ADVANCE AGAIN TODAY

By Lowell Mellett
(United Press staff correspondent)

With the French Armies in the Field July 25.—(1:30 p. m.)—Allied forces, after being pushed back at some points on the east and south end of the Soissons-Rheims pocket, advanced again today, progressing beyond yesterday's lost territory in several places.

With the strength of desperation, the Germans succeeded in staying the allied waves slightly last night and this morning, but our troops methodically took up their forward movement as soon as the fury of the enemy assaults was expended.

The heaviest German effort apparently was aimed at the new Franco-British position beyond Vigny (southwest of Rheims) where counter attacks were launched on a huge scale.

Along Italian Front

Silverton Man Insane Result of Sickness In Army Cantonment

(Capital Journal Special Service)

Silverton, Or., July 25.—Fred Miller son of I. W. Miller of this city, is insane according to a telegram received here yesterday from one of the cantonments in southern California where Miller has been for some time. He contracted disease several months ago and has been in a hospital for some time.

He is said to be in a hopeless condition. The boy's father is in Illinois at present and it is not known what disposition will be made of the case. Fred Miller is the oldest of four boys of that family now serving in the army. He enlisted several years before the trouble in Mexico and was one of the first to go to the border.

Ten young ladies of Silverton are now employed in the Silver Falls mill working in the planer department. It is said that others will engage in that work if the shortage of help continues.

Miss Marie Jones, who was for a number of years employed in the post office in Silverton, has accepted a similar position at Aberdeen, Wash.

Rev. E. M. Smith and wife are attending the Epworth League convention at Jefferson this week. Rev. Smith is president of the District Epworth League. He will endeavor to have the convention meet in Silverton next year.

Bernard Wolford, who has been employed in J. Wolford & Company's store for a number of years, has accepted a position in Tacoma, Wash.

Mrs. Geo. W. Davis and her sister, Mrs. Vivian Brown, returned from California Tuesday after a visit of two months. Mrs. Davis will teach school here this year.

J. C. Eastman purchased a new Indian motorcycle a few days ago and while trying it out took a "spill" which resulted in severely bruising him.

While bathing in Silver Creek Sunday afternoon with a number of other young ladies, Miss Maude Sayer came near losing her life by drowning. She was rescued by a young man who happened to be near at the time of the accident. Miss Sayer was holding onto a log floating around in a deep pool of water and in some manner lost her hold and went under. As she came to the top the young man leaped into the water and brought her safely to land.

Several members of the Salem, Modalla and Scotts Mills lodges visited the L. O. O. F. lodge here Saturday night. The occasion was public installation and the dedication of a new flag. Dr. A. F. Blackberry of Silverton delivered the address of welcome and Hon. Thos. Ryan of Salem delivered the dedication address. More than two hundred people were in attendance, and one of the big features was a banquet.

Are You One of Them?
There are a great many people who would be very much benefited by taking Chamberlain's Tablets for a weak or disordered stomach. Are you one of them? Mrs. M. R. Seal, Baldwinville, N. Y., relates her experience in the use of these tablets: "I had a bad spell with my stomach about six months ago, and was troubled for two or three weeks with gas and severe pains in the pit of my stomach. Our druggist advised me to take Chamberlain's Tablets. I took a bottle home and the first dose relieved me wonderfully, and I kept on taking them until I was cured." These tablets do not relieve pain, but after the pain has been relieved may prevent its recurrence.

TO EDUCATE SOLDIERS
Chicago, July 25.—A fund of \$2,500, 000, gift of I. W. Noyes, Chicago philanthropist, was at the disposal of Chicago university today. The endowment was made for the education of American soldiers and their children. Mr. Noyes said the fund was provided to express his "gratitude to those who ventured the supreme sacrifice of life for their country and the freedom of mankind."

M'GOORTY IS CHAMPION
Chicago, July 25.—Army officers today formally claimed the world middle weight boxing championship for the winner of the McGoorty-Harry Greb match at Fort Sheridan Saturday. McGoorty will be backed by funds raised at Camp Grant where he is in training. Greb is a Great Lake jockey. The battle previously was styled a "service championship match." With the American Armies in France July 25.—(2 p. m.)—American troops, continuing their advance north and northeast of Chateau-Thierry, are driving upon Pere-en-Tardenois in an unbroken front of more than ten miles. Big fires are reported in Pere-En-Tardenois and Oulchy-Le-Chateau. In addition to the fires caused by allied bombardment, the Germans are blowing up ammunition dumps, evidently in preparation for evacuation. Oulchy-Le-Chateau has been outflanked, however, and a get away will be difficult.

The Americans are encountering violent resistance in Armentieres, on the south bank of the Opreq (two miles southeast of Oulchy-Le-Chateau) where the Germans have strongly fortified the cathedral and the adjacent forest. Our machine gunners and infantry stormed the village and forest after the artillery had bombarded them. American and French troops also
