. Loving Rivals They share the secrets that help the younger to add to her youthful charm and the older to keep hers. Tonight it is the secret of Pompeian BEAUTY Powder, the powder that adheres so smoothly to the face and neck, imparting an exquisite pearly luster and fragrance to the skin. Thethree new Pompeian preparations shown here have met with great success in New York. They can be used separately, or to-getheras a "Complete Complexion Toilette." They are guaranteed pure and safe by the makers of Pompeian MASSAGE Cream. Pompeian Beauty Powder Adds a pearly clearness Stays on unusually long Pompeian BEAUTY Powder imparts a pearly charness to the skin. Stays on unusually long. Has a delighting fragrance. White, flesh, and brunette. In a beautiful purple and gold box. See at the Pompeian BLOOM at adds the final touch of youthful bleom. Im-s when properly applied. Do you know that a second in the checks beautines the eyes, making or and more lustrom? Comes in three shades, and residum (the popular shade), and exqui-med. Made in a cake that won't break. Said in second puff and mirror, 50c at the stores. Pompeion DAY Cream transhing keeps the skin smooth and velvety. Protects it against the weather and dust. Daintily fragrant. Can be good as a foundation before applying Pompeian BEAUTY Powder. Ste jars at the stores. THE POMPEIAN MANUFACTURING CO.

WHEAT AND CORN

Rules Adoptel by Public Service Commission to Conform to Federal Standards

on has issued an order adopting new mound grades for wheat and shelled rn to comply with standards establish d by the secretary of agriculture o. April 13, and which will become effective July 15. The new standards for wheat are as follows:

"Classes and sub-classes-wheat shall e divided into classes and sub-classes

as follows:

"Hard Red Spring (Class 1). — This class shall include all varieties of hard red spring wheat, and may include not more than 10 per centum of other wheat or wheats. This class shall be divided into three subclasses, as follows:
"Dark Northern Spring.—This subclass shall include wheat of the class hard Bed Spring, consisting of 75 per centum or more of dark, hard, and vireous kernals. This subclass shall include the class hard seed to the class hard seed spring. s follows:

ous kernals. This subclass shall not actude more than 10 per centum of wheat of the variety Humpback.

"Northern Spring — This subclass hall include wheat of the class Hard ded Spring, consisting of not more than per centum of dark, hard and vitre ous kernels. This subclass shall also include wheat of the class Hard Red pring consisting of more than 10 per otom of the variety Humpback.
Durum (Class II.)—This class shall

colucte all varieties of durum wheat any may include not more than 10 per centum of other wheat or wheats. This class shall be divided into three sub-

lasses, as follows:
"Amber Durum-This subclass shall sclude when; of the class Durum conisting of less than 75 per centum of ard and vitreous kernels of amber col-. This subclass shall not include more han 10 per centum of wheat of the ariety Red Durum.

The War-Time Value of Good Tires

Your car is a vital war-time necessity if you make it contribute to war work and war service.

Make it give the limit of service. But don't add one extra dollar to your driving expenses.

War-times make economy imperative. Practice it in operating your car or truck.

Keep down your tire costs.

Use good tires-United States Tires.

Increasing thousands are recognizing the war-time value of United States Tires.

They are getting away from haphazard tire buying.

They are buying mileage-choosing tires that give most miles per dollar.

United States Tires offer supreme dependability and unapproached economy.

both absolute essentials today.

There are five different types of United States Tires—one for every possible need.

The nearest United States Sales and Service Depot dealer will tell you which ones will serve you best.

United States Tires. are Good Tires
