WOMAN'S NERVES MADE STRONG

By Lydia E. Pinkham's Vegetable Compound.

Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—I would be awake and get so nervous I would have to get up and walk around and in the morning would be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."—Mrs. ALBERT SULTZ, 608 Olmstead St., Winona, Minn.

How often do we hear the expression among women, "I am so nervous, I can not sleep," or "it seems as though I should fly." Such women should profit by Mrs. Sultz's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.

For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

Early reports were of the decidedly encouraging variety and pointed to an activity never before equaled in the long campaign. The outstanding feature of the day's telegrams to loan headquarters was the increasing number of large subscriptions. Chicago loan officials telegraphed that pledges of great sums were pouring into the committee's headquarters, while at the same time there was no decrease in the number of small subscriptions. The work today throughout the country was expected to show encouraging results in tonight's total. Morning to prevent their request for \$5000 if the board had met. At the meeting of the emergency board last week Warden Murphy presented a request for \$2000 for the line board, but the emergency board members refused to grant it and the request was withdrawn.
