## DARIUS C. BRIGHT DIES OF INJURIES

### Motorcycle Overturned In Attempt To Avoid Collision With Street Car

Darius O. Bright, age 23, of Salem, received injuries from which he died two hours later at the Salem hospital when he ran his motorcycle into a moving street car Sunday evening at Hood and Fifth streets.

The street car was traveling at its usual speed of 15 miles an hour east on Hood street. Bright was going north on Fifth street at a pretty rapid rate and evidently did not see the street car until within a distance of 30 feet.

According to those who saw the tragedy, he attempted to turn his motorcycle east on Hood as soon as he saw the street car. But his speed was so great that the motorcycle fell with the rider and slid a distance of 25 feet on the paved road, striking the street car exactly in the center, between the two trucks.

He slid feet first under the moving car, but the motorcycle wedged in between him and the front break beam of the rear truck. This prevented the car from running over him as the motorcycle along with Bright was dragged a distance of 50 feet before the street car was stopped.

It is understood that he had been trying out a motorcycle and had been riding up and down Fifth street about two hours. For some time he had been employed with the firm of Scott & Piper and since this firm closed out their business, has been employed by Clyde Ramsden on South High street. He had been married about three months and his home was 1705 North Fifth street.

## Court House News

M. S. Lange and wife have filed a complaint against Clifford Taylor and wife in the circuit court. They allege that Taylor and wife are unlawfully in possession of about 21 acres of land and also that they have wasted and destroyed valuable timber to the value of \$500. The land in question is valued at \$1500 and the plaintiffs sue for \$2000 and possession of the land.

John H. Porter guardian ad litem of the minor heirs in the case of Josie M. Moe versus Clarence A. Porter, Annis R. Porter, Frank M. Porter, Geo. W. Porter and Fay J. Porter suggests that the motion be granted in which it was asked that three disinterested persons be appointed to administer the dower rights in the case. He suggested the appointment of F. E. Callister, Edward S. Porter and Chas. H. Long.

A marriage certificate was issued Saturday to Merle Putnam, 20, a candy maker of Salem and Clea McFarlane, 17, of Salem. Also to Mikko Brooks, 28 of Salem, a laborer, and Lena Mae Tanguay, 22, of Salem.

F. E. Callister, Ed R. Adams and M. G. Gunderson were appointed appraisers by the county court of the estate of Lillian A. Dixon, a minor. They found \$1000 in the Soolidge & McLain bank of Silverton. The appraisal was made in order that the bond of the guardian to be appointed by the court should be properly fixed.

## Market Reactionary In Wall Street Today

New York, July 22.—The Evening Sun financial review today said: In a narrow, quiet and moderately reactionary market today, the professionals, who monopolized trading, continued to express disappointment over the failure of the public to respond to the successes achieved by the allies in their counter offensive.

The opening was strong, but the traders soon found that buying orders were conspicuous by their absence and the early trading was a quiet affair. Advances were shown in Brooklyn Rapid Transit, Atchison, St. Paul, New Haven, Western Maryland and a few other stocks, such as American Smelters, Hide and Leather Preferred, International Nickel and Marine Preferred. On the other hand, early losses of a point or more were made by United States Steel, Corn Products, Industrial Alcohol, Anaconda, Baldwin Locomotive, Republic Steel and Inspiration and a number of the less active industrials.

MISS LISKA WILL SING

Intermezzo, The Rose

Selection, The Royal Chef Jerome

March, Garland Entree King

America

OSCAR STEELHAMMER, Director.

Children Cry FOR FLETCHER'S CASTORIA

## BRIDGE CELEBRATION WILL BE BIG EVENT

### Speakers' Stand And Seats Will Be Built On Water Street North of Bridge

Plans for the great bridge dedication are going forward rapidly and the various committees are holding meetings, each doing their special line of preparation.

The building committee, with F. B. Southwick as chairman, has arranged to build the speakers' grand stand and seats on Water street on the north side of the approach to the bridge. The committee on decoration with Paul Stege as chairman has practically completed an outline of their plans for the decoration of the new bridge and Marion square.

Mrs. John H. Carson, in charge of the Red Cross auxiliaries, has notified all Polk and Marion county auxiliaries and explained that whatever each shall make from their booth on that day, shall go into the treasury of the separate auxiliaries.

Tuesday evening of this week the executive committee will meet at the Commercial club and practically complete plans for the great event of Tuesday July 30, when it is expected more than 15,000 people will come to Salem to assist in the dedication ceremonies.

## German Defeat Was "Magnificent Feat"

Washington, July 22.—General Ludendorff has accomplished a magnificent feat of arms, according to the German press, and the original passage over the Marne was only a diversion.

Zurich cables received today stated:

Commenting upon the Franco-American successes, the Berliner Tageblatt declares that "the French plan aimed at the destruction of the German army and consequently it has failed. The passage of the Marne by our troops was only a diversion, in the plans of the German command, and in withdrawing these Ludendorff has accomplished a magnificent feat of arms."

During the past 24 hours, numerous reports preparing the German public for the disappointing news awaiting them, have appeared.

## Jellies For Soldiers In National Camps

Soldiers in the hospitals of the near-by cantonments will have plenty of jellies and canned fruit this fall and it will all be due to the patriotic efforts of the women of the northwest.

Under the direction of the National League for Women's Service a branch has been organized in Salem and active canvassing will begin next Thursday in the domestic science rooms of the High school building.

No expenses will be incurred in this patriotic work, as it is felt that fruit will be donated and that the women of Salem interested will give their time for the causing. Those who have fruit which they feel disposed to give, should telephone Mrs. F. G. Bowersox, 2502J during the morning hours and it will be her duty to see that either pickers are furnished or the fruit collected.

Mrs. J. J. Roberts is in charge of the committee to collect the fruit. Mrs. L. L. Patterson is general chairman for Marion and Polk counties.

Canned fruits, jams and jellies of all kinds will be acceptable as a gift for these hospitals and any housekeeper who cannot give for this special causing work may send a few cans to the high school or notify the collection committee in charge of Mrs. J. J. Roberts.

Volunteers are asked to help prepare the fruit for canning and to report at the high school Thursday morning.

## Directors Have Authority To Construct Building

Attorney General Brown has issued an opinion to J. A. Churchill superintendent of public instruction, holding that the directors of a school district have authority to construct an addition to a high school building for the purpose of housing machinery to be used in connection with industrial training, without a vote of the electors of the district.

The opinion applies to the controversy which has been going on in the Salem school board over the establishment of an industrial training course. According to the opinion of the attorney general, the board may proceed with the construction of the building which has been approved by a majority of the members of the board. The budget adopted at the recent annual meeting of the school board made provision for the building, and it is because of the fact that the attorney general holds the board has ample authority to proceed.

## RAILROAD LAND DRAWING ON TODAY

### Large Crowd Present Richard Muller Draws First Envelope

Portland, Or., July 22.—Before a crowd which tared the United States land office, drawings of the Oregon and California grant lands were made today.

The first envelope drawn bore the name of Robert Richard Oscar Muller of Colton, Or., and was for tract number 21. His serial number was 5535.

On a total of about 240 tracts there were 2027 applications, or an average of more than four applications for a tract. Fifty or more applications were filed on some tracts as some of the lands are near Portland and suitable for farming.

Applications may be received on the remainder of the tracts up to August 1, after which time the applications will be acted upon according to the time filed.

The following were drawn in their order: Amund Munson, Jr., unit 241; Robert Abraham, 500; Eunastee B. Scott 610; Crecentia Wright, 592; Oliver Champagne, 490; Anna Wilkins, 598; Merton Mack, 621 Emma B. Shipley, 606.
