THE MAKING OF A FAMOUS MEDICINE

How Lydia E. Pinkham's Vegetable Compound is Prepared for Woman's Use.

A visit to the laboratory where this successful remedy is made impresses even the casual looker-on with the reliability, accuracy, skill and cleanliness which attend the making of this great medicine for woman's use. Over 350,000 pounds of various herbs are used annually and all have to be gathered at the season of the year when their natural juices and medicinal substances are at their best. The most successful solvents are used to extract the medicinal properties from these herbs. Every utensil and tank that comes in contact with the medicine is sterilized and as a final precaution in cleanliness the medicine is pasteurized and sealed in sterile bottles. It is the wonderful combination of roots and herbs, together with the skill and care used in its preparation which has made this famous medicine so successful in the treatment of female ills. The letters from women who have been restored to health by the use of Lydia E. Pinkham's Vegetable Compound which we are continually publishing attest to its virtue.

ton, N. D.; William J. Wiedner, Bluffton, Ind.; Rudger Ralph William Steffy, Bradford, Pa.; Cook Alonzo Raymond, Harrisburg, Pa.; Privates Raymond H. Ackerman, Wilkesbarre, Pa.; Arthur W. Altwater, St. Louis, Mo.; Charles Waldo Anderson, Franklin, Pa.; John H. Angel, Burasville, N. C.; Anthony P. Arruda, New Bedford, Mass.; William Grover Beers, Franklin, Pa.; Tullie M. Biggers, Georgeville, N. C.; Isadore Branzano, Brooklyn, N. Y.; George Broderick, Staten Island, N. Y.; Joseph Bukowski, Chicago; Siebolas T. Caparelli, New York; Adlard A. Chang, Pawtucket, R. AGENTS FOR THE

The Bootery

WHERE CASH IS KING

Has Your New Fall Shoes for You

And you will be surprised at the ease and comfort you can get out of such beautiful and stylish cuts. They are the very latest designs and yet are, as usual, lower than common kinds, for you get the Bootery's LOW CASH PRICES.

This elegantly designed shoe in either Grey or Field-mouse color with matched cloth top, all leather, French heels, exquisitely fitting, delightfully comfortable and will only cost you \$9 for a correct fit.

There are many other Patterns and designs but these are among the choice numbers.

Here is another favorite with Ladies whose feet ache and are tired, where comfort is paramount. They look well, in fact look dressy for a comfort shoe. The toe is broad enough but not too broad, the vamp just the right length. Heel low but high enough to properly take care of the arches and altogether a very desirable shoe, which we sell at\$6.00.

State Lime Board Now Offers Lime For Sale

Corvallis, Or., Sept. 16. — Ground limestone for agricultural use can now be ordered from the state lime plant at Gosh Hill. The law provides that the board must sell in car lots only, and no provision has been made for sack- ing. Farmers who want less than a car load may join their neighbors in a co-operative order. The law specifies easy, in advance so all orders must be accompanied by checks. Address orders to the superintendent of the state lime plant, Gosh Hill, Oregon. Operation of the plant was delayed by the inability of the board to get the necessary machinery, says Dr. A. B. Cordley, director of the O. A. C. experi-

Children Cry FOR FLETCHER'S CASTORIA

Agricultural lime has been placed in a preferred class for transportation by the War Priority board, and no great delay should be met in filling orders unless the orders exceed the capacity of the plant. A tentative price of \$1.75 per ton, f. o. b. Gold Hill, has been fixed for early orders. If lime can be produced more cheaply a rebate will be granted early purchasers. The new freight rates may be had on application to the superintendent of the plant, from which farmers may figure cost-laid down at their nearest station.

The Perfect Baby Of The Future

A Simple Method That Has a Wonderful Influence upon The Future Infant.

Before the arrival of baby knowing women for over half a century have used with security the time-honored preparation, Mother's Friend. Here is a most wonderful application for the abdomen and breasts. It penetrates the muscles, ligaments and tissues, rendering them pliant to readily yield to nature's demand for expansion. By its use the anxious weeks of pregnancy are made comfortable. The usual wrenching strain, heaving-down and stretching pains are counteracted. The system is prepared for the coming event, and its use brings rest, repose and happy anticipation. By the regular use of Mother's Friend during the period the muscles expand easier when baby arrives, and naturally the pain and danger at the crisis is less. Mother's Friend is prepared after the formula of a noted family doctor by the Bradford Regulator Co., Lamar Bldg., Atlanta, Ga. It is for external use only; is absolutely and entirely safe and wonderfully effective. Write them for their instructive and interesting "Motherhood Book." There is a wealth of instruction and comfort to be derived in reading this little book. It is plainly written just what every woman wants to know and will be a splendid little text book of guidance, not only for yourself but will make you helpful to others, and in the meantime obtain a bottle of Mother's Friend from the druggist, and thus fortify yourself against pain and discomfort.
