### Annual Sangerfest of Norwegian Singers

The Pacific Coast Norwegian singers association will hold its annual "Sangerfest" at Portland, Ore., August 31st and September 1st and 2nd. The two great concerts will be given in the City Auditorium, Saturday evening, August 31st and Sunday evening, September 1st. This will be one of the great musical events of the season in Portland. The Norwegian singers of the Pacific Coast have had many successful "Sangerfests." It is confidently expected that this one will surpass them all. Two hundred or more trained voices in the men's chorus will sing our best songs. Mrs. Hansen-Olsen, formerly of Fargo, North Dakota, and Silverton, Oregon, now of Portland, and Mr. Halvorsen of Seattle, both renowned singers, will be the soloists.

**Chronic Constipation**  
It is by no means an easy matter to cure this disease, but it can be done in most instances by taking Chamberlain's Tablets and complying with the plain printed directions that accompany each package.

### One Hun Governor Is Told About Yankees

By Webb Miller.  
(United Press Staff Correspondent.)  
Paris, Aug. 3.—(By Mail.)—The latest issue of the mysterious patriotic newspaper, "La Libre Belgique," contains a sarcastic personal letter addressed to Gen. Von Falkenhausen, the military governor of occupied Belgium, informing him of the "whispering" that the Americans are preparing for Germany. The letter gives Falkenhausen the details of the wonderful growth of the American army recently announced in Washington.

As a result of the circulation of the letter, several Belgians have been arrested under suspicion of having aided in the publication and circulation of the little "underground" sheet. Falkenhausen ordered the military authorities to intensify their efforts to unearth the publishers of the newspaper. For three years German authorities have sought the source of the mysterious little journal, which appears irregularly throughout the invaded district with fiery denunciations and cutting sarcasm directed against the boche. At least three persons have been shot to death upon suspicion within the last two years, but "La Libre Belgique" still is published.

**Ask Anyone Who Has Used It**  
There are families who always aim to keep a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house for use in case it is needed, and find that it is not only a good investment but saves them no end of suffering. As to its reliability, ask anyone who has used it.

The Journal Job Department will print you anything in the stationery line—do it right and save you real money.

### State Training School Filled To Capacity

With 149 boys now at the state training school for boys, that institution is filled to capacity and no more boys will be received until room is provided by the dismissal of some of the boys who are at the school.

Superintendent Gilbert was authorized by the state board of control to notify all county courts to this effect.

And the boys who are at the school hereafter are to have "nighties", instead of sleeping in their underwear. Superintendent Gilbert will make the change as a means of preventing the boys from running away at night. He will have them disrobe in the basement and march to the dormitory, then their clothes will be locked up in the basement. Screens will also be put on the windows.

Frank Martin, a 15-year-old lad committed to the school from Coos county last month, is the latest boy to escape during the night. He got away Monday.

### A Strange Fact About Indigestion

A strange fact about indigestion with which comparatively few people are acquainted, is that nine times out of ten pain in the stomach after eating is due to food fermentation and acidity; which, as any doctor or druggist can tell you, is almost instantly relieved by taking a teaspoonful of pure Bi-nesia (powder form) in a little hot water immediately after eating or whenever pain is felt. Pure Bi-nesia is obtainable of druggists everywhere and if everyone would adopt this simple plan, indigestion, dyspepsia, sour stomach, gas and flatulence would soon be unknown.

night by tying bedclothes together and sliding from a window.

So many boys have been committed to the school and to make room for them others have been paroled so rapidly that Superintendent Gilbert said he now has no trained boy workers at the school. He said 175 boys have been received since last December and as many discharged. The average time a boy stays at the school now is five to six months, while before the minimum time was one year.

### TO THE RHINE.

By Charles B. Driscoll.

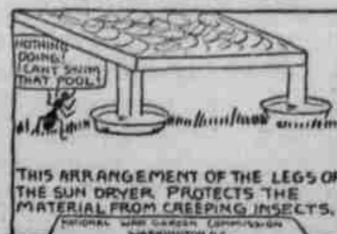

On to the Rhine, to the Rhine, to the Rhine!  
With the Hun on the run from the Hing denburg line,  
O Sammy boy, isn't victory fine!  
I can see in your eyes the ineffable shine  
Of a vision that sparkles like old Rhineish wine;  
It's the Rhine, it's the Rhine, it's the old River Rhine!

Ages behold your accomplishments bold  
And your story of glory will never grow old;  
How the conquering Huns back in terror you rolled,  
To the children of the freeman will ever be told;  
Yours is an honor with an ocean of gold!

Then on to the Rhine, to the old River Rhine,  
Where the stars in our banner like jewels shall shine!

**Stomach and Liver Troubles**
