Salem and vicinity have been experiencing for a day or so what the Irish term "soffit" weather. Last night the minimum temperature was 62. At 8 o'clock this morning it was 64. The rainfall for 24 hours was .13 of an inch.

"The best" is all you can do when death comes. Call Webb & Clough Co. Phone 120.

Dance at Moose hall tonight.

Fresh cows, more cows added to the Jefferson sale Monday, Silverton paved road.

The Boy Scouts are doing their share as today a number were commended for taking the Fourth Liberty loan posters and place them in the business houses of the city. These posters are in every way much more attractive than those issued for former liberty loan drives.

NOTICE—Lodges, clubs and dancing societies, I am now booking my orchestra which is better than ever, for the coming season, those wishing dates phone 1296. Warren Hunt. If

Teachers' plan day has been called by County Superintendent Smith for Saturday Oct. 5 at the auditorium of the Salem high school. The idea is to discuss with all the county teachers and especially those who are teaching their first school a program for the winter's work. In the county there are 55 teachers who are to teach their first schools this winter.

Tonight, big dance, Lakebrook hop yard, eight miles north.

Attention. Owing to present conditions we find it necessary to raise our prices after Sept. 15, 1918, as follows: For tying in—Single horse, 15c. Team 25c.—Salem Feed Barn, Farmers Feed Shed, Center St. Feed Barn. Cherry City Feed Barn. 9-13

Fresh cows, more cows added to the Jefferson sale Monday, Silverton paved road.

For those owning Third liberty loan bonds, it is suggested that clipping scissors will be appropriate next Monday. On a \$50 bond there will be one coupon due and payable at any bank. The amount of the coupon on the \$50 bond is 74 cents.

Sunday afternoon at 3 o'clock there will be a meeting at the armory to complete the organization of Salem's company of the Oregon National Guard. But few men are now needed. For the man who really wants to get into quick action, the Oregon National Guard company offers inducements. Next Tuesday evening at the armory, a meeting has been called of all men who are subject to the draft.

All auxiliaries of Willamette chapter Red Cross have re-organized and have notified headquarters in the city they are ready for the fall work, with the exception of one. The Mt. Angel auxiliary has written to Willamette chapter that as many of its officers were gone, it would not re-organize and would not carry on any Red Cross work during the winter.

Fresh cows, more cows added to the Jefferson sale Monday, Silverton paved road.

Half a dozen or more of the ornery, scrubby mules in the state are wanted by Paul Stege, of the entertainment committee of the local Elks' lodge for Elks day at the State fair. The boys are preparing to put on a governor's race at the grounds on the afternoon of that day and the mules are wanted to represent certain favorite candidates. There will really be a race of the mules offered and pools will be sold, the receipts to be given to the Red Cross. Any one happening to have such an animal and is willing to loan it to the Salem Elks lodge for the one day only should communicate with Paul Stege at the Imperial Furniture company, or with Walter Toozee chairman of the entertainment committee of the Elks' lodge for the state fair.

Mr. and Mrs. G. B. Terwilliger, graduate morticians and funeral directors, 770 Chemeketa St., Phone 724.

Washington, Sept. 14.—The ban on knitting wool for civilian uses was lifted today by the war industries board.

STATE FAIR GIVES PROMISE OF BEING REAL RECORD-BREAKER

Great Tractor Show, Livestock Exhibits; Farm and Orchard Products.

"The state fair this year promises to be the best in its history, and this is as it should be, for of all times this is the time we should stimulate agricultural production," said Governor Withycombe today in commenting on the Fifty-Seventh annual Oregon state fair which opens here September 23 for a week, and in urging the people to attend.

"President Wilson has wisely advocated the continuance of fairs this year, despite the terrible crisis confronting the country, so let Oregonians be patriotic and loyal to their state fair and make it the banner fair in the history of Oregon," he continued.

"The Oregon state fair is the most important fair of its class on the Pacific coast. It is becoming a real school of practical education. There are many commendable features added this year, particularly the one in food conservation and production.

"The Boys and Girls club work is also becoming a strong feature of the state fair. This is exceedingly commendable, because the future of modern agriculture in our state depends upon the enthusiasm and inspiration acquired by our younger population. Parents should do their utmost in getting their boys and girls on the farms interested in agriculture, because this is our great permanent basic industry. The future farmer of the state should receive his inspiration early in life, and there is no better place to acquire this than at the state fair.

"The state fair board should also be commended for the splendid enterprise it has shown in providing an up to date and commodious coliseum in which the livestock can be displayed to the best advantage to spectators as well as for judging. This will be a valuable acquisition to the fair especially in case of inclement weather, which frequently prevails during fair week. With this building, rain or shine, we can have a good fair.

"Oregon has been characterized for its strength in livestock for a number of years. In fact, our flocks and herds compare in quality with those of any state in the union, and with the effort made by the board we should have a splendid exhibit of livestock this year."

Prediction, are made by A. H. Lea, secretary of the fair board, that the livestock show will be easily the biggest and best ever held in the west.

Following are the judges appointed for the livestock show: W. A. McKernan, director of livestock and dairy extension work of the University of Minnesota, who will make the awards in the sheep and goat division, and who will probably also judge the Jersey cattle; E. H. Farrington, head of the dairy department of the University of Wisconsin, who will judge the dairy products; G. Larson, professor of dairy husbandry of the South Dakota college, who will judge the Holsteins; George C. Humphrey, animal husbandman of the University of Wisconsin, who will judge the Guernseys; W. H. Pev, professor of animal husbandry of the Iowa State college, who will judge the horses, and probably also the beef cattle and Thomas W. Brunk, of Eola, who will judge the swine.

The food administration has agreed to send an exhibit to the fair, which will show how substitutes are grown, their value, and how they are used. Daily lectures and demonstrations will be given by experts on food production and conservation. Fully as many counties as last year will be represented by agricultural and horticultural exhibits.

Tractors will predominate in the machinery division, and there will be a splendid automobile exhibit. The famous Fordson tractor will be shown for the first time in the west. Wide interest is being shown by farmers in tractors, and the machinery pavilion will be a great center of attraction this year.

Save your old leather gloves and your old leather shopping bags and your old leather postal cards and anything that has leather in it. The P. E. O. of Salem is arranging to collect these and make them into leather vests for aviators. Boxes for the collections of leather articles will be placed at the Price Shoe Store, Meyers department store, Opera House Pharmacy, Barnes Cash Store, Poisal and Shaw and the fair grounds grocery and every one having any old leather article is requested to bring them to one of these stores. It will be remembered at a meeting of the state P. E. O. about a year ago that the Albany ladies exhibited in the Meyers store a fine collection of leather vests, made from kid gloves and such. Now the Salem P. E. O. is getting ready to do likewise.

School Days About Here!

Have you had your child's eyes examined? Is that child's eyesight in proper condition to begin the school year? Children suffering with eye strain cannot make a showing with school work and are often thought to be dull.

Why not make sure and have that child's eyes examined and if necessary have the proper corrections made.

I make a specialty of correcting defective vision in children's eyes and have examined over 1500 pairs of children's eyes in Marion and Polk counties. If glasses are not needed I will not recommend them. I use no drugs or drops in making examinations, as they are dangerous. I guarantee satisfaction.

Firemen And Policemen To Get Raise In Salary

At the next meeting of the city council it is probable that members of the fire and police departments as well as the street department will be given a raise in salary. At the last meeting of the council Alderman Ward introduced a motion authorizing the ordinance committee to bring in and introduce an ordinance providing for an increase of salaries in these departments.

This committee has received tentative estimates for a raise, which if adopted will mean an increase of from \$5 to \$10 a month to members of the fire and police departments and 50 cents a day for common laborers in the street department.

In the police and fire departments, for the first six months the present pay is \$75 a month. They advance to \$80 a month and after a year's service to \$85 a month and in some parts of the service to \$90 a month.

CAPTAIN KEISER ALIVE.

The announcement that Captain Phil J. Keiser had been killed in action was probably wrong. It was reported that he had been killed July 13, but a letter was received from him dated August 9. The letter was received in Marshfield. In the letter he mentioned neither sickness or taking part in any action. Captain Keiser is a former resident of Salem.

The fortunes of war will make hundreds of American prisoners. For those having relatives in the German or Austrian prisons it may be of advantage to know that parcels and letters may be sent them. If money is sent for a private the amount may be from \$5 to \$15. If for an officer not more than \$50 may be sent. Various articles of comfort may be mailed and a full list may be had from any postmaster. Parcels or mail are not to be sent through the Red Cross but sent direct to the address of the prisoner. One package a month is permitted. The letter should be addressed as follows: Private John Smith company, regiment, division, American Prisoner of War.
