Parrish, West Wood. 721

There are times when for incess when for incess to be checked, are 46 called for from this district and sent to the rear; when duty must toe French Republic—Hail the Republic of the line; when the aversion brave men Russia—welcome the Commonwealth of the dire exigencies which have come although the doard may make a few bave for fighting must yield to the ad-juration, "Give me liberty, or give me ser-no parley with Autoeracy, Absolute and stole, so paltry and sordid, so un- count of delinquencies, sickness or reasjuration, sor-no partey with Autocatey, Acoust and store, so party and source and source and for continuance: ism, and the divine right of Kings-to Hell with the Hapsburg and the Holen. 'zollern!'' That check and lesson they are about to 912-J. O. Partish, West V 912-J. O. Partish, West V

death!'' That time is upon us. Unless Patrick Henry was wrong-unless Washington and the men of the zollern!'' Revolution were wrong, that time is upon us. It is to lie to pretend that the world is better than it was; that men ane trues, wiser; that war is escapable; that peace may be had for the plan ning and the asking. The situation

The man who is for pence at any price the man who skulks from the line and which without any act of ours rises before us is as engent as that which rose before the Colorists in America when a mad English King, claiming to rule colorier aport reature", or an imposter glory of woman. Not upon the soulmad English king, claiming to rule contra poor creature, or an imposter glory of woman. Not upon the soul-without accountability, asserted the set on by ulterior considerations. He stirring field of battle—the rather in right divine of Kings and sont an army set is we an unworthy motive, or a claiming partnership with God, again claiming partnership with God, again elevatos the standard of right divine and bids the world to worship, or die.

From the beginning the issue was not crank, or scheming rogue, he dishouors of duty and valor-and, when there is

rier-Journal, April 10,1917.)

beso ours than of the countries first ca-gaged. Each may have had ends of its cown to serve. Nor were these ends pre-cisely alike. At least France-to whom

cisely alike. At least France-to whom scentrics, or prowess. we owe all that we have of soverignity and freedom-and Belgium, the little David of Nations-fought to resist invasion, wanton, cruel invasion; to avert dients. But it would not have shown the heroic mothers of the world. alavery, slavery, pitiless slavery. Yet itself so strong if it had not been whatever the animating purpose-what ever the selfish interests of England and ganized if it had not been sufficiently. Russia and Italy-the Kaiser scheme of tinanced. The Hague Arbitration move-

Russia and Italy-the Kaiser scheme of world conquest justified it. "Mailed Figure of Absolutism." In us it sanctifies it. Why should any American split hairs cer the European right and wrongs involved when he sees before him grim and ghastly the mailed figure of Absolutism with hand mailed figure of Absolution with hand profile geopet of "peace on saith, uplifted to strike Columbia where three good will to men," was preached as nev-years she has stood pleading for justice, professional warriors arrayed in the confidence of the meney and faith challenge the confidence of the method of the free field warriors in its behalf. Civilized na

benzt's hope and home forbid! Each of these three years the Ger-man Kaiser was making war secretly, through his cmissaries in destruction of our in-Wey was making war secretly, through his cmissaries in destruction of our in-box way and the benzign standard. Many treaties embodying its aims were nego-tated. One, sud one alone, of the great Powers held out. That was Germany. and there is eloquence, though silent, box secrets whether the secret whether the secret secret whether the secret powers held out. That was Germany. dustries, secratly through his diplomata Why, we now see clearly what we then resistless, in an empty slove. Christendom stands face to Christendom stands face to face with the dispersion of some of its cherished

war against us, and, as we now know, "A Propaganda to Divide Cur People."

theologians, they will have to meet it. surrection; then openly upon the high How much, if any, of the Carnegie seas levying murder upon our people and visiting all our rights and claims with seorn and insult—with scorn and the recent agitations against wir with with scorn and insult—with scorn and insult unspeakable—at this moment pre-tending to flont us with ignominy and contempt. Where would the honest pus-sivist draw the line? the many of the conclusion that it has not surger the time has arrived—many of the works for nothing. But it is been ide, cort grudging, since neither of being certain, can creeds or statutes ex-term works for nothing. But it is
