The suggestion is made by Street Commissioner Walt S. Low that it is now the time of year to cut the grass along the curbs and sidewalks, especially if a neighborhood wishes to keep up its general appearance. He reports that in many places no care is taken of the grass and weeds along the sidewalks and this is especially true where the property is not occupied. In many cases people will care for their own parkings but do nothing to the tall grass of an adjacent parking where the house is not occupied.

HUBBARD PROPERTY SOLD BY SHERIFF ON EXECUTION TODAY

Alliance Trust Company Takes All For Less Than Judgment

The holdings of Mrs. Fannie E. Hubbard which include the Hubbard building in Salem and a farm of 262 acres, were today sold at sheriff's sale on a mortgage foreclosure for \$84,519.40 to the Alliance Trust Co. of Portland as the highest bidder.
The Hubbard building, in which is located the Oregon Electric depot, was offered at the sale separately and the highest bid was \$15,000. In offering both holdings of Mrs. Hubbard, the bid of the Alliance Trust company for \$84,519.40 was the highest and it was accepted by Sheriff Needham.
The judgments against the two properties amount to \$102,299.92 and are as follows: Alliance Trust Co., \$86,112.91; Welch Bros., \$12,329.32; John Bayne, \$2,177.02; and the U. S. National Bank, \$1,599.92. It will be noted that the amount bid by the Alliance Trust Company is less than its mortgages on the two properties.
The first mortgage on each property is held by the Alliance Trust Company and the three others' claims in the form of judgments. The only recourse for those holding the judgments would be to pay off the first mortgages of the Alliance Trust Company.
This closes the efforts of Mrs. Hubbard to retain possession of her properties. The suits for foreclosure were brought in the Marion county circuit court when Judge Galloway withheld foreclosure proceedings, giving Mrs. Hubbard one year longer in which to pay off the mortgages. The case was then appealed to the supreme court, the decision of Judge Galloway reversed, and the sheriff ordered to sell the properties at sheriff's sale.
