The program for the first evening of the Chautauqua beginning next Sunday, will be in the way of a patriotic musical program, known as the "Old Soldier Fiddlers." They have been on the Chautauqua circuit for seven or eight years and their program will include the playing especially dear to G. A. R. veterans and those who remember the good old days of fiddling.

The police department makes the suggestion that many people are violating the ordinance in regard to obstructing the street in permitting wood to remain too long on the streets and alleys and also in not cleaning up after the wood has been removed. This is especially true of the alleys down town. According to the reading of the ordinance, no one has a right to obstruct a street or alley in piling up wood although it has become something of a custom.

Interstate connection between the Southern Pacific and Oregon Electric at Salem has been ordered by R. H. Aicherton, regional director of railroads. Information to this effect was received today by the public service commission from Mr. Aicherton. Commissioner Corey said the connection between the two railroads will be made on Front street between Ferry and Court. It will be of benefit to shippers on both roads, as under past conditions an industry located on one line could not get his products to a market on the other line without roundabout, expensive hauls.

HEAVY MEAT EATERS HAVE SLOW KIDNEY

Eat Less Meat If You Feel Backachy or Have Bladder Trouble--Take Glass of Salts

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headache, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of stinging, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

The following mail sacks from the United States were lost: Four sacks for the 25th division; one sack for the 412th telegraph battalion; one sack for the 13th general hospital; one sack for the 35th division. A. E. F. for British army postoffice No. 3. No information is obtainable to the amount of letters lost, where originated or the approximate posting dates.

SAGE AND SULPHUR DARKENS GRAY HAIR

Brush This Through Faded, Streaked Locks and They Youthful

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it, draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance; it is not intended of disease.

Catarrh is a Real Enemy and Requires Vigorous Treatment

Do Not Neglect It. Throw these makeshift remedies to the winds, and get on the right treatment. Go to your drug store to-day, get a bottle of S. S. S., and commence a treatment that has been praised by sufferers for nearly half a century. S. S. S. gets right at the source of Catarrh, and forces from the blood the germs which cause the disease. You can obtain special medical advice regarding your own case without charge by writing to Medical Director, 22 Swift Laboratory, Atlanta, Ga.

Tonight at 7:30 o'clock there will be a drill of the 2nd Battalion at the High school athletic field, combining with a Cherrian band concert. Instead of giving the concert at Willson Park the band will play during the drill of the same soldiers. For those going in automobiles, it is suggested that the best way is to drive in from Fourteenth street. There is plenty of room for parking within the athletic field.

After June 21, my friends and patrons will find me in Moore building on Court street, up first stairway east of Brewer's drug store. Phone 605. Mary C. Rowland, M. D. 7-13

For those who have subscribed for their stamps, the suggestion is made that it is not necessary to wait until any certain date to buy. In fact, it would greatly facilitate matters both at the banks and postoffice if purchasers would come in any time and buy to avoid the rush. The same may be said regarding the third payment on Liberty bonds due July 18. To avoid the rush about that date it is suggested that payments be made before that date. On a \$50 bond, the payment this time is \$17.50

Class 1 of the men who registered June 5, 1918, is being called on for special enlistments. One of the drafts is for four men to go to Spokane, men who are skilled in mechanical arts. Another call is for men who have had experience in logging. They are wanted to work in getting out airplane timber. Willford W. Williams of 809 South High has already volunteered for this service. Twelve men from this class are called to entrain for Camp Fremont on August 5.

The Charles E. Archerd Implement Company is in the market for all kinds of hay. 7-19

Now is the crest of the canning season and of course there is the federal restrictions as to the amount of sugar a person may use. The regulation is it now stands is that each grocer may sell his customer 25 pounds of sugar for canning purposes by the signing of a card stating the sugar is to be used exclusively for canning. Those who need more than 25 pounds must apply to the county food administrator and this is attended to at the Commercial club.

The city alderman went on record last evening as opposed to playgrounds for children. A bill was before the council for appropriating \$300 for maintaining the playgrounds in Albert Park, the same as last year but it was killed by a vote of five to four. An ordinance was introduced by Alderman Moore providing that it shall be unlawful for vehicles to stand or be driven abreast on the streets of Salem. It is provided that this in no manner should refer to the passing of vehicles. City Recorder Race was authorized to buy 50 cords of wood at the open market.
