A delightful one o'clock luncheon was given by Mrs. Marian Von Eschen Thursday afternoon, in honor of Miss Lydia Bell, whose engagement to Charles Hay of Sherwood was recently announced. Miss Bell is a niece of Mrs. B. E. Carrier on Court street, and has been one of the popular Salem teachers for several years.

The home was profusely decorated in bright summer flowers. In the living room were graceful bowls of canterberry bells which gave a romantic touch to the affair. Covers were placed for twelve on a table charmingly decorated with gold-colored art baskets filled with delicate roses and snap dragons. The host of happiness was still further carried out in the place cards decorated with tiny little blurbs.

Those enjoying the affair were Miss Lydia Bell, Miss Ruth Paxton, Miss Emma Moore, Miss Lyra Miles, Miss Mabel Tempie, Miss Mary Findley, Miss Margaret Cosper, Miss Adella Chapler, Mrs. Lulu B. Sheldon, Miss Belle Demison and the hostess.

Among the motoring parties of the week is the one composed of Mrs. W. H. Dancy, Mrs. W. H. Eldridge, Mrs. William Brown and little grandson, Chandler. The party is planning a delightful week's trip through Bainier Park, Camp Lewis, Tacoma and Seattle.

A happy evening was spent last evening by the members of the La Ara club, when they were entertained by Miss Ada Zoel at the home of Mrs. J. A. Bernardi on South High street. The time was pleasantly spent in a social way, interspersed with music. Mrs. George Hurley and Mrs. J. A. Bernardi assisted during the evening. Those who were present were Miss Ruby Baker, Mrs. Leah Armstrong, Miss Joy Turner, Miss Mabel Brassfield, Miss Echo Hunt, Mrs. George Hurley, Mrs. J. A. GERMANS SEEK CONTROL OF THE CAUCASUS REGION

Unrest Spreads From Austria Into Germany—Report of Czar's Death

By Joseph Shaplen
(United Press Staff Correspondent)
Stockholm, June 25.—Three thousand German troops, accompanied by a cruiser, two destroyers and a submarine, have landed at Porti, near Batum, it was learned today. They probably seek to effect complete occupation of the Caucasus, thus threatening the British in Persia and Mesopotamia. It is believed they will immediately extend their occupation to the provinces of Kuban and Kutais.

A serious disturbance occurred in Moscow when the bolsheviks arrested all of the 58 members of the workmen's conference who demanded a constituent assembly. Those arrested included ten mensheviks.

The bolsheviks are reported to be planning to expel the entire right and menshevik faction of the pan-executive committee. The bolsheviks are getting direct aid from Germany for their fight against the Siberians and Czech-Slovaks. The wave of protest against the bolsheviks and against the Brest-Litovsk treaty is spreading.

Batum is an important seaport on the southeastern shores of the Black sea. It is connected by railroad with Baku, the great oil center on the western shores of the Caspian. Porti is about 25 miles north of Batum.

Kuban province lies north of Batum, while Kutais borders Kuban on the north, extending along the eastern shores of the sea of Azov and reaching nearly to the Don river.

People of Finland Getting Their Eyes Open
By Joseph Shaplen
(United Press Staff Correspondent)
Stockholm, June 25.—Thorwell Haynes, American consul at Helsinki, today notified Ambassador Morris that the Finns are becoming aware of Germany's real intentions toward their country.

"Until May 15 the Finns believed Germany intervened in Finland from sympathy for them," Haynes said. "Now, the Finns are realizing that the Germans' motives are not so unselfish."

"Large German forces are moving northward from Helsinki, evidently toward Murman. German propaganda is endeavoring to persuade the Finns that Great Britain is arranging to seize Murman and Karelia. At the same time, Germany is encouraging a breach between the Finnish and Swedish speaking classes, in order eventually to dominate Finland."

According to Stadsbladet, Russian military leaders asked the bolsheviks for instructions regarding the Finn expedition into Murman. Moscow replied that no action would be taken, in view of the Finns' intention to occupy only what territory Russia had promised already to them.

Discontent is rapidly growing in Finland. The government is entirely in the hands of the Germans. The socialists are refusing to participate in governmental affairs, owing to this German influence. Red Guard prisoners are being treated brutally. They are starved by the hundreds and shot without trial.

COMING ITALIAN DRIVE TO PROTECT FLANK

Offensive Will Be Staged Against Austrians In Mountain Section

Washington, June 25.—Italian forces are preparing for a great drive against the Austrians in the Trentino—and expect to repeat the disaster inflicted on the enemy along the Piave, official Rome cables declared today.

General Diaz is cautiously pursuing the battered Austrian armies because the Italians leave their left flank open to an attack by the Austro-German reserves in the dominating hills of the upper Piave. Officers here stated that the Austrians strongly fortify themselves on the east bank of the Piave.

Dispatches to the embassy today announced the co-operation of the Italian navy in the counter offensive that precipitated the Austrian retreat. Destroyers battered the Austrian positions along the Tagliamento river and north of Castellazzo, while marine battalions from the warships advanced across the Piave and took hundreds of prisoners.

Austrian aviators attacked Brindisi during the battle, but were driven off with the loss of several planes. Italian and British aviators bombed Cattaro and Durazzo, across the Adriatic sea, in retaliation.

Czech-Slovaks, Jugo-Slavs, Rumanians, Serbians and other nationalities oppressed by Austria were represented as a demonstration to the victorious Italian forces, given by the British ambassador at Rome yesterday.

Italian cables today also announced verification from three sources of dispatches given out at the embassy yesterday that 45,000 Austrian prisoners had been taken in the Austrian retreat across the Piave.
