SOCIETY

BY MABEL GARRETT

The home of Mrs. George J. Pearce, 267 North Winter street, was the scene of a delightfully informal reception Friday afternoon, given by the ladies of the Presbyterian church in honor of Mrs. Carl H. Elliott, who leaves soon for Oberlin, Ohio, to make her home.

The house was radiant with a profusion of pink roses artistically placed throughout the rooms. During the afternoon Miss Alice Judd, accompanied by Miss Gertrude Eakin, sang several songs in a pleasing manner. Later refreshments were served by the committee. Those who were in charge of the reception were Mrs. W. H. Steusloff, Mrs. R. S. Wallace, Mrs. D. A. Hodge, Mrs. L. G. Altman, Miss Nellie Hollenback, Miss Lillian Applegate, Miss Flora Case, Miss Gertrude Eakin, Mrs. A. L. Marcus and Mrs. George J. Pearce.

On a motor trip through Washington and Oregon Mr. and Mrs. James Gaultlett and little son, Marion, of Seattle, Washington, made Salem one of their stopping points. While here they were guests at the N. C. Kafoury home. Mr. Gaultlett is connected with the Diamond Iron Works at Seattle, Washington.

Saturday a group of Salem people motored to Springfield for a short outing. While there they visited Mrs. W. H. Adrian. The party included Mr. and Mrs. J. E. Scott and daughter, Eva, Mr. and Mrs. B. L. Scott, Mr. and Mrs. B. L. Scott, who are from Ontario, Canada, are spending the summer here.

No vacation seems quite so popular this season as a short vacation at some beach or summer resort. People are continually coming from and going to the various vacation haunts.

Among those who returned last week from Netarts were Mr. and Mrs. M. J. Cernik and daughters, Beatrice and Marion, Mr. and Mrs. John Cornworth and Mr. and Mrs. L. H. Lickel. The party enjoyed about a week's outing.

Mrs. Jacob A. Rise and daughter, Bernice, returned last week from Newport where they have been passing a two weeks vacation.

A party of Salem people who motored over to Newport yesterday included Miss Verne Gibson, Miss Helen Pearce, Joseph Albert and Walter Jenks. The party expect to join Mrs. Joseph Albert, Mrs. Walter Jenks and Miss Dorothy Pearce, who have been at the coast for some little time. They expect to return the latter part of the week.

Mr. and Mrs. Luther Steel motored down from Portland to spend Sunday with Rev. and Mrs. Henry Talbot. Mrs. Steel is a daughter of the Talbots.

Wallace Gillett is visiting J. D. Stapleton and family. He has been traveling with the Ellison and White chauffeurs and just finished last Monday at Billings, Montana. He expects to leave for Roseburg sometime this week and next Monday to continue his journey from there to his home in Lodi, California, where the Stapletons resided before coming to Oregon.

Mr. and Mrs. P. A. Legg, 263 South High street, have received word that their son, Kenneth Legg, who has been transferred from Presidio, where he has been in the student's training corps, left California the first of the week and would arrive at Camp Perry, Ohio, about last Friday. Mr. Legg went with the group of Willamette university men to Presidio early in the summer. Just recently he was selected to be one of seventy taken from the whole student training corps representing the leading colleges of the northwest, who should go east to secure officers' training work at Camp Perry. Camp Perry is located on the banks of Lake Erie and is devoted exclusively to the training of men for officers. Mr. Legg will be at Camp Perry about three weeks and will then return to Willamette university with the rank of an officer in the student company.

Mr. and Mrs. Franz Pfeiffer and daughter, Barbara, accompanied by Mr. and Mrs. T. G. Hopkins, motored down from Albany to spend the day. While here they were the guests of Mrs. George J. Pearce on North Winter street.

The state fair grounds was the scene of a happy picnic Saturday, when the members of the Nebraska society held their annual picnic. A dinner in true informal picnic style was served at noon. During the afternoon an impromptu program was enjoyed, when many interesting reminiscences were related concerning former experiences in the eastern state. Later when an election of officers was held, E. D. Baxter was elected president, Mrs. Sadie Sorrel vice president and Miss Oral McClain secretary.

The most prominent affair during August was the Belgian Fete, given last week by the Belgian Relief commission which was organized recently.

The fete was characteristic because of the many original features. The Japanese torii which is always found at the entrance of a Japanese temple was represented in front of the tea garden. It was very graceful and beautiful in all its lines and gave an artistic setting to the garden.

Another feature that was greatly appreciated was the girls dressed in bright Italian costumes selling bananas from a push cart quite significant of Italian costumes.

The Queen of the Gypsies, with all of her daughters fascinated the people by their bewitching fortune telling.

Quite a novel feature was the four Shetland ponies who provided so much amusement for the children. Mr. Edwards, owner of two of the ponies gave his entire time during the afternoon to assist the children on the joy rides. From these rides the ponies earned

But Lydia E. Pinkham's Vegetable Compound Saved Her from a Serious Operation.

Brooklyn, N. Y.—"I suffered something dreadful from a displacement and two very bad attacks of inflammation. My doctor said he could do nothing more for me and I would have to go to the hospital for an operation, but Lydia E. Pinkham's Vegetable Compound and Sarsaparilla have entirely cured me of my troubles and I am now in good health. I am willing you should use my testimonial and hope to benefit other suffering women by so doing."—Mrs. F. PLATT, 9 Woodbine St., Brooklyn, N. Y.

Silks, Suitings, Coatings

New Fabrics, new patterns, new colorings and tints, Fall Types of the Materials that Women will Wear and in which Barnes' Cash Store Individualism is Fascinatingly and Refreshingly Expressed

SUITINGS

Revealing the beauty of the weaving art to the highest degree, Serges and Poplins in all leading colors for the really fine suit.

Gabardines also come in strong, and for charming patterns the Plaids we show are distinctly in a class by themselves. These plaids will be THE Fabric for separate skirts.

COATINGS

Fine Fabrics such as Velours and Plushes are of course, the favorites and to see our showing of these materials is to know what really smart coats are made of. There is also a splendid line of wool mixtures, Black and White checks and No Sag Jersey to Choose From.

SILKS

Our showing of Silks was never better. Plaids have the lead followed by Satin Charmeuse, Crepe de Chine Georgettes and Satin Striped Toffetas. Don't fail to see the Worsted Plaid patterns. Wild Silks like heavy pongee. Nothing like it ever shown before.

TRIMMINGS

So much of the beauty of any gown depends largely upon the trimmings used to embellish it. For that reason you always find Barnes Cash Store equal to the occasion. This is a great season for Fringe, both silk and Chenille and ranging from 2 to 24 inches in width. Tassels of all kinds will be exceedingly well liked.

WEAR CHEERY CLOTHES

Now, of all times, wear cheery clothes. Wear them with an air of optimism. This is no time for sombre garbs, they create a feeling of downheartedness and that foreshadows defeat. Make your own clothes or have them made expressly for you. That is real patriotism. You can easily choose your favorite material and color here.—WEAR CHEERY CLOTHES.
