## How Road Districts May Increase Tax

In road districts where it is desired to increase the tax levy above the six per cent tax limitation it will be necessary for the voters of the district to vote on two questions. First, shall a tax be levied in excess of that levied the preceding year, plus six per cent. Second, a vote must be taken on the amount of additional tax which shall be levied.

This procedure is outlined in an opinion given by Attorney General Brown to L. L. Ray' district attorney at Eugene. In road districts the tax is voted at a meeting of voters called for that purpose.

THAT'S what we must make it seem to our Government — that *Oregon* has the *Habit* of doing things *First* — and it's INCURABLE.

The 4th Liberty Loan should not, cannot, must not catch us unawares or unprepared here in Oregon.

Every town and county committee is hard bent to land FIRST PLACE in the FIRST STATE to go over the top.

YOUR part is to decide NOW that you are going to be one of those by whom and for whom NO REGRETS ARE EXPRESSED when we go sailing over the top in the 4th Liberty Loan.

If YOU DON'T SUBSCRIBE — and do it cheerfully and willingly and promptly and generously and voluntarily—there WILL BE regrets all 'round. Your conscience will suffer, our opinion of you will suffer — and MOST OF ALL, Our Boys' lives will suffer.
