MASS MEETINGS BOOST WAR STAMPS CAMPAIGN

Many School Districts in County Have Already Exceeded Quota

The school districts of Marion county, at the mass meetings held last evening, as a whole, made most favorable reports of the war savings stamps campaign. From all sides comes the story of most energetic work on the part of the directors and of the patriotic feeling manifested at the meetings last evening.

Districts that have not raised their quotas will continue the canvass until the required amount is pledged. In many instances districts had no trouble in going over the top and while some are still lagging, the feeling, according to reports coming in today is that the rural sections of the county will finally complete their quotas within a short time.

Reports coming in this morning to the office of W. M. Smith, in charge of the country districts are as follows:

District	Quota	Pledged
Silverton	\$55,000	\$55,000

Mill City	2,230	5,095
Quinaby	5,660	7,085

This is the list that had been filed today with W. M. Smith. It will be noted that Mill City made a good record and the same is true of Redne. At St. Paul, John Kirk joined the limit club by pledging \$500.

CROWDER IS PROMOTED. Washington, June 29.—The senate today voted to confer the title of lieutenant general on Provost General Crowder, in recognition of "distinguished service in connection with the draft act."

## OLD-TIMERS COME BY HUNDREDS TO CAPITAL CITY TODAY

### Home-Coming Picnic In Salem Shows That Old Home Ties Are Strong

When it comes to holding pioneer meetings and home-coming picnics Salem can easily claim the honors of the state for at the annual home-coming held this afternoon in Willson park, hundreds of the old timers who were born here more than half a century ago were glad to come to the capital city and renew the acquaintances of pioneer days.

They came from all directions and by train and by auto until by the luncheon hour fully 500 pioneers were seated at the tables in the park adjoining the state house.

Perhaps the oldest visitor was Joseph Hoberg of McMinnville, age 90 years, who was so busy working on a plate full of fried chicken that he noticed little of his surroundings.

The first white child born in Salem was called to the scenes of her early days. Mrs. Maria Campbell Smith of Portland holds this honor and she was born here in 1841.

Former Governor T. T. Geer and wife were among those talking of the time of the big flood, the biggest of all floods in December of 1861.

Two judges of the supreme court of the state of Washington were on hand to talk of boyhood days. Judge Chadwick spent his boyhood days in Salem, and Judge Mark Fullerton was born near the city.

George Moeye of Oregon City, and wife (Mary Gilmore) were talking it over, as Mrs. Moeye was born in Salem in 1856, although Mr. Moeye was not here until 1881.

Dan Boss came from Seattle to see how things looked. He is proprietor of the Hotel Freye. P. E. Hodgkin, who worked with the Statesman away back in 1872, came from Vancouver.

George Piper and Fred Piper of the well-known Piper family travelled from Seattle to see their boyhood friends, and John D. Belt of Willamina, after living one year in Missouri, began to become familiar with Salem, along about 1850.

B. F. Swick, who came to French Prairie in 1853 remembered his days at the Willamette University when there was only wooden buildings. He now lives at Dayton, Oregon. W. H. Savage and wife of Corvallis date their residence here back in 1850.

C. E. Moore and wife (Sarah Chamberlin) came from Portland. His memory of the city goes back to 1853. Glen Holman of Dallas was one of the pioneers of 1850. He also was partaking of the home-coming dinner.

Miss Ella Chamberlin of Berkeley, Calif., was born in Salem in the early 50's and she also came to bring to memory the early days of the capital city. Mrs. Olive Chamberlin Belt, born 1837, came especially to sing some of the days of long ago.

Mr. and Mrs. J. D. McCully drove from Hood River. Her maiden name was Lillian Patton. J. K. Gill, the well known stationery man of Portland is entitled to the pioneer membership as he married the oldest daughter of the founder of Salem. Her name was Frances Willson.

Mrs. F. W. Benson, wife of a former governor of Oregon came from Bridgeport. Mr. and Mrs. B. H. Bowman of Portland were among those familiar with the earliest days of Salem. She was here in 1850 and he came in 1860. Her name is Aurora Watt. Mrs. Clara Watt Morton, a sister, is also here from Portland.

Emmitt Williams, an attorney of Portland, is entitled to the rank of a Salem pioneer as he was born in Salem in 1853. He was eight years old at the time of the big flood.

Mr. and Mrs. A. B. Crossman of Portland are old timers. She was Lillian McCully and was born here in 1855. Mrs. Alice McCully Crane, a sister of Mrs. Crossman, also came from Portland to visit her pioneer friends. She was born here in 1852.

Whitney, L. Boise, brother of R. P. Boise of Salem, came from Portland. He was born about one year after the big flood, dating his birthday back to 1862.

Upon the arrival of the Homecomers, dozens of autos were at their service for tours of the city and state institutions. After the dinner so well served at Willson Park, the pioneers were left to enjoy themselves in reminiscences, following the address by former Governor T. T. Geer.

## Sioux City Has Serious and Fatal Fire Today

Sioux City, Ia., June 29.—At least three people were burned to death and nine injured in a fire which broke out in the business section of Sioux City this afternoon.

The Ruff drug store, where the fire started, caved in half an hour after the blaze was discovered, and it was there that most of the victims were believed to be entombed. The heat was so intense that rescuers could not approach the building.

Nine injured had been rescued and taken to hospitals at 2:40 p. m. Some of them were believed to be fatally burned.

One of the dead was identified as Louis Soisoux, a carpenter. Property damage was estimated at \$500,000 with the fire still burning.

At 3:10 p. m. two physicians were attempting to saw the leg from a man pinned under wreckage. The man became violently insane and his death was expected at any minute. Of fifty persons believed to have been trapped in the building when the fire caused an explosion which lifted the roof ten feet thirty are said to have escaped. Of the unaccounted for persons, there is no certainty of their escape alive.

## PRUNE GROWERS FAVOR TWELVE CENT PRICE FOR PRODUCT

This Will Be For the 30-35 Size With Quarter Cent Drop Each Grade

The meeting of the prune growers of this section of the valley held at the Commercial club this afternoon was attended by about 75 of the prominent growers, the object of the meeting being to select delegates to attend the convention to be held in Portland next Monday. At the Portland meeting delegates from all prune growing sections will meet with the state food administrator to submit to him a satisfactory price for the 1918 crop.

It developed that Dallas had held its meeting and recommended a price of 12 cents for 30-35 sizes with a quarter of a cent drop for each smaller count of five. Romburg growers also favored the same figure.

There was some doubt as to whether the California price on a base of 8 1/2 cents would cover the radical advance in labor and materials and the general costs of gathering the crop. It seems that the California base of 8 1/2 cents would figure to Oregon growers lower on the 30's and a little higher on the 50's.

The question of labor was discussed and the general opinion seemed to be that a man who understood drying and was paid \$4.00 last year he would demand and get about \$7.50 a day and that a tray man would get about \$2 more a day than last year.

After discussing the various sides of the price situation the meeting went on record as favoring the price approved by California of a base of 8 1/2 cents but with one cent more for the 50-60 run.

As delegates to the Monday convention in Portland, the meeting appointed the following growers: Louis Lachmund, chairman; Fred Kurts, B. J. Miles, H. Poisel, Ed Jory, L. T. Reynolds, W. T. Jenks, J. J. McDonald, F. E. Evans and Frank Hrubetz.

## TRAITOR IS SENTENCED

Sacramento, Cal., June 29.—Carl Schiltre, former employe of the Buffalo brewery, convicted of sedition, was sentenced to 2 1/2 years on McNeil Island and a fine of \$200 by Federal Judge Farrington, who declared upon pronouncing sentence that the case was the most flagrant that has yet come before him. The limit for the offense is 20 years' imprisonment and a \$20,000 fine.

## AMERICANS IMPROVE POSITIONS AT FRONT

Over Three Hundred Prisoners, Including Seven Officers, Taken

Washington, June 29.—American forces "again improved their positions south of Torcy, in the Chateau-Thierry region Friday," General Pershing reported today. "The number of prisoners taken by us at this point, in the operation of June 25, has increased to 309 of whom seven are officers," he added. "There have been no new developments at other points held by our troops. It is established that our aviators have shot down three hostile machines in the Tonl region since the beginning of the week."

"One was brought down at 9:30 o'clock on the morning of June 24, between Pont-A-Mousson and Thiaucourt by Lieutenant Raymond, Lieutenant Raymond then encountered a hostile biplane, which dived under his own. Lieutenant Raymond then executed a dive on the hostile plane, firing as he did so. He saw tracer bullets entering the fuselage of the enemy plane. The destruction of the hostile machine has

now been confirmed. The other two planes were shot down on June 25, by Major Hartney and Lieutenant McArthur. Major Hartney reports that his patrol of four planes, answering a call at 8:30 o'clock in the evening, encountered two German planes, of which one was a biplane Blumber and the other a monoplane. They were flying at an altitude of 500 meters. The German monoplane obtained a position over the tail of Lieutenant Hill's machine. Major Hartney fired a long burst at the monoplane, which turned over and landed upside down. The German Blumber biplane was pursued by Lieutenant McArthur below the cloud level."

"The two machines exchanged fire. On emerging from the cloud level, the hostile machine went over backwards. Lieutenant McArthur was at one time within 30 yards of the German plane and was able to observe that his tracer bullets entered the fuselage and is certain that the observer was wounded before the plane fell. He fired a total of 226 rounds. The destruction of these two planes has also been confirmed."

## WOMAN ARRESTED.

Portland, Ore., June 29.—Mary Weston, a car cleaner, who said no one could prevent her "praising Germany's virtues" was arrested this afternoon under the espionage act. She is a native of Germany. She is the first Oregon woman arrested under this act.
