Plunged in Despair Over News From Front

Berne, Aug. 5.—The Marne defeat has produced unpeakable scenes of despair in Berlin, the Tagblatt declares. "Such outbursts of utter discouragement and downright despondency have never before been witnessed."
The Frankische Tage Post deplores the wild rumors that the Kaiser and Von Hindenburg have been assassinated and that Von Hindenburg was killed in a duel with the crown prince as betraying the most dangerous nervousness.
The government threatens severe penalties for the ones responsible for spreading these rumors.

FOUR CONVICTS WERE CAPTURED YESTERDAY

Ed Omar, Member Of Honor Gang, Latest To Escape, Saturday Night

Four convicts captured and one more to escape—that was the record for the state penitentiary yesterday. Vonon played an important part in the capture of Ed Omar, a member of the convict honor gang employed in the flax fields, is the socialist who escaped by slipping away from the camp during Saturday night. He is still at large.

The four convicts who were captured are Fred Thurber, who escaped last Monday night; with Bennett Thompson, the murderer, and James Kelly, H. A. Armstrong and C. D. Jones, three trustees who escaped Wednesday night.

Thurber was first seen Saturday by Mrs. James Ditson, who was traveling on the Powell Valley road between Portland and Gresham with her husband. They notified the constable at Gresham and with a deputy sheriff they returned and found Thurber and made the capture without difficulty.

The other three convicts were captured near Tualatin. They approached a house and asked for something to eat. The woman suspected them as being convicts and instead of giving them a handout she poked a shotgun into their faces and held them until the sheriff's office could be notified and a deputy sheriff arrive and take the men in custody. The officials at the penitentiary did not have the woman's name.

All four of the convicts are now behind the bars at the penitentiary once more.
Kelly is serving for burglary committed in Multnomah, Armstrong for larceny committed in Lane and Jones for burglary committed in Hood River.

Another family who are newcomers in Salem are Mr. and Mrs. Herbert Scott. They are from Portland and are at the Godfrey home, 405 North Liberty street. Mr. Scott is with the Wittenberg King company.

Mrs. Harry Hill of Miller street is entertaining at her home guests Mrs. George Shaw (Mama Monson) and son, Harry, of Ogden, Utah. They will visit in Salem about a week.

The Junior Guild of St. Paul's church will meet tomorrow afternoon at two thirty at the home of Mrs. L. S. Geer, 765 Marion street.

Port and Italian Girl Murdered By Lover

Portland, Aug. 5.—Mary Espina, 18, an Italian girl, was murdered early today and the police are searching for John Monocco, 24, as the murderer.
Seven bullets were fired into the girl's body from a revolver. Eugenio Espina, the girl's father, said Monocco first killed the girl and then escaped after beating the father.

Monocco had been paying attention to the girl for some time but her father ordered him away. When Monocco refused to leave the girl, Espina swore out a warrant against him and a court order was issued forcing him to leave Portland. He went to Seattle but returned to Portland Sunday.

SOCIETY

By MABEL GARRETT

A group of Portland people came up to Salem Saturday evening to spend Sunday with Mr. and Mrs. Colonel J. Olmstead, 476 Marion street. Their trip was a surprise as they came up to celebrate Mrs. Olmstead's birthday with her yesterday. The families were former friends in Michigan, where they used to live.

The party included Mr. and Mrs. Archie Mason and daughter Esther, Mr. and Mrs. F. A. Williams and three children Clyde, Genevieve and Robert. All of the party returned to Portland except Mrs. Williams and little son Robert, who will remain for several days.

A party of four women left this afternoon for an extended motoring trip into Washington state. They plan to go to Mt. Rainier to visit various places including Seattle, Tacoma and Camp Lewis. They will return in about ten days. Those who went were Mrs. C. K. Spaulding, Mrs. Walter L. Spaulding, Miss Ila Spaulding and Miss Miller, who is a sister of Mrs. Walter Spaulding, from Oregon City.

Accompanying her husband, Mrs. John McNary has left for the coast. They are planning to be gone for about a month and will visit in New York and Washington, though the larger part of the time will be spent with Senator Charles McNary, in Washington. Senator Charles McNary and John McNary are brothers.

A quiet wedding took place at the Leslie Methodist church Saturday morning when Morris William Welch of Salem claimed Miss Myrtle Lucille Goebel of Pratom as his bride. Rev. H. N. Aldrich performed the ring ceremony, which was used. Miss Grace Sherwood sang "O Promise Me," and the couple unattended entered to the strains of the wedding march played by Miss Ruth Fields. The church was artistically decorated with Shasta Daisies and hanging baskets appropriately placed.

The bride was dressed in a tailored suit of brown broadcloth and wore a hat to match.

Only the immediate families were present. After the ceremony the couple left for a motoring trip to the coast.

Mrs. Helena Yannek and daughter, Genevieve, 355 Chemeketa street, have returned from a vacation of several weeks at Newport.

Several families that are related are enjoying a pleasant vacation together at the coast. Some of them have left for Newport, which is their destination and others will leave tomorrow. Mr. and Mrs. A. A. Underhill, J. B. Littler, accompanied by his son, Robert, and mother left Thursday, while Mrs. Littler left yesterday. Tomorrow Mr. and Mrs. H. D. Hendricks will leave to join the party. The families have taken several cottages and are planning an outing of several weeks, though Mr. Littler will probably return Friday.

Among those having guests over Sunday were Mr. and Mrs. Robert Ewing, 1311 State street, when they entertained Mr. and Mrs. C. M. Huggins and daughter, Eloise, of Portland.

Another family who are newcomers in Salem are Mr. and Mrs. Herbert Scott. They are from Portland and are at the Godfrey home, 405 North Liberty street. Mr. Scott is with the Wittenberg King company.

Mrs. Harry Hill of Miller street is entertaining at her home guests Mrs. George Shaw (Mama Monson) and son, Harry, of Ogden, Utah. They will visit in Salem about a week.

The Junior Guild of St. Paul's church will meet tomorrow afternoon at two thirty at the home of Mrs. L. S. Geer, 765 Marion street.

Walk Erect At Eighty

Because a man or woman is old does not mean that they must walk along bent over and supported with a cane. A man can be as vigorous and healthy at eighty as at twenty if he aids the organs of the body in performing their functions. All diseases whether of a malignant or weak character tend to tear away our vitality. We must counteract disease in its incipient stage if you would live a happy and useful long life.

WAS FORCED TO GO OUT OF BUSINESS

Mrs. Hall's Health Failed Completely—Tanlac Restores Her

"I regret now that I did not take Tanlac sooner as I would not have had to sell out my business," said Mrs. Minnie Hall, proprietor of the lunch stand known as "Mother's Lunch" in the Farmers Market at Seattle, Washington, recently. Mrs. Hall has lived in Seattle for eighteen years and resides at 330 39th Ave., North West. Continuing her statement Mrs. Hall said:

"I had suffered from stomach trouble and nervousness for several years. My system got in a terribly rundown condition and kept getting worse until it resulted in nervous prostration. I sold out my business because I just could not hold out any longer. I was then taken to the hospital, where I lay for nearly two weeks, and when they carried me home I was no better off than before. My head ached so badly I felt like my eyes were weighted down with lead, and my back hurt so it felt like it would break, my stomach got in such a bad condition I could hardly eat anything, and what little I managed to force down would ferment, and the pain caused by it would almost draw me double. Gas would form and bloat me up so I could not wear my corset, and I was so nervous and miserable that I never knew what a good night's sleep was. I lost weight all the time, and had gotten in such a bad fix that I really thought my time had about come.

"Then as a last resort, I began taking Tanlac, as I had read and heard so much about it, and the first bottle made a big change in my feelings. I have taken four bottles now, and it has made such a wonderful improvement in my condition, that I have bought my business back, and am working everyday without the least bit of trouble. I have already gotten back fifteen pounds of my lost weight, and am not bothered any more with headaches or backache. My appetite is fine and my stomach is in such a good condition that I can eat just anything I want and never feel a sign of indigestion. I think so much of Tanlac, that whenever anyone comes to my stand and talks of having indigestion and stomach trouble, I always tell them to take Tanlac, and I know several people who take it because they know what it has done for me."

Tanlac is sold in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Goeh, in Gervais by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lyman H. Shorey, in Salem by Dr. S. C. Stone, in Silverton by Geo. A. Steelhammer, in Gates by Mrs. J. P. McCurdy and in Stayton by C. A. Beauchamp. (Adv.)

Jealousy Leads To Tragedy In Seattle

Seattle, Aug. 5.—Bettie Searwen, 24, stenographer, is in the city hospital here today with a bullet wound in her leg and two others are dead as the result of a shooting affair Saturday night.

Cleo Winborne, wife of Robert L. Winborne, 50 a barber, shot herself through the head after wounding the stenographer and killing the young girl's mother, who ran into the room where she heard a scuffle.

Insane jealousy was given as the motive by Miss Searwen at the hospital today where she sat with Robert Winborne at her side. She denied that Winborne had been faithless to his wife, but explained that they had lunched together and walked home together for years, having been acquainted in Chicago.

"Where Shopping Is a Pleasure"

SCHOOL GIRL TELLS OTHERS

How They Can Find Relief From Periodic Sufferings.

Nashua, N. H.—"I am nineteen years old and every month for two years I had such pains that I would often faint and have to leave school. I had such pain I did not know what to do with myself and tried no many remedies that were of no use. I read about Lydia E. Pinkham's Vegetable Compound in the newspapers and decided to try it, and that is how I found relief from pain and feel so much better than I use to. When I hear of any girl suffering as I did I tell them how Lydia E. Pinkham's Vegetable Compound helped me."—DELINA MARTIN, 25 Dowers St., Nashua, N. H.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, therefore is a perfectly safe remedy to give your daughter, who suffers from such painful periods as did Miss Martin.

The reason so many girls write Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice, is because from their 40 years experience they have a store of knowledge which is invariably helpful.
