AMERICANS DRIVING

(Continued from page one) northwest of St. Quentin. "Yesterday evening the enemy attacked at Moeuvres under cover of a heavy artillery barrage and pressed our troops back to the western outskirts of the village. "By a successful local operation carried out during the night we advanced our line slightly immediately south of the LaBasse canal."

British operations on the Pleardy front this week have been captured in the region northwest of St. Quentin, where they have improved their line by local attacks. The villages of Le guier and Moeuvres were captured this week and Holnon was approached. The three villages constitute a front of about five miles. Holnon is less than three miles west of St. Quentin. In this area the British are within two to three miles of the Hindenburg line.

Campers Requested To Identify Property

Buxton, Oregon, Sept. 16. Editor Journal. Will you please state for the benefit of those members of the State Fair Campers' association whose thousand and more articles are stored at the camp grounds, that I will be at the camp grounds from Thursday next until Tuesday morning to see that all articles go to the proper persons. The storage of these articles of camping being a labor of love on my part, and requiring four days of my time after the close of the fair, it was a physical impossibility to make a record of the same, making it necessary to depend upon memory. ALBERT FOZIER, Mayor of the Tent City.

Spanish Cabinet Discusses Submarines

Madrid, Sept. 18.—The Spanish cabinet will meet today to discuss the international situation. Foreign Minister Dato stated that the government's decision regarding German submarine warfare, as it affects Spain, would be published "at the proper moment." He urged the press to be prudent in dealing with foreign affairs. The cabinet held a long session yesterday.

Portuguese Discover Plot Against Government

Madrid, Sept. 18.—A plot to attack the Portuguese president and government, said to have been conceived by a number of officers and non-commissioned officers, has been discovered, an official dispatch from Lisbon stated today. It is planned to isolate in Lisbon those who have been apprehended. The Portuguese government is taking possession of the railways, telegraphs, telephones and waterways.

Amsterdam, Sept. 18.—German war correspondents predict that activity soon will be revived on the Verdun front, where a great battle is said to be likely.

The Day's Work

American, French and British forces are gradually exerting greater pressure against the Germans in the Woerwa and Pleardy sectors. Unofficial reports from Paris declare the Americans have made substantial progress northward along the valley of the Rupt De Mad and apparently are striking at the important towns of Chambley and Gorze. The latter is in German territory, only seven miles southwest of Metz. At the same time, the French advanced on a front of about ten miles northeast and east of Verdun, driving a sharp salient into the German lines in the direction of Etain, which is one of the bastions of the new Hindenburg line in the Woerwa region. The French are reported to be within three miles of Etain. British troops, after capturing the little village of Holnon, two and three quarters miles west of St. Quentin, yesterday evening, suddenly attacked northwest of St. Quentin this morning. The scope of this attack was not officially announced. The British were forced back slightly at Moeuvres, seven miles west of Cambrai last night, but advanced their lines south of LaBasse.
