KAISER AND "HINDY" HELP EARN MONEY FOR BELGIAN BABIES

Belgium Fete Success In Every Way; Substantial Fund Is Secured.

The Kaiser lost two heads and Hindenburg one ear at the Belgium Fete held yesterday in Wilson park for the benefit of the Belgian babies.

The Belgium Fete proved most successful in every respect, financially as well as in the pleasure given hundreds of people all afternoon and evening.

The opening event of the fete was the parade of the children in the afternoon under the direction of Mrs. T. A. Livesley.

The booth in which Yagoe boys were sold proved a winner and by 4 o'clock in the afternoon the stock was sold out with total receipts of \$69.50.

The grab bag was also popular and before the middle of the afternoon was sold out. However, patriotic workers hurried home and managed to keep a supply on hand at five cents per grab.

The cake offered at auction materialized to the receipts bringing \$37.50. Afterwards it was sold at from 25 to 50 cents a cut, according to the appetite of the buyer.

The Japanese garden proved most attractive. In fact business was so rushing in all booths and offerings that

A SPLENDID SENTIMENT

Portland, Or., Aug. 21.—"Men of the Grand Army of the Republic, we shall win the war."

That declaration of Commander in Chief Orlando Sowers of the G. A. R. in the annual address at the encampment today brought out a storm of cheers that continued several minutes.

When Prussianism shall have been crushed, our sons and our sons' sons will return to us and organize, not a grand army of the republic, but an army of the grand republic—the republic their fathers saved—the republic our sons have glorified," he said.

Many were sold out several times and even at 10 o'clock in the evening one patriotic worker went home to replenish the supply of ice cream. Fortune telling business was also flourishing.

HOPPE MUST WORK

New York, Aug. 21.—Willie Hoppe, world's champion 18.2 ball line billiard champion, has been ordered by his local draft board here to obtain more useful employment or be placed in class one A of the draft.

BUDGETS IN EXCESS OF STATE REVENUES BY ABOVE \$2,000,000

\$750,500 For New Buildings While State Police Will Take \$568,000

When the state tax commission meets next Friday afternoon to consider how much money to raise by an initiative bill to meet the needs of the state it will have for consideration budgets which total \$9,515,437, which is \$2,065,437 more than is in sight for the next two years to run the state government.

This total does not include the \$1,200,000 which would be needed by the state industrial accident commission if the state aid feature was left in the workmen's compensation law, as the commission has recommended that this feature be eliminated by the next legislature.

The amount of money which will be available by direct taxation under the six per cent tax limitation during the next two years is given at \$6,218,063, while in addition it is estimated that fees and licenses and other sources of indirect income will bring into the state treasury approximately \$1,230,000, making the total sum available \$7,450,000.

In the various budgets are requests for new buildings which total \$750,000, while \$610,000 is to take care of deficiencies incurred in the appropriations for the present biennium, and \$568,089 for the state police, and national guard. Many of the requests for new buildings undoubtedly will be cut out, while it is expected the budgets will be trimmed in other respects until the surplus demands are reduced to approximately \$1,000,000.

The requests for new buildings include the following: State fair board, new coliseum, \$75,000. Monmouth Normal, addition to heating plant \$5000. O. A. C. buildings to meet war emergency \$30,000. U. of O. woman's dormitory \$100,000. U. of O. army \$100,000. Eastern Oregon hospital, new wing \$140,000. Eastern Oregon hospital, new residence \$7000. Tuberculosis hospital, pavilion \$15,000. Tuberculosis hospital, superintendent's residence \$5500. Institution for feeble minded, new dormitory \$140,000. Industrial school for girls, new dormitory \$25,500. Penitentiary, new cell house \$100,000. Total \$750,500.

Deficiencies for the present biennium are included in the budgets as follows: Bounties on wild animals \$10,000; Oregon state hospital \$100,000; tuberculosis hospital \$9000; state board of health \$15,000; Oregon social hygiene society \$10,000; state industrial accident commission \$110,000; state fire board \$5000; state livestock sanitary board \$7000; state police \$7000; industrial school for girls \$7000; state penitentiary \$75,000; state training school for boys \$12,000.

A marriage license was issued this morning to David Allen Byssie, a minister of Eugene and Myrtle, a Miss Cave of Salem. Miss Cave gave her home address as 1242 Capital street. She is well known among musicians in the city and during the past year has been living in Eugene giving vocal lessons.

Nazimova's Play Greatest Of Career

"Toys of Fate." What are any of us but toys of fate? That's what a man says when he is "blue,"—when things will not go right—when destiny itself seems to balk him in every effort.

"Sometimes the worst turns the best to the brave— The black moment's at an end."

Well, that is the way it is with Ash, the fascinating gypsy princess in "Toys of Fate," in which the great Russian artist, Nazimova, stars.

"Toys of Fate" is vivid, vital, dramatic. It is the history of a child of nature, brought into contact with the ways of civilization.

Will be shown at Ye Liberty theatre, Thursday, Friday and Saturday.
