Are Here Told the Best Remedy for Their Troubles.

Freemont, 0.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change — heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. Goddan, 925 Napoleon St., Fremont, Obio.

North Haven, Conn.—"Lydia E. Pinkham's Vegeta-ble Compound restored my health after everything else had failed when passing through change of life. There is nothing like it to overcome the trying symptoms." —Mrs. FLORENCE ISELLA, Box 197, North Haven, Conn.

The fighting unity of France and America was illustrated by the fact the battering goes on west of Rhiems.

"Siossons" is on all American lips Americans drove French motor tracks with such speed that the situation it and Frenchmen drove American tracks most favorable.

Doughboys, constituting the reserves rode forward on trucks and ammunition wagons cating beans and slum as they benneed over the uneven ground. They had not halted to eat in the last 24 hours but they were grinning and satisfied at the prospect of "cating up ; few Heinics,"

The little French "fly" tanks were remarkably effective. The Americans worked behind hem like veterans as they rolled across the fields and up the streets of the villages.

When the attack was being planned Wednesday night, a certain American general suggested that his troops should advance to a certain point.

And now comes a more serious period when the joy of real motherhood should be as tranquil as best efforts can provide. This is accomplished with a wonderful remoty known as Mother's Friend. An external application so penetrating in its nature as to thoroughly lubricate the myriad network of cords, tendons, nerves and muscles just beneath the skin of the abdomen.

It relieves the tension, prevents tenderness and pain at the crisis and enables the abdomen to expand gently. The muscles contract naturally after buby arrives and the orm is thus preserved.

It should be applied daily, night and more
