**Court House News**

A complaint was filed in the circuit court July 16, by R. L. Swarts against Mark S. Skiff and J. M. Crahan, in which Swarts alleges that a co-partnership was entered into between him and Skiff and Crahan, in April of this year for the purpose of sawing and the manufacturing of lumber, ties and bridge timber. He alleges that the sawmill is near Orville, Oregon, and that the company has on hand machinery to the value of \$1200 and a lease on 400 acres of timber.

That on July 19, 1918, Skiff and Crahan served notice on him of their intention to dissolve the partnership and that they have been destroying the mill and attempting to take possession of the assets to form a new business.

He prays that the partnership be dissolved and an account taken and that the property of the firm be sold and its liabilities paid off. Also, asks that the defendants be enjoined from disposing of the partnership debts or money or property. He asks \$5,000 damages and for the appointment of R. N. Hoover as receiver.

**Second Battalion Drill Last Night**

The 2nd battalion, Oregon Guard, at the battalion drill held last evening at the High school athletic field was given a most enthusiastic reception by the thousands who went to the grounds to see the maneuvers of the battalion besides hearing a band concert. The general opinion is that the boys have wonderfully improved in drilling and discipline during the past month or so and that now they appear as veterans.

The movements of the battalion were especially pleasing. One was when the march was in battalion front towards the grand stand and the other was when they appeared in formal review as the band played "The Star Spangled Banner."

The presence of the band aided greatly in giving general pep to the movements of the company, especially in the battalion parade. Perhaps the most impressive moment was when the band played the national anthem and the battalion came to "present arms," all officers standing at salute and the spectators with uncovered heads.

The Silverton boys, company H, commanded by Captain Ernest M. Smith, won their full share of applause. About 80 of the company were present and the boys made a fine military showing.

**BATTLE PROCEEDS FURIOUSLY.**

Paris, July 17.—The battle is proceeding furiously on various sectors along the whole fifty mile battle front in the Champagne, the French war office reported today.

The fighting is particularly violent south of the Marne (where Americans after clearing their own sector of the Germans, are aiding the French to their right).

Other battles are proceeding between the Marne and Rheims, and east of Rheims. At no point have the Germans made any considerable gains.

South of the Marne, the Germans are pushing forward, new forces and in the evening attacked the heights north of St. Agnan and Lachapelle-Monthu-serie. The battle is proceeding furiously on the wooded slopes to the southward. (St. Agnan is nine miles east and south of Chateau Thierry).

**FIVE ATTACKS REPULSED**

London, July 17.—The Germans delivered five severe attacks on the sixteen mile front between the Suippe valley and Main de Massiges yesterday evening, but were repulsed with the heaviest losses, it was learned from an authoritative source today.

The French and American lost no guns and their casualties were extremely light.

The German estimate of 13,000 prisoners is declared to be grossly exaggerated.

has three members you should know if you desire to enjoy life.

1. The popular liquid form of Peruna—the reliable tonic of the American household, with a long history of success in treating all catarrhal difficulties.
2. The tablet form, which is made after the same formula and is more convenient for many.
3. Manalin, the ideal laxative, by the regular use of which constipation may be overcome and natural action restored. Manalin has no habit forming drug, but is an aid to nature.

Your druggist has all three. So many thousands have received benefit from the use of one or both these remedies that they are a recognized part of the equipment of every careful household.
