And you don't want your battery cared for by an untrained man---even if he says he KNOWS ALL ABOUT BATTERIES. Doctoring batteries is a profession with us---we are

trained battery experts, and we recognize and treat all of the common battery ills. Your battery ought to be tested --- and you ought also

to learn about Threaded Rubber Insulation---the most important battery improvement in years. Don't forget to ask for the booklet "A Mark With a

Meaning For You." James Kilean, Brooklyn
