240-246 COMMERCIAL STREET

TWO LOAN SLACKERS REPORTED BY BOARD AT LAST MEETING

C. W. Smith and B. F. Ramp Named—Others Will Be Made Public

The names of two residents who have not purchased their prescribed quota of liberty bonds were made public at a meeting held by the Loyalty Board of the Salem Central Fourth Loan Liberty Loan committee, that of B. F. Ramp who has home on Capitol street and a farm near Brooks and U. W. Smith, who has owned until recently a farm on the Garden road a short distance east of the city limits. Both men are well to do. It is understood that Smith is worth more than \$50,000 but has not been in sympathy with any patriotic efforts since the beginning of the war.

This is the first decisive action taken by the Loyalty board. Others are under consideration and it is probable their names will be made public. It is felt that many citizens of wealth have refused to buy bonds in proportion to their means and these men too are under fire by the Loyalty board.

The Loyalty board of the fourth liberty loan is composed of 125 of the leading men of the city. From this list there has been selected a committee of 25, whose duty is that of investigating cases of disloyalty and reporting to the board.

The amount pledged for the fourth loan in Salem is approximately \$625,000. Among the workers it is felt that the \$300,000 or more that Salem is behind on the loan can be raised in a canvass of parts of the city not thoroughly worked and a re-canvass of the pruned sections of the county.

The Loyalty board will meet from time to time to take definite action towards giving publicity to those who fail to see their duty.

COUNCIL OF DEFENSE IS ONLY MORAL FORCE AND NOT LEGAL ONE

F. W. Steusloff Resigns Chairmanship; Dr. Steiner Selected For Place.

Although W. F. Woodard chairman of the state Council of Defense, and John K. Kullock, secretary, addressed a representative gathering of the business men at the Commercial club last evening, and touched on its ruling regarding the closing of stores on Sunday, business interests in the city interested in the ruling knew very little more than they did before the meeting was called.

What several business men wanted to know, was whether the State Council of Defense would insist on its order that all stores close at 6 o'clock in the evening and whether the Sunday closing would be insisted on. The State Council of Defense is a moral force, not a legal one. The most that could be learned from the two addresses was that the Council did not object to soda water and ice cream being sold on Sunday or after 6 o'clock in the evening. It seems, however, that the Council is opposed to the selling of any other kind of merchandise during the hours named, even candy.

The original ruling had been modified, he said, opening the door for ice cream and soft drinks at the customary hours. He thought people could buy their candy any time before 6 o'clock in the evening.

John K. Kullock, secretary of the State Council of Defense, said there would be no building of churches, schools or fraternal buildings during the war. The national council of defense had so decided.

In regard to the use of the German language, in some counties he said it was not allowed even in Lutheran German churches. "A language that conferred a decoration on the man who sank the Lusitania is not to be tolerated by Americans. Many counties now compel that all teaching be done in English. I think that even elderly German women should learn to pray in English," said Mr. Kullock.

The authority of the State Council of Defense rests entirely on the consent of the citizens. In Philadelphia, the name of Dr. R. E. Lee Steiner as the best man to serve as county chairman and he was unanimously elected.

Dr. Steiner was empowered to select his secretary and committee. With the election of Dr. Steiner, it is felt that the County Council of Defense will take an active part in the patriotic efforts of this section of the state.

W. F. Woodard, president and announced the resignation of F. W. Steusloff as county chairman. A nominating committee consisting of Judge Lawrence T. Harris, M. L. Meyers, E. F. Carleton, F. W. Steusloff and H. V. Wells, unanimously suggested the name of Dr. R. E. Lee Steiner as the best man to serve as county chairman and he was unanimously elected.

HATCH—To Mr. and Mrs. John A. Hatch, of 2856 Brook avenue, October 2, 1918, a son.

GLASS OF SALTS IF YOUR KIDNEYS HURT

Eat Less Meat If You Feel Backache Or Have Bladder Trouble—Salts Fine For Kidneys

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poisons, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless, and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.
