

WANTED

Energetic, High-Speed Executive to handle distribution to 250 Motion Picture Theaters in this district of **The Mayor of Filbert**, an absorbing \$200,000, eight-reel Triang Special on the labor question. Must know how to deal with local committees and to handle bankers and big business men and deal with the political situation with judgment and discretion.

One man—if he is big enough and fast enough—can organize and put this through. It is too important—too important a job to be handled in usual trade channels.

To fall in with the advertising plan and take full advantage of the present situation, local distributors must be taking contracts and settling dates on this picture, in every part of the United States, within fifteen days. So we are looking for the right man in 100 districts. Large immediate profits for the successful ones.

No matter what your present business interests—here's a chance for you and a few friends to get into the profit end of the Motion Picture business on your own account in your own district, that hasn't come before, wouldn't have come now but for the impossibility of letting this picture take its turn in the routine of distribution—for **Speed is Vital**.

We shall close quickly. A telegram now (not to-morrow) may make all the difference. Address

"I personally agree with Earl Grey's scheme for a league of nations," Erzberger said. "Germany is not aiming to attain world domination. She only

wants equal rights. The allies are originally illuisioned if they think they will beat Germany."

The ball was a line drive between third and short. Killifer up. Strike one, called. Ball one. Killifer hit to Scott and Pick was out off third Scott to Thomas. No runs, two hits, no errors.

second. Ruth up. Ball one. Ball two. Ball three. Strike one, called. Strike two called. Ruth tripled to right, scoring Whiteman and Melnis. The hit went far over Flack and rolled up to the fence. Scott flew to Paskert. Two runs, one hit, no errors.

The two runs the Sox scored were the results of the only two bases on balls Tyler had issued and Ruth's great smash. The relay on Ruth's hit went through Deal to the Cub dugout, but Ruth made no effort to take advantage of it.

PORTLAND MAN GAINS 24 POUNDS

Was Hardly Able To Work Before He Began Taking Tanlac.

"When I started taking Tanlac I was so weak I could hardly do anything at all, and it has not only almost made a new man of me, but I have gained twenty four pounds besides," said Charles E. Schaffer, an employee of the Grant Smith-Porter Ship Building company, living at 508 West Charles street, Portland, Ore., the other day.

"A little over a year ago," he continued, "I suffered from a bad case of la grippe that pulled me down till I was hardly fit for a thing. I lost my appetite and what little I managed to force down soured on my stomach and felt as hard as a lump of lead in me, and I was miserable night and day. Then several weeks ago I had an awful attack of tonsillitis that had me so bad I couldn't swallow a bit of nourishment for ten days, and it came near putting me out of business. I felt tired and wornout all the time and lost every spark of energy I ever had. When I went to bed I would roll and toss so much that I never got a good night's sleep, in fact I haven't been able to sleep much in the last three or four years, and I always got up in the mornings feeling just as bad as when I went to bed. I lost considerable in weight and got so weak and rundown that at last I just had to quit working altogether."

"I read so much about the good Tanlac was doing others that I decided to try a bottle. I began to pick up right smartly from the very first, and in a little while I had my appetite back and was eating and enjoying my meals, and everything now agrees with me. I get as hungry as a bear in three hours after eating a hearty breakfast, and my food is building me up something wonderful. I sleep like a log all night and get up in the mornings feeling just fine and dandy. I am fast getting back my old time energy, and have already got a number of my friends started on Tanlac and expect to keep on boosting it."

Tanlac is sold in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Goeh, in Gervais by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lynnann H. Shervon, in Salem by Dr. S. C. Stone, in Silverton by Geo. A. Steelhammer, in Gates by Mrs. J. P. McCurdy and in Stayton by C. A. Beauchamp. (Adv.)
