up nicely and has given me no more trouble. I cheerfully recom- mend Dr. Stone and his treatment. My home is near Gervais on route 2.

Signed J. H. HASSEY.
