### Stayton Catholic Foresters Dedicate Flag

(Capital Journal Special Service)

Stayton, July 18.—The dedication of the service flag of the Catholic Order of Foresters of this city and the raising of a large U. S. flag by the parish was held Sunday afternoon, and was an impressive and entertaining ceremony. The members of the Order of Foresters assembled in the Odd Fellows' hall and at about three o'clock, headed by the Mt. Angel band, marched to the church grounds. In the procession, immediately following the band were some of the veterans of the civil war, with their own banner.

Arriving at the grounds, where benches had been arranged for the audience and a covered stage for the speakers, Rev. Father Laine delivered a short but patriotic talk, following which he blessed the service flag.

America was then sung by the audience, led by the church choir. Next the large Old Glory was unfurled to the breeze, E. Shepherd, commander of the Grand Army post, raising the standard. A tall pole had been erected from which to fly it, and while the band played and the audience sang the Star Spangled Banner, it was raised as a mark of the patriotism and loyalty of the members of the Catholic church in the parish. Hon. Thos. Brown of Salem, was introduced after a few appropriate remarks by the chairman of the day, W. P. Klecker. Mr. Brown spoke interestingly for a few minutes, and was followed by Hon. Peter D'Arcy, of Salem. His address was entertaining and instructive. Full of patriotism, and showing briefly the part the members of the Catholic church had taken in building up one of the grandest democracies the world has ever known and in preserving it intact when assailed by foes within its borders. He was attentively listened to. Rev. Father Laine then thanked the old veterans present for taking part on the program, and the audience for its presence. Benediction was given in the church immediately after the exercises closed, and he invited all who desired to attend. Following this the band headed the procession to the Odd Fellows hall, where the Foresters held a meeting.

There was a large attendance of people from all parts of the county, and all were pleased with the manner in which the exercises were carried out.

There are nineteen stars on the service flag which was dedicated, all representing young men from this parish. While away doing their part that their country may remain free, they will be remembered by the Foresters.

Brown and J. H. Thoma, who have been with the old firm, will remain for a time with the new company. The Browns have been connected with the saw mill here for many years, coming here when the town was a small village, and they have increased the size of the mill from a very small concern to its present size.

Mrs. Esther Stamp, who is employed in the eastern Oregon hospital for the insane at Pendleton, is visiting with her children and her sisters, Mrs. G. L. Brown and Mrs. Dr. Brown.

Walter M. Pierce, democratic nominee for governor, addressed the members of the Oregon guard and a large assemblage of citizens on the school campus Monday evening. Mr. Pierce delivered a stirring, interesting, patriotic address, emphasizing all who heard him with a desire to still further do their part in helping win the war.

He spoke of conditions likely to occur after the war, and favored the government making provision for the employment of soldiers on their return home after its close. The speech was devoid of any political coloring and was much enjoyed by all who heard it.

### Dr H. H. Powers Lectures At Monmouth Normal

(Capital Journal Special Service)

Monmouth, Or., July 16.—Dr. H. H. Powers, who visited Monmouth recently and gave a series of lectures at the Normal on "Why Serbia, Austria-Hungary are in the War," returned last week end to finish the series. The lecture Friday night on "Why the U. S. is in the war," Saturday on "Why Japan is in the war," and the final lecture of the series given Monday night were all interesting and instructive.

On Saturday, July 6, occurred the annual picnic of the Farmer's Union at Elkins school house. Among those who attended from this vicinity were Mr. and Mrs. P. O. Powell and Mr. and Mrs. Wm. Kiddle, Jr., Walter Pierce, democratic candidate for governor was present and made a splendid talk; also State Secretary Syke of the organization spoke in behalf of the order. Several foot races were enjoyed; each contestant was treated to ice cream by Candidate Pierce, much to their pleasure and also for the benefit of the Red Cross. P. O. Powell rendered several vocal solos.

The first picnic of the summer school was given last Wednesday by the Southern and Coast counties students' who motored out to the Luckinmatt and spent a very happy evening.

Mr. Ira Powell, who returned last week from a visit to his son at Fort Sam Houston, Texas, found the weather very hot there and says the extreme heat causes much sickness among the soldiers. Mr. Powell went and returned via California and he reports crop prospects better in Oregon than in any other part of the country he saw on route.

Mrs. J. S. Prime and children, Mrs. Perkins and Miss Mildred Force who have been picking Loganberries at the Robinson yard near Salem returned to their homes Thursday after spending several weeks there and report a pleasant and profitable outing.

Dr. J. O. Matthias of Willamina was a visitor in Monmouth one day last week.

Miss Gertie Hoover of Seattle, Wash., left Monday for her home after a two weeks visit with her aunt, Mrs. Lizzie Bowman.

Mr. Nahum Norton who has been working in the lumber industry at Blougett for some time, came home last week to harvest his crop and attend to other matters of business here. Mr. Norton was making \$4.50 per day getting out logs for a saw mill. He expects to go back soon.

Miss Hazel Bursell is improving her summer vacation by taking a business course at the Capital Business college. She is a state club winner and was an honor student and graduate of the Dallas high school this year, and expects to attend the Oregon Agricultural college in the fall.

Byron White is working in the Independence creamery as cream taster.

Captain Chaplain W. A. Elkins left for Fort Columbia, Thursday after leaving a five day furlough with his family here and helping them move into the new house. Mr. Elkins visited the local lodge of Oddfellows Monday night and made an interesting talk.

Mr. W. J. Stockholm has carpenters at work remodeling the house at Monmouth Orchard, building on a new kitchen and putting in a modern water system.

The monthly meeting of the grange, which was scheduled for Saturday evening was postponed until the evening of the second Saturday in August, owing to the very busy season it was thought best to hold the meetings in the evening for the three summer months.

A series of Sunday afternoon picnics are being planned by the grangers, to be held at some of the farm homes.

The cherry crop in this vicinity has been harvested and turned out much better than was expected. A. M. Grant delivered 1500 pounds to a Salem cannery last week at 8c per lb.

Millard Bowman and family of the Imperial Valley, Cal., are now living in Salem.

Jay Knapp returned last week from New York where he had gone with one of the new government vessels, sailing from Flavel to New York, through the Panama Canal. Jay had been working in the ship yards and by chance got to take this trip, working as waiter on the boat. He enjoyed the trip very much, and expects to make a similar one again and perhaps go on to France.

T. J. Edwards received a new tractor the first of the week delivered from Vick Bros. of Salem.

Oscar Zook who expected to go to the training camp with the last of class one of the Polk county boys on the 22nd, was much disappointed to find himself rejected on account of being one inch too short.

Much grain is being cut in this vicinity and from present indications it will not take long to thresh it, as the continued drought together with aphids have made the yield light.
