Thousands of housewives have found that they can save two-thirds of the money usually spent for cough preparations, by using this well-known old recipe for making cough syrup at home. It is imple and cheap to make, but it really has no equal for prompt results. It takes right hold of a cough and gives immediate relief, usually stopping any ordinary cough in 24 hours or less.

Get 24 ounces of Pinex from any druggist, pour it into a pint bottle, and add plain gramulated sugar syrup to make a full pint. If you prefer, use clarified molasses, honey, or corn syrup, is tastes good, keeps perfectly, and lasts a family a long time.

It's truly astonishing how quickly it acts, penetrating through every alr passage of the throat and lungs—housens and raises the phlegm, soothes and health of the membranes, and gradually but surely the zanoying throat tickle and dreaded cough disappear entirely. Nothing better for broachills, spasmodic croup, whooping cough or bronchill asthma.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its healing effect on the membranes.

Avoid disappointment by asking your directions and dark sceept any thing else. Guaranteed to give absolute wastisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.
