PERSONALS
Mayor Walter E. Koyas, is in Al-bany today attending circuit court.
Joa. Hammon of Stayton is registered at the Elgin.
O. D. Shaw of Yakima, Wash., was in the city yesterday.
Chas. A. Park, president of the Salem Water, Light and Power company, is home from a trip to the McKenzie country.
H. Marshall, of Silverton, was in the city Thursday.
W. V. Fuller, secretary of the Dal-las Commercial club, was a Salem visitor yesterday.
Mrs. H. P. Shriver and Mrs. Marshall, of Dallas, spent the day in Salem.
District Attorney Gale H. Hill of Al-bany was in the city yesterday.
Walter A. Denton, secretary of the Oregon State Retail Grocers and Businessmen's Association, is in Portland.
Word was received this morning from Camp Lewis, that E. E. Baker who has been ill for several days of pneumonia, is rapidly improving.
Street Commissioner Walt S. Low says he is now working on the bridge across Mill creek on South Capital street, and that while the work will be completed next week it will be the first of next month or later before the work on the fill at the bridge will permit it to be opened for traffic.

Died
PIERCKES.-At the Salem hospital, Oct. 25, 1918, Mrs. Clara Pierckes, at the age of 70 years. She is survived by a brother living on Howell Prairie, a sister in Michigan and a son in Nebraska. Private funeral services will be held Saturday afternoon from the chapel of Webb & Clough at 2 o'clock. Burial will be in the City View cemetery.
THOMPSON.-At the family residence 2460 Elm avenue, Oct. 23, 1918, Mrs. Charles Thompson at the age of 25 years. Death was due to pneumonia. Besides her husband, she is survived by her father, W. E. Straw and two brothers, Herbert and Arden Straw of Beaverton, Oregon, and two sisters, Mrs. R. P. Grey of Salem and Mrs. E. B. Taylor of Portland. Mrs. Thompson had lived in the city 15 years, coming here with her parents from Wisconsin. Before her marriage she was Miss Guidic Straw. She had a large acquaintanceship both in the city and Portland where the family lived for several years. The funeral services will be held at the residence Saturday afternoon at 1 o'clock and will be conducted by the Rev. H. E. Pemberton, pastor of the South Salem Friends church. Burial will be in the City View cemetery.

SPRAINS! RUB PAINS AND SWELLING AWAY

Don't Suffer! Go About Your Duties-Relief Comes The Moment You Apply "St. Jacobs Liniment."
Don't stay crippled! Rub this soothing, penetrating liniment right into the sprain, ache or strain, and out comes pain, soreness, stiffness and swelling. Nothing else penetrates, heals and strengthens the injured muscles, nerves, tendons and ligaments so promptly. It doesn't burn or discolor the skin and can not cause injury. Don't suffer! Get a small trial bottle from any drug store now-limber up! Rub the misery right out. A moment after "St. Jacobs Liniment" is applied you can not feel the slightest pain or soreness, and you can go about your regular duties. "St. Jacobs Liniment" conquers pain. It has been used effectively for sprains, strains, soreness and stiffness for 80 years-six gold medal awards. A marriage license was issued yesterday to Paul Lewis Hurd, age 22 of Alameda, Calif., and Ardella Winter, 20 of Salem, a student. Mr. Hurd is in the navy.

A committee in congress decided the other day that we should all turn back our clocks one hour next Sunday night. The exact official hour to be observed by railroads and those interested in the flight of time at night is 2 o'clock of the morning of October 28. But for the average citizen who is sound asleep by 2 o'clock the suggestion has been offered that time be turned back in its flight just one hour just before retiring. If this is not observed, a lot of people will be going on the old time and getting to work an hour too soon Monday morning. Acting under instructions from the fuel oil administration none of the Salem garages or service stations hereafter will sell gasoline or lubricating oils after 6 p. m. week days or on Sundays. All posters for the Fourth Liberty loan should now be removed from display windows or elsewhere. This is in line with the request of the treasury department at Washington. As the fourth loan is now over and the message of the posters have been delivered it is deemed best that the posters should be removed. With old posters on display all winter it is thought the public might become so accustomed to posters that those for the next loan would attract no attention. Hence it is the request of state liberty loan headquarters that all posters be removed. CARD OF THANKS We wish to thank our many friends, neighbors and the members of the Masonic lodge for their kindness and beautiful floral offerings during our recent bereavement in the death of our son and brother.-Mr. and Mrs. G. Guerne, Mrs. Ida Jones, Clara Guerne, Wm. Guerne, George Guerne. Will ship all kinds of livestock next Wednesday, October 30. See me before you sell your Thanksgiving turkeys. G. W. Eyre, 2206M. 10-28

The war and natural changes in life is responsible for several changes during the past three years in the legal and medical profession. Of the forty-one attorneys who signed up as members of the Commercial club in the spring of three years ago, eighteen are not here now. Of the 45 doctors who signed as club members three years ago twelve are not in the city now. The real estate business is picking up in the country, judging from the number of transfers being filed this month. Mrs. Mildred R. Brooks, county recorder, says are more deeds being filed this month than for any time during the past year. Also while the number of mortgages filed had often outnumbered the releases, now it is just the opposite. During the past four years there has been times when the business was mostly in the filing of mortgages. Now, due to the general prosperous conditions, it is the recording of mortgage releases that is occupying the time of the office force. Intensive training at the Central Officers training school at the Presidio is now open to members of the Students Army Training Corps of Willamette University. Appointment will be made each month by Captain O. N. Tyler. Those who have recently been recommended are Kenneth Legg, of Salem, Russell Rary, Seattle, Benjamin Rickli, Dallas, C. R. Belknap, Astoria and Frank Riley of Goldendale, Wash. Legg, Rary and Rickli have already had two months of training at the Presidio. Legg was sent to a musketry school at Camp Perry, Ohio, where he refused a commission in order to return to Willamette University. A. O. Davidson, who is employed at the statehouse, left his Chevrolet car at the curb when he went to work yesterday morning and thought no more about it until he was ready to return home about 5 o'clock in the afternoon. But the car was not there as it seems that shortly after leaving his car, some parties supposed to be boys who had escaped from the reform school, had made way with it. Mr. Davidson reported his loss to the police in Salem. They soon located the car in Portland. Some one had driven it there, and let the car stand where it was later picked up by the Portland police. All's well that ends well. Dr. Schenk has now returned from his vacation and he extends a cordial invitation to his patrons and friends to visit his institution. The dance at Turner, Saturday night has been postponed on account of the influenza epidemic. Mrs. Myra Shank has been appointed police matron to succeed Mrs. S. J. Dorsey whose resignation for Nov. 1 was accepted at the Monday meeting of the city council. Mrs. Shank has already had two years experience as police matron and it is understood her appointment is satisfactory to the police force. At the last session of the city council it was brought out that the police wanted a matron who would co-operate with them and one that would give more time to the general work of a police matron rather than to the Oregon Electric depot. Mrs. Dorsey handed in her resignation because the salary of \$50 a month was not raised \$10 a month along with other police officials. Due to shortage of labor, beginning November 1, Vieck Bros. garage will close at 7 p. m. and open at 6 a. m. This will do away with the night shift and save several men for day work, which is most essential, as all business and commercial cars are usually thru with their day's work by that time. Dr. G. Hartley, dentist, Moore building, 407 Court St. Painless filling and extraction. Pyorrhea. Phone 114. tf

The silver lining of the cloud on the prairie situation continues to grow but not to any very large extent. Yesterday the Dräger Fruit company shipped two car loads for the use of the U. S. army at El Paso, Texas. The shipment weighed 100,000 pounds. Orders have been received for the shipment of 250,000 pounds to the army at Houston, Texas, and Chicago. Allotments have been received for the shipment of 250,000 pounds to the allies, but as the English officials do not understand the conditions that govern the forwarding of prizes, there are continual delays in the shipping instructions. All business with the allies is done through the national food administration, directly through the San Francisco office. Shipping orders have not as yet been received for over sea orders. No gasoline will be sold in Salem, beginning tomorrow, after six o'clock in the evening. Nor will there be any sold on Sundays. Some time ago an effort was made to restrict the sale of gasoline and to discontinue its sale entirely on Sundays. But there seemed to be a conflict between the fuel administration and the state council of defense. Now the orders come not as a suggestion but as positive orders that there shall be no selling of gasoline between 6 o'clock in the evening and 6 in the morning and none on Sundays. If any dealer violates this order, the three large companies in the city are to be authorized to discontinue delivery of oil to the offender. With the three companies in Salem co-operating, the dealer who violates the order will be playing for a lot of trouble.

DR. W. E. STANTON Dermatologist and Foot Specialist. Specializes in removing superfluous hair from face, neck and arms. Facial work for removal of blemishes.
