NORTH HOWELL NEWS

(Capital Journal Special Service.) North Howell, Aug. 2.—Mr. and Mrs. John Ingelbreton of Nebraska, are spending the summer months with Mrs. Ingelbreton's daughter, Mrs. August Woelke and Mrs. Lester Waltman. Ovid Cooley is spending the summer in the harvest fields of eastern Oregon. W. J. Jefferson received word from his son Chester that he had arrived safe in France. Those who motored to Willhoit Sunday, 21st were: Mr. and Mrs. Geo. Vinton and family, Mr. and Mrs. C. E. McFywan, Mr. and Mrs. Lester Waltman, Mr. and Mrs. August Woelke, Mr. and Mrs. Ingelbreton, Mr. and Mrs. Burr Ashwell, Misses Eva Stevens and Gladys Oddie. A party of Salem Grangers motored out to attend the meeting of North Howell Grange Saturday evening. Fresh cream was served to the members after the meeting. Mr. and Mrs. Thos. Bump motored to Abiqua falls Sunday, and report the trout fishing great up there. Chas. Russ and O. V. Howard were two North Howell boys who entrained at Woodburn the 25th for Camp Lewis. Threshing is now in full blast here—they didn't even stop for the bridge celebration. Little Elizabeth Ashwell was taken to the hospital in Salem, Friday where her throat was operated on. She is recovering nicely.

DONALD DOINGS

(Capital Journal Special Service.) Donald, Or., Aug. 2.—The hum of the threshing machine is heard near Donald these days. A. E. Felton started his threshing machine several days ago, threshing at the Williams Bros. place on Wednesday. Grain is light because of the dry season. The M. W. Johnson Co., have taken over the ice cream and soda pop business.

ness of Ben Quin and will be ready at all times to enter to the hot and sunny crowd coming their way. Remember the brick store is the place these hot days. Misses Maudie and Lilly Miller went to Salem Wednesday for a short visit. Mrs. W. Hamilton went to Portland Saturday for a short visit with her brother, James Higgins of Michigan. Mrs. Grimm, who has been visiting her mother Mrs. A. E. Paine for some time, left on Wednesday for her home in Portland. She and her daughter will soon leave for the beach to remain for some time. Mr. and Mrs. Cram and daughter near Aurora were shopping in Donald on Wednesday. Mrs. A. E. Filleu and Mrs. S. Mercet attended the bridge opening in Salem on Tuesday and report an interesting time. Mrs. Chadima of Portland is visiting her daughter, Mrs. Fred Sexsmith. Miss Sophia Epper and Gertrude are visiting Willes Eppus at Quinaby during the week. Mrs. M. W. Johnson returned from the Washington beach on Tuesday after a ten days sojourn at Ocean Park and South Bend. An annual number of visitors were stopping on the beach, considering it is war times. Mr. Anderson, son-in-law of L. P. Swan, shipped his household goods from Portland. They are moving out to Champeong. The cheese factory of Donald has closed down for the present. Doubtless it will start up again when fall comes. We are glad to note the arrival of the Collier and Perry families in Donald once more and hope they may become permanent residents this time, after a stay of a few weeks in Washington. C. B. Wilson of Woodburn our Zeroleno man was filling tanks and barrels in Donald on Wednesday. Mrs. C. J. Espey and children and two maids are spending this week in Portland. The following named families made a party to Willhoit springs last Sunday: Mr. and Mrs. Rich, mother and children; Mr. and Mrs. Dave Pendleton, son and daughter; and the Jim Ryan family. when they will go on to Eugene for a stay. We are sorry to note the serious illness of Mrs. Delbert Yergin, but glad to know she is improving at present. Mrs. Snyder of Aurora spent Wednesday in Donald with her sister, Mrs. Johnston. Mr. and Mrs. F. L. Allen of Vancouver, Washington, and M. W. Johnson were dinner guests at the C. J. Espey country home. While Mrs. Johnson was at the beach, Mr. Espey came after them in his car, getting them back in time for the Allens to get the 6:17 car for Portland.

Few Drops on a Corn or Callus

Instantly stops pain and they lift right off with fingers. This tiny bottle holds the wonder of wonders. It contains an almost magical drug called freezone. It is a compound made from ether. Apply a few drops of this freezone upon a tender, aching corn or a hardened callus. Instantly the soreness disappears and shortly you will find the corn or callus so shriveled and loose that you just lift it off with your fingers. It doesn't hurt one particle. You feel no pain or soreness when applying freezone or afterwards. It doesn't even irritate the skin. Just ask in any drug store for a small bottle of freezone. This will cost but a few cents but will positively rid your poor, suffering foot of every 3412345612 hard corn, soft corn, or corn between the toes, or the tough calluses on bottom of foot. Women! Keep a tiny bottle on the dresser and never let a corn ache twice.

FRUITLAND

(Capital Journal Special Service.) Fruitland, Aug. 2.—Friday the 26th, Miss Esther Bowers of this place became the wife of H. B. Woods of Portland. Mr. Woods is employed at the government boiler works located in North Portland. Thus our Fruitland girls are joining the ranks of the married folks. Just a few left. Yes, the hoe may be kept going now but perhaps as much harm as good can be done. Cultivation and dust mauling that was done just before the last rain left a compact crust on the surface. This is now dry on top. Underneath the ground is moist. This crust holds in the moisture. If it is disturbed by hoeing, this moisture will soon dry out and be lost. If there are weeds that need removing pull them up or hoe as little as possible so as not to break the protecting crust. About all Fruitland attended the bridge opening at Salem Tuesday. Mr. and Mrs. William Paetok are at the coast having motored there a few days ago. This is good "corn weather." One can almost see it grow. By test one will grow about 3 inches in 4 days. The crown prince is "getting it in the neck" and in some other places, so that Paris is as far off as ever. It is now Corporal Oswald Pfeiffer. This is the position of one of our Fruitland boys at Camp Lewis. M. M. Ransom and Mrs. Ransom, former residents of Fruitland, have returned to Salem from Colorado to which state they removed about a year ago, exchanging property here for property there. I am told they wish to purchase a home here. With many, Salem and vicinity are a little like an advertised brand of chewing gum, "The tacho lingers." In the address of Dr. Lovejoy at Salem Tuesday we had another reminder of Hun brutality and devilish lust. An Apache savage would blush to commit such acts, but with "me and Gott" it is the proper thing. The more of these hellions our boys and the allies can kill the better. Such monsters are fit only for lizzard meat and land fertilizer. Let the good work go on. One of these days the God of vengeance will raise his hand, then eternal justice will be done. Let us help hasten the time. A neighbor states a few years ago he sold hay for \$2.50 and \$3.00 a ton. Such hay now sells for \$20. Then butler was 30 cents a pound. In proportion to the price of hay now, butler
