mer menths some member of almost ev-

not; wisely leaving it to the banks themselves to decide as to the desirability of call and time loans upon se curities. To place impediments in the way of making leans of this character within the limits of recognized meth-ods would be a step backwards; for this is one of the soundest and safest forme of lending credit. The object of this proposal was presumably to check undesirable or expensive speculation; purpose which bankers are already carnestly pursuing as a matter of good business policy and self-preservation.

Stomach and Liver Troubles No end of misery and actual suffer-ing is caused by disorders of the stomseh and liver, and may be avoided by the use of Chamberlain's Tablota Give them a trial. They only cost a quarter.
