# BOARD DISAGREES

#### **Decision Of Supreme Court** On Budget Law Effects' **School Districts**

At a meeting of the school board of At a meeting of the school board of act, and 15 were from public utility directors held last evening, there was corporations not subject to the provissome differences of opinion in regard io to the erection of a building to care which was a trespasser, and one being for the metal trade working depart. a passenger. ment, to be established this fall

H L. Clark, favored the erection of a building of brick or cement that would cost the district about \$5000. The majority of the betrd favored a wooden or corrugated iron temporary wooden or corrugated iron temporary building figuring that such a tempor ary structure would asser all the pre-sent purposes and that the permanent building could be creeted later when building materials were not at the pre-sent top figure.

When Director Clark brought up the legality of the board spending money for the metal trades school, it was shown that from a legal standpoint the question had been passed on by At-Carl Lanke, age 45, has filed his State Superintendent Churchill. T department to be nganized this fall would some under the head of betterment of the high school. The board also had the written opinion of Smith & Shields, school attorneys, that as long as the board incurred no indebtedness, it could legally erect the buildings, bu \* it could legally erect the burning with that it was not authorized, on the other \* hand, to incur a debt against the dis trict more than the budget called for

In a question as to the budget pr Director W. C. brought out the point that in a recen' decision of the supreme court in the case of Martin versus Gilliam county, cepting as it applied to counties. The nestion had been brought up as to shetner meney could be used for the metal trades work, as it had not been a voted in the budget. Now according to \* new budget law is null and void. These questions were brought out from the fact that Director H. L. Chris-

was opposed to the new departure for Superintendent Churchill and On motion of Chauncey Bishop, bids other of corrugated iron, both to have cencrete floors.

DESECRATION OF THE FLAG.

At a recent meeting Sedgwick Won ens Relief Corps, Auxiliary to Sedg-wick Post of the Grand Army of the Republic, the fellowing was voiced as the sentiments of the copps. We, most \* sincerely disapprove of the use of Old \* Glory as a decoration for the backs \* and radiators of automobiles or any place where anything is liable to be placed upon it

Rules governing the display of our 2 + \* \* \* \* \* \* \* \* \* nation's emblem, say that whenever possible the flag should float from the taff, and should never be draped.

We believe that the misuse of the a or ignorance of the laws governing its | display, but in such times as these \*
when our whole nation is in arms to \* preserve and perpetuate the principles for which "Old Glory" stands, we can a but feel that such thoubtlessness and \*
