The property at 636 North Front street, willed by Mrs. George E. Hatch to the Old Peoples Home of Salem is known as "the old Hatch homestead." It was purchased Jan. 30, 1863, by P. H. Hatch from J. B. Nichols. An August 14, 1891 the property was deeded by P. H. Hatch to George E. Hatch, the veteran mail carrier. He deeded the home to his wife Mrs. Lizzie M. Hatch on January 27, 1917. The estimated value of the home is about \$2000. Mrs. Hatch died June 30, 1918.

The war department has ordered the Marion county board of exemption to appoint a special board of instruction to give prospective soldiers general instructions as to their responsibilities, duties and rights of the soldier. Rollin K. Page was appointed chairman of the board. Dr. Frank E. Brown vice chairman, and as associates, Roy F. Shields, Major A. A. Hall and Prof. J. C. Nelson. The board will have power to call in men of class 1 to give them general information that a soldier should know.

R. W. Simeral was elected captain of the new Oregon Guard company mustered in at the armory by Lieutenant Colonel A. T. Woolpert last evening. A. B. Poole was elected first lieutenant and Lester B. Davis second lieutenant. With the mustering in of this company Salem will have four companies of Oregon Guard. The designation of the new company has not as yet been given and for a time it will be an independent company.

J. Robertson Brooks, youngest son of Mrs. Mildred R. Brooks, writes from Camp Forrest, Georgia, near Chattanooga, that the thermometer is registering 106 above in the shade and that there is no shade in the camp. He enlisted in the engineer corps June 4, 1918, and was sent to Camp Humphreys about 20 miles from Washington, D. C. The camp at that place was on the old Lord Halifax estate. Even near Washington he found the weather intolerably hot during July.

W. F. Drager, manager of the Drager Fruit company, is not especially alarmed regarding the prune crop, although there has been some rumors floating around that the crops were about all in, due to a disease probably caused by the dry season and the fruit taking up too much alkali from the ground. After a tour of the county Mr. Drager is inclined to think that the damage is largely over-estimated. There is considerable of this stain or bruise on the prunes in the Waldo hills in the Jefferson district and around Shaw. But conditions are not thought to be very serious. There has been some dropping and this has been the prunes that have the dark stain or discolored tissues.

Oscar Steelhammer, director of the Cherrin band some time ago told a few of his friends in confidence that the soloists of the band concerts always received a lot of attention and the bouquets, but that the director got nothing. To correct this unfortunate condition, a few of his friends at the concert last evening presented Mr. Steelhammer with a bouquet about two feet tall and one foot wide, in recognition of his efforts as a trombone soloist. The bouquet was quite different from the usual as it was an artistic arrangement of thistle, potato vines, peacock feathers, with cigars growing as fruit. According to the friends of the band director the account is now balanced.

LIBERTY THEATRE

The Commercial club is receiving letters and circulars from Secretary McAdoo, in which the commercial clubs of the country are asked to discourage the practice of stores in receiving Liberty bonds in payment of accounts. It is explained that should this become the practice in general, thousands of bonds would be placed on the market, depreciating the market value and defeating to some extent the object in issuing bonds.

Machine Gun Company Organized Last Night

A machine gun company, to become part of the Oregon national guard was organized in Salem last evening at the armory with the election of the following officers: Leroy Hewlett, captain; L. R. M. Pierce, first lieutenant; George A. Schultz, second lieutenant.

The minimum for the organization of a machine gun company of the Oregon national guard is 53 men and of this number 43 enrolled at the meeting last evening, and to secure the number required, a meeting has been called for next Friday evening.

The Salem machine gun company will be the only one in the new regiment of Oregon national guard to be organized in Oregon. As the Oregon national guard companies may be federalized at any time and called into service, it is probable that the machine gun company organized last evening will soon receive its guns and equipment from the federal government. A large percentage of the men who enrolled last evening are men who have seen military workers, Mrs. John H. Carson, Mrs. Barrows and Mrs. Fred Stewart. The Spaulding Logging Co. he feels should receive credit for loaning all the lumber used in the booths and stands and then last but not least, the several expressmen in town who carried lumber about and helped otherwise. More than 5000 feet of lumber were used and 15 men helped during the last two days of preparation.

A. L. Wallace, chairman of the Red Cross flag souvenir committee, the flag that sold bridge day for 25 cents, reports that he has on hand the sum of \$1139.50 and that the Monmouth auxiliary with eight dozen flags and the Silvertown auxiliary with ten dozen flags have not as yet reported sales. The Dallas Red Cross auxiliary sold its quota of 12 dozen and has already sent in the money in payment. Independence auxiliary has also sent in the money for 10 dozen left with its auxiliary. The Marley Red Cross auxiliary returned all of its souvenir flags unsold, having sold not a single one of the ten dozen left with them.

F. B. Southwick, chairman of the building and parks committee for the great bridge day celebration says that he had a big job on his hands arranging all the seats and building the booths and that he would like to thank those who gave their time and labor. On the committee working with him were C. E. Van Patton, Fred Erixon, Frank Brown and Russell Smith. Others who materially aided in the work include A. J. Basse, E. J. Kurtz and of the Red Cross

Another Cured Of Cancer

Salem Doctor Is Recommended.

To Whom It May Concern: I was afflicted with a CANCER of my nose about as large as a good sized marble. Among others I applied to Dr. S. C. Stone of Salem for relief. The doctor applied a medicine for a few days and in about twelve days the cancer dropped out, the place healed up nicely and has caused me no trouble since. I can cheerfully recommend the doctor and his treatment to others who may be afflicted with cancer. This was in December, 1917.
